HSS/N8621: Orientation to Basic Healthcare skills

Description

The NOS is to create awareness and sensitization among individuals about healthy living, health promotion and healthcare delivery system. This would habituate them to apply fundamental concepts of healthy body into their daily lifestyle and practice.

Scope

The scope covers the following :

- The basic structure and function of healthcare delivery system in India
- The basic structure and function of the human body
- Healthy lifestyle and hygiene practices

Elements and Performance Criteria

The basic structure and function of healthcare delivery system in India

To be competent, the user/individual on the job must be able to:

- PC1.** Compare between the primary, secondary, tertiary, and quaternary levels of the healthcare delivery system in India
- PC2.** Recognize differences between private, public, and non-profit healthcare delivery systems
- PC3.** Classify various healthcare settings into hospitals, home settings, digital healthcare, pharmacies, diagnostics, community healthcare, rehabilitation, hospice care, specialty-based care settings, etc.
- PC4.** Identify different departments in a hospital
- PC5.** Recognize different cadres, job prospects, career opportunities and hierarchy in various settings of healthcare delivery system
- PC6.** Recognize about the AYUSH healthcare delivery system and its career options
- PC7.** Recognize various national health programs and its uses

The basic structure and function of the human body

To be competent, the user/individual on the job must be able to:

- PC8.** Identify various body parts
- PC9.** Name and label the various types of body cells and tissues in the human body
- PC10.** Differentiate between the various types of organs, organ systems, body fluids, membranes, and glands in the human body
- PC11.** Label the skin components and underlying structures
- PC12.** Design various working models and charts depicting functioning of each human body system and present the same in the group
- PC13.** Express about the importance and normal range of values of different measures used to check functioning of different organs such as weight, height, pulse rate, breathing rate and temperature
- PC14.** Demonstrate the steps to use weighing machine, height chart, electronic thermometer, pulse oximeter, electronic BP apparatus

Qualification Pack

Healthy lifestyle and hygiene practices

To be competent, the user/individual on the job must be able to:

- PC15.** Apply the healthy diet, balanced nutrition and fitness regimes to keep the body healthy, maintain healthy lifestyle and prevent diseases
- PC16.** Demonstrate the basic fitness regimes like physical exercises, yoga postures and meditation
- PC17.** Classify the various components of healthy diet and balanced nutrition based on its uses such as foods rich in different types of essential nutrients – protein, carbohydrate, fat, vitamins & minerals; nutritional value of different food items; macronutrients and micronutrients; etc.
- PC18.** Recognize the period of adolescence and changes occurring in males and females during adolescence
- PC19.** Express about the major issues faced by males & females in adolescence and various measures to curb them
- PC20.** Differentiate between unhygienic and hygienic practices during menstruation
- PC21.** Communicate about the importance of adolescent health and menstrual hygiene to all genders with equality
- PC22.** Communicate about the preventive measures for common lifestyle disorders and chronic diseases which occurs due to unhealthy lifestyle, pollution and climatic factors

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** the healthcare delivery system in India at the primary, secondary, tertiary, and quaternary levels
- KU2.** differences between private, public, and non-profit healthcare delivery systems
- KU3.** differences between various healthcare settings like hospitals, home settings, digital healthcare, pharmacies, diagnostics, community healthcare, rehabilitation, hospice care, specialty-based care settings, etc.
- KU4.** different departments in a hospital
- KU5.** different cadres, job prospects, career opportunities and hierarchy in various settings of healthcare delivery system
- KU6.** the AYUSH healthcare delivery system and career options in the same
- KU7.** various national health programs
- KU8.** the Organisation of body cells, tissues, organs, organ systems, membranes, and glands in the human body
- KU9.** the importance and normal range of values of different measures used to check functioning of different organs such as weight, height, pulse rate, breathing rate and temperature
- KU10.** the steps to use and maintain weighing machine, height chart, electronic thermometer, pulse oximeter and electronic BP apparatus
- KU11.** the importance of healthy diet, balanced nutrition and fitness regimes to keep the body healthy
- KU12.** the components and uses of healthy diet and balanced nutrition such as foods rich in different types of essential nutrients like protein, carbohydrate, fat, vitamins & minerals

