- PC2.** identify the appropriate vendors and shortlist the relevant vendors as per the organisational norms, sourcing information about suppliers from reliable contacts and other sources
- PC3.** obtain quotations from supplier(s) after providing them quality / brand specifications and quantity requirements of the desired materials
- PC4.** follow the organizational norms for vendor evaluation and selection to identify supplier(s) that best meet the requirements
- PC5.** carry out a comparative analysis after obtaining the price quotes from the shortlisted vendors and studying their terms and conditions
- PC6.** negotiate with the supplier(s) on prices and delivery of materials to get the best deal for the organisation
- PC7.** select the relevant vendor(s) for procuring the office supplies based on the quality, price of supplies, delivery schedule and any other applicable criteria
- PC8.** carry out appropriate documentation concerning the vendor selection, including the contracts, internal approvals, etc
- PC9.** register the vendor in co-ordination with the finance team as per organisational norms after
- PC10.** sourcing vendor registration information and documentation from the vendor

Monitor procurement from vendors

To be competent, the user/individual on the job must be able to:

- PC11.** ensure the timely release of purchase orders through coordination with the finance department for the procurement of goods or services
- PC12.** follow up with the suppliers for the timely procurement of relevant goods or services
- PC13.** assess the quality of supplies and services against the applicable standards/specifications

Qualification Pack

- PC14.** identify and document the instances of non-compliance with the contract by the supplier(s)
- PC15.** implement appropriate corrective action as per the contractual terms and conditions
- PC16.** manage relationships with suppliers to support effective delivery according to workplace procedures
- PC17.** review and renegotiate vendor agreements at appropriate intervals to ensure the cost-effective supply of quality goods and services

Ensure timely payments to vendors

To be competent, the user/individual on the job must be able to:

- PC18.** check the invoice or bills of purchase from vendors to ensure correct payments as per the agreed terms of the contract
- PC19.** carry out appropriate documentation for the processing of payments
- PC20.** coordinate between the vendors and finance department for the timely release of payment(s) to vendors

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** organisation norms for procurement, vendor selection, contracting and payments
- KU2.** organizations purchase requirements for which vendors are required
- KU3.** typical vendor profile for the organisation
- KU4.** organisational procedures for reviewing the performance of suppliers
- KU5.** contract performance and dispute policies and procedures
- KU6.** business policies and plans as they relate to supply contracts
- KU7.** organisational hierarchy, various department, reporting structure and escalation matrix
- KU8.** legislative and organisational procurement guidelines
- KU9.** suppliers in the marketplace
- KU10.** common use arrangements
- KU11.** financial accountability requirements
- KU12.** probity and ethical issues
- KU13.** procedures for receipt and payment of goods and services
- KU14.** procurement approval procedures
- KU15.** indicators which assist in evaluation of supplier and their supplies Indicators: price, quality, supply reliability, stock range, delivery schedules, warranties and post-purchase support, variation from supply specifications, ethics and dependability, etc

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** fill in relevant forms and formats clearly and accurately
- GS2.** write messages, notes and short descriptive text with reasonable accuracy for accurate reading comprehension and interpretation of the information text

Qualification Pack

- GS3.** write factual and quantitative information such as details of people, areas, equipment, dates, timelines, nature of stock and quantities correctly
- GS4.** write both in English and Local language to carry out work related tasks
- GS5.** write numbers in figures and words using decimal system
- GS6.** read and interpret correctly roman numerals
- GS7.** express monetary value in words and figures with appropriate currency units accurately
- GS8.** document and maintain the record as per company's policy
- GS9.** read official documents in English and Local Language to interpret main points correctly
- GS10.** read job sheets, quotations, contracts, company policy documents and information displayed at the workplace to interpret main points correctly
- GS11.** read notes or comments from the supervisor, other co-workers or vendors
- GS12.** read and extract relevant information from contracts/purchase/receiving documentation including material specifications, vendor details, delivery details, quantities, status, etc
- GS13.** communicate effectively with visitors, vendors, co-workers (seniors, peers, sub-ordinates and temporary staff) and others, responding to their queries using clear speech, professionally acceptable tone of voice, words, and phrases
- GS14.** interact in English and/or the local language to respond to visitors in a language they are comfortable with
- GS15.** use effective listening and probing /questioning skills to understand requirement of the visitors, vendors and user/coordinating departments
- GS16.** provide clear instructions to the visitors for where they need to go and the formalities they need to complete
- GS17.** identify category of visitor, purpose of visit and the appropriate department and personnel to serve them
- GS18.** identify discrepancies between ordered and received materials, on the basis of documentation and physical verification, that may be classified as noncompliance
- GS19.** prioritise tasks while planning and assigning work based on importance and urgency
- GS20.** plan one day to day tasks to achieve optimum productivity
- GS21.** be punctual and work as per priorities agreed with supervisors
- GS22.** plan and organise official and personal work so as to have minimum downtime at work
- GS23.** manage distractions and maintain workplace discipline
- GS24.** plan and organise information and documentation required to carry out dealings with vendors
- GS25.** plan visit schedules taking into account travel time, formalities completion time and possible, likely exigencies
- GS26.** use basic technology aids such as calculators, and office applications (Calendar/Word Processors/Notes/Spreadsheets) on computers to facilitate planning
- GS27.** create basic work plans detailing tasks/activities, time allocations, materials resources, assigned responsibilities, required to achieve desired results in a time-bound manner
- GS28.** identify potential impact on customer and organisation of sub-standard material and supplies received from vendors

MEP/N0220: Maintain official records and documentation

Description

This unit deals in detail with maintenance of office related records and documentation.

