Monitor and supervise of activities for the holistic growth of the children, elderly and PwDs

To be competent, the user/individual on the job must be able to:

- PC7.** assist in implementing the activities decided by the management for holistic development of the PwD
- PC8.** oversee the work of the staff and monitor their performance in supporting the growth activities arranged for all under care at Care Home
- PC9.** observe continuously the growth/ changes seen in the PwD and respond appropriately in keeping parents/ guardians informed
- PC10.** be sensitive to the aging process of the elderly and through the caregivers
- PC11.** address the issues concerning nurturing in children/ babies and support this process through the available staff

Qualification Pack

PC12. arrange activities for supporting cognitive development of children and PwD children

PC13. seek parents' support and involvement in the developmental activities

Supervise the activities for the recreation of the children/ elders/ PwDs, as appropriate

To be competent, the user/individual on the job must be able to:

PC14. organise and supervise the recreational activities arranged for children/ elderly and PwD

PC15. organise religious time, such as pooja, bhajan and discourse for those interested, particularly elderly

PC16. supervise the recreational activities for the babies provided under the caregivers' close supervision

PC17. ensure the safety of participants in the recreational activities

Monitor rehabilitation of PwDs, where required

To be competent, the user/individual on the job must be able to:

PC18. supervise scheduled rehabilitation activities based on the different types of disabilities

PC19. assist the staff in arranging activities for those who require rehabilitation

PC20. monitor and supervise the work of the staff and the inhabitants in rehabilitation activities

PC21. keep the seniors and kin/ parents/ guardians informed of progress/ changes

PC22. supervise various rehabilitation activities such as cognitive, occupational, physical therapy, etc.

PC23. use the assistive technologies/ equipment to support the rehabilitation activities

Supervise preparation and distribution of necessary food for PwDs

To be competent, the user/individual on the job must be able to:

PC24. note the disability condition of each individual specifically

PC25. note the food requirements from the parents/guardians of each of the PwD cared for

PC26. consult with experts to prepare a special diet chart, if required

PC27. instruct the kitchen/ pantry staff about the meal plan of the PwD cared for

PC28. inspect that the meals are prepared and distributed as planned

PC29. ensure that the dining is supervised by the caregivers for proper feeding and hygiene

PC30. ensure that caregivers assist the PwD cared for, to wash up after meals.

PC31. ensure that the place is cleaned and hygienic after the meals

Supervise the care givers for ADL of PwDs

To be competent, the user/individual on the job must be able to:

PC32. allocate the persons with disabilities/ deficiencies to the caregivers based on their specific deficiencies/ disabilities, as well as degree of the disability

PC33. handle the PwD inhabitants at the PwD Home based on their specific disability

PC34. assist individuals with disabilities with bathing, toileting, washing, cleaning and wearing clothes

PC35. inspect the hygiene of the PwD inhabitants on regular basis

PC36. ensure that the caregivers work on the personal hygiene of the PwD, in terms of oiling, combing, massaging and providing pedicure/ manicure, when required

PC37. ensure preparation and distribution of nutritious meals

PC38. monitor the needs of the PwD with a view to meet the needs directly or through the caregivers

Qualification Pack

- PC39.** ensure that the caregivers aid the PwD in moving from one place to another and in climbing stairs, where needed
- PC40.** maintain and activate the schedule of physical exercises/ walks to be taken by the PwD inhabitants as required
- PC41.** ensure that the caregivers are always alert to respond to the calls of the PwD in the PwD homes

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** different ADLs for children, elders and people with disabilities
- KU2.** precautions required to be taken to prevent serious virus such as Covid 19
- KU3.** difference between various kinds of care homes and their purpose
- KU4.** layout and equipment required in different types of care homes
- KU5.** HR process in a care home (recruitment, induction, training and evaluation)
- KU6.** basic accounting and computer literacy
- KU7.** working of electronic devices like smart phone, multiline phone, printers, copiers, CCTV, etc.
- KU8.** use of assistive technology/equipment for the different types of care homes
- KU9.** principles of supervision and monitoring.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** discuss problem with manager, and suggest solutions
- GS2.** perform assigned tasks efficiently, based on set priority

Qualification Pack

DWC/N0250: Supervisor for Old Age Homes

Description

This unit covers knowledge and skills for a supervisor to assist the management of Day Care for children.