Qualification Pack

- KU13.** the nutritional value of different food items, macronutrients and micronutrients
- KU14.** the basic fitness regimes like physical exercises, yoga postures and meditation
- KU15.** adolescences period and these changes in boys and girls
- KU16.** the major issues faced by males & females in adolescence and how to curb them
- KU17.** menarche and their sources of information before its onset
- KU18.** the prevailing practices for menstrual hygiene among adolescent girls, restrictions practiced by adolescent schoolgirls during menstruation and the likelihood of using unhygienic practices during menstruation
- KU19.** differences between unhygienic and hygienic practices during menstruation
- KU20.** the phenomenon of menstruation, Pre-Menstrual Syndrome (PMS) and how to maintain personal hygiene during it
- KU21.** gender equality and importance of awareness about adolescent health and menstrual hygiene
- KU22.** the effects of climatic factors, pollution and unhealthy lifestyle on human body
- KU23.** the measures to be taken for prevention from common lifestyle disorders and chronic diseases which occurs due to unhealthy lifestyle, pollution and climatic factors

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** communicate verbally and written to all the genders and people with disability
- GS2.** organize available information for creating awareness and sensitization
- GS3.** prepare charts, models, role plays and group discussions

HSS/N9622: Follow sanitization and infection control guidelines

Description

This OS unit is about following ways for sanitization to prevent the spread of infection as per sectoral working requirements.

Scope

The scope covers the following :

- Social distancing practices
- Personal and workplace hygiene
- Waste disposal methods
- Reporting and information gathering
- Mental and emotional wellbeing

Elements and Performance Criteria

Social distancing practices

To be competent, the user/individual on the job must be able to:

- PC1.** maintain appropriate social distance as per specified protocols, for example, while greeting people, when in crowded places, using contactless mode of delivery of goods, etc.
- PC2.** carry out daily tasks using alternate methods e.g. virtual meetings, e-payments, etc.

Personal and workplace hygiene

To be competent, the user/individual on the job must be able to:

- PC3.** follow recommended personal hygiene and sanitation practices, for example, washing/sanitizing hands, covering face with a bent elbow while coughing/sneezing, using PPE, etc.
- PC4.** follow recommended workplace hygiene and sanitation practices, for example, sanitizing workstation and equipment regularly, using disposable wipes and utensils, using alternative systems to mark attendance, etc.
- PC5.** clean and disinfect all materials/supplies before and after use.

Waste disposal methods

To be competent, the user/individual on the job must be able to:

- PC6.** segregate waste as per guidelines
- PC7.** dispose waste as per guidelines

Reporting and information gathering

To be competent, the user/individual on the job must be able to:

- PC8.** keep abreast of the latest information and guidelines from reliable sources.
- PC9.** report signs and symptoms related to illness of self and others immediately to appropriate authority

Mental and emotional wellbeing

To be competent, the user/individual on the job must be able to:

Qualification Pack

PC10. seek help and guidance in case of stress and anxiety

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** solid waste management Rules 2016
- KU2.** significance of personal hygiene practice including hand hygiene
- KU3.** social distancing norms
- KU4.** correct method of donning and doffing of PPE
- KU5.** significance of appropriate waste disposal methods and organizational and national waste management principles and procedures
- KU6.** ways to handle waste appropriately to reduce the risk of contamination
- KU7.** the logistics of waste management
- KU8.** the current national legislation, guidelines, local policies, and protocols related to work
- KU9.** ways to manage infectious risks in the workplace
- KU10.** the path of disease transmission
- KU11.** different methods of cleaning, disinfection, sterilization, and sanitization
- KU12.** the types of cleaning agents
- KU13.** symptoms of infections like fever, cough, redness, swelling and inflammation
- KU14.** signs of stress and anxiety

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** write formal and informal letters/emails, memos, reports, etc
- GS2.** read and interpret internal communications correctly
- GS3.** communicate the information effectively during interactions
- GS4.** analyze situations and make appropriate decisions
- GS5.** prioritize, organize, and accomplish work within prescribed timelines

DGT/VSQ/N0101: Employability Skills (30 Hours)

Description

This unit is about employability skills, Constitutional values, becoming a professional in the 21st Century, digital, financial, and legal literacy, diversity and Inclusion, English and communication skills, customer service, entrepreneurship, and apprenticeship, getting ready for jobs and career development.

Scope

The scope covers the following :

- Introduction to Employability Skills
- Constitutional values - Citizenship
- Becoming a Professional in the 21st Century
- Basic English Skills
- Communication Skills
- Diversity & Inclusion
- Financial and Legal Literacy
- Essential Digital Skills
- Entrepreneurship
- Customer Service
- Getting ready for Apprenticeship & Jobs

Elements and Performance Criteria

Introduction to Employability Skills

To be competent, the user/individual on the job must be able to:

PC1. understand the significance of employability skills in meeting the job requirements

Constitutional values – Citizenship

To be competent, the user/individual on the job must be able to:

PC2. identify constitutional values, civic rights, duties, personal values and ethics and environmentally sustainable practices

Becoming a Professional in the 21st Century

To be competent, the user/individual on the job must be able to:

PC3. explain 21st Century Skills such as Self-Awareness, Behavior Skills, Positive attitude, self-motivation, problem-solving, creative thinking, time management, social and cultural awareness, emotional awareness, continuous learning mindset etc.

Basic English Skills

To be competent, the user/individual on the job must be able to:

PC4. speak with others using some basic English phrases or sentences

Communication Skills

To be competent, the user/individual on the job must be able to:

PC5. follow good manners while communicating with others

PC6. work with others in a team

Qualification Pack

Diversity & Inclusion

To be competent, the user/individual on the job must be able to:

PC7. communicate and behave appropriately with all genders and PwD

PC8. report any issues related to sexual harassment

Financial and Legal Literacy

To be competent, the user/individual on the job must be able to:

PC9. use various financial products and services safely and securely

PC10. calculate income, expenses, savings etc.

PC11. approach the concerned authorities for any exploitation as per legal rights and laws

Essential Digital Skills

To be competent, the user/individual on the job must be able to:

PC12. operate digital devices and use its features and applications securely and safely

PC13. use internet and social media platforms securely and safely

Entrepreneurship

To be competent, the user/individual on the job must be able to:

PC14. identify and assess opportunities for potential business

PC15. identify sources for arranging money and associated financial and legal challenges

Customer Service

To be competent, the user/individual on the job must be able to:

PC16. identify different types of customers

PC17. identify customer needs and address them appropriately

PC18. follow appropriate hygiene and grooming standards

Getting ready for apprenticeship & Jobs

To be competent, the user/individual on the job must be able to:

PC19. create a basic biodata

PC20. search for suitable jobs and apply

PC21. identify and register apprenticeship opportunities as per requirement

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

KU1. need for employability skills

KU2. various constitutional and personal values

KU3. different environmentally sustainable practices and their importance

KU4. Twenty first (21st) century skills and their importance

KU5. how to use basic spoken English language

KU6. Do and dont of effective communication

KU7. inclusivity and its importance

KU8. different types of disabilities and appropriate communication and behaviour towards PwD

KU9. different types of financial products and services

Qualification Pack

- KU10.** how to compute income and expenses
- KU11.** importance of maintaining safety and security in financial transactions
- KU12.** different legal rights and laws

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Either each element/Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down proportion of marks for Theory, viva and Skills Practical for each element/PC.
2. The assessment for the theory part will be based on knowledge bank of questions approved by the SSC.
3. Individual assessment agencies will create unique question papers for theory part for each candidate/batch at each examination/training center (as per assessment criteria below).
4. Individual assessment agencies will create unique evaluations for skill practical & viva for every student at each examination/ training center based on these criteria.
5. In case of successfully passing as per passing percentage of the job role, the trainee is certified for the Qualification Pack.

Qualification Pack

6. In case of unsuccessful completion, the trainee may seek reassessment on the Qualification Pack.

Minimum Aggregate Passing % at QP Level : 70

(**Please note:** Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