Scope

The scope covers the following :

- Identify the laws and rights with respect to senior citizens
- Supervise preparation and distribution of wholesome diet/ food for elderly
- Supervise the activities for recreation of old aged people
- Supervise caregivers for ADL of elderly

Elements and Performance Criteria

Identify the laws and rights with respect to senior citizens

To be competent, the user/individual on the job must be able to:

- PC1.** ensure that the senior citizens under care at the care homes are provided due dignity and rights in accordance with the existing rights/ statutes on the subject
- PC2.** guide the family/ guardian on existing laws, provisions or privileges available to the senior citizens
- PC3.** educate the caregivers/ staff about the laws/ privileges/ rights of the senior citizens

Supervise preparation and distribution of wholesome diet/ food for elderly

To be competent, the user/individual on the job must be able to:

- PC4.** note the requirements of each elderly individual
- PC5.** identify the food preference of the average elderly in the care home
- PC6.** ensure that the food is nutritious and fresh and easily chewable for the elderly
- PC7.** ensure that the dining by the elderly is supervised by the caregivers to ensure proper feeding and hygiene
- PC8.** ensure that caregivers assist the elders to wash up after meals.
- PC9.** ensure that the place is cleaned and hygienic after the meals

Supervise the activities for recreation of old aged people

To be competent, the user/individual on the job must be able to:

- PC10.** organise and supervise the recreational activities arranged for elderly
- PC11.** organise religious time, such as pooja, bhajan and discourse for those interested, particularly elderly
- PC12.** supervise the recreational activities under the caregivers' close supervision
- PC13.** ensure the safety of participants in the recreational activities

Supervise caregivers for ADL of elderly

To be competent, the user/individual on the job must be able to:

- PC14.** allocate the elders under care to the caregivers, based on their stage of ageing, mobility and gender

Qualification Pack

- PC15.** supervise the caregivers in assisting elders in ADL such as toileting, washing, bathing, grooming, shifting and change of clothes
- PC16.** inspect the hygiene of the elderly on regular basis and ensure their personal hygiene in terms of grooming, sponging, massaging and providing pedicure/ manicure
- PC17.** ensure preparation and distribution of nutritious meals, as per the needs of the elders under care
- PC18.** ascertain the needs of the elders with the view to meet those needs
- PC19.** ensure that the caregivers aid the elders in their transfers within the Old Age Home including and climbing up and down the stairs safely
- PC20.** prepare and implement the schedule of physical exercises/ walks to be undertaken by the elderly
- PC21.** • ensure that the caregivers are always alert to the calls of the elderly in the Old Age Home
• differentiate between dementia & alzheimer condition
- PC22.** provide care to the person suffering from these dementia/alzheimer condition

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** different ADLs for children, elders and people with disabilities
- KU2.** precautions required to be taken to prevent serious virus such as Covid 19
- KU3.** difference between various kinds of care homes and their purpose
- KU4.** layout and equipment required in different types of care homes

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down the proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on the knowledge bank of questions created by the SSC.
3. Assessment will be conducted for all compulsory NOS, and where applicable, on the selected elective/option NOS/set of NOS.
4. Individual assessment agencies will create unique question papers for the theory part for each candidate at each examination/training centre (as per assessment criteria below).
5. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/ training centre based on these criteria.
6. To pass the Qualification Pack assessment, every trainee should score a minimum of 70% of % aggregate marks to successfully clear the assessment.

Qualification Pack

7. In case of unsuccessful completion, the trainee may seek reassessment on the Qualification Pack.

Minimum Aggregate Passing % at QP Level : 70

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