Scope

The scope covers the following :

- Maintain the office related documents
- Handle and store the documents efficiently

Elements and Performance Criteria

Maintain the office related documents

To be competent, the user/individual on the job must be able to:

- PC1.** maintain the contact detail records for the staff, service providers, suppliers and emergency services and other relevant contacts
- PC2.** record the details of important dates and events
- PC3.** coordinate with the supervisor to ensure the work-related documentation is done correctly and efficiently
- PC4.** maintain the record of all the files being maintained and check their number periodically to ensure that all the files are accounted for

Handle and store the documents efficiently

To be competent, the user/individual on the job must be able to:

- PC5.** follow the appropriate filing system, e.g. alphabetical, numeric and alphanumeric, to maintain paper documents, essential correspondence, vendor rate cards/contracts, office administration-related documents, etc.
- PC6.** organize and store documents appropriately to allow their efficient retrieval from the filing cabinets
- PC7.** retrieve and replace documents from files when required without disturbing the order of files in the filing cabinets
- PC8.** follow the appropriate measures to ensure the documents are safely stored in a risk-free environment

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** organizations access control policy, data security policy and confidentiality policy
- KU2.** organisational policy for naming stored files, maintaining backups and version control
- KU3.** organisational hierarchy, various department, reporting structure and escalation matrix
- KU4.** common information and data relevant to ones job role as per the organisational context

Qualification Pack

- KU5.** various software applications used in the organisation for storage, retrieval and communication of data and information
- KU6.** information systems used in the organisation for recording and managing data and information
- KU7.** main components of a computer and how-to setup a compute
- KU8.** various operating systems commonly used by organisations for their computers
- KU9.** how to start, operate and navigate computers using common operating systems such as Windows, Linux and iMac
- KU10.** various data storages accessible through computers
- KU11.** common information storage systems used for storage and retrieval of data
- KU12.** various application software used in organisations to store, retrieve and communicate information
- KU13.** basic letter and report writing guidelines
- KU14.** data entry, editing, storage, designing, formatting, referencing and reviewing activities in a word-processor application
- KU15.** data entry, editing and storage, calculation, formatting, organising and presenting tools and techniques using spreadsheet application
- KU16.** searching for information using the internet
- KU17.** how to use printers connected to computers to obtain printouts of files or information in files
- KU18.** physical document storage systems and principles
- KU19.** various email applications used in organisations
- KU20.** professional email etiquette and its importance
- KU21.** electrical safety precautions while using computers which use electricity to run
- KU22.** ergonomic guidelines specified for working on computers
- KU23.** cyber security guidelines while storing, retrieving or communicating information online (through the internet)
- KU24.** methods to deal with computer related problems

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** fill in relevant forms and formats clearly and accurately
- GS2.** write messages, notes and short descriptive text with reasonable accuracy for accurate reading comprehension and interpretation of the information text
- GS3.** write factual and quantitative information such as details of people, areas, equipment, dates, timelines, nature of stock and quantities correctly
- GS4.** write both in English and Local language to carry out work related tasks
- GS5.** write numbers in figures and words using decimal system
- GS6.** read and interpret correctly roman numerals
- GS7.** express monetary value in words and figures with appropriate currency units accurately
- GS8.** document and maintain the record as per companys policy
- GS9.** read official documents in English and Local Language to interpret main points correctly

Qualification Pack

- GS10.** read job sheets, quotations, contracts, company policy documents and information displayed at the workplace to interpret main points correctly
- GS11.** read notes or comments from the supervisor, other co-workers or vendors
- GS12.** read and extract relevant information from contracts/purchase/receiving documentation including material specifications, vendor details, delivery details, quantities, status, etc
- GS13.** communicate effectively with visitors, vendors, co-workers (seniors, peers, sub-ordinates and temporary staff) and others, responding to their queries using clear speech, professionally acceptable tone of voice, words, and phrases
- GS14.** interact in English and/or the local language to respond to visitors in a language they are comfortable with
- GS15.** use effective listening and probing /questioning skills to understand requirement of the visitors, vendors and user/coordinating departments
- GS16.** provide clear instructions to the visitors for where they need to go and the formalities they need to complete
- GS17.** identify category of documentation, purpose of it and the appropriate storage facility to be used accordingly
- GS18.** determine level of confidentiality and security requirements of the document and store accordingly as per company procedure
- GS19.** determine authorisation requirements as per company policy before passing on information in order to prevent unauthorised access and data protection
- GS20.** plan ones day- to- day tasks to achieve optimum productivity
- GS21.** be punctual and work as per priorities agreed with supervisors
- GS22.** plan and organise official and personal work so as to have minimum downtime at work
- GS23.** manage distractions and maintain workplace discipline
- GS24.** plan and organise documentation storage for physical and computerised storage, in order to establish ease of identification, retrieval, and safety & security of information
- GS25.** follow good customer service practices with internal and external customers
- GS26.** differentiate between good and bad customer service to internal customers
- GS27.** maintain appropriate physical distance with visitors or co-workers during conversations
- GS28.** be patient and courteous with different types of co-workers under all circumstances and situations
- GS29.** apply problem solving skills that require negotiation to resolve problems of a difficult nature within organisation protocols
- GS30.** take action as appropriate to requests or problems, based on company policy
- GS31.** determine whether to escalate matters to seniors or resolve matters by oneself, based on the nature of the issue and limits of authority required to address it
- GS32.** observe, record, analyse and modify work practices to achieve productivity gains
- GS33.** breakdown relevant work process into its constituent activities for ease of analysis
- GS34.** assess impact of data theft for various types of data and potential misuse
- GS35.** identify and classify impact of various worker behaviour and practices as beneficial or damaging to organisational success
- GS36.** determine which staff behaviours and work practices need to be encouraged or discouraged, on the basis of how they contribute to the development of positive or negative organisational culture

Qualification Pack

GS37. identify potential sources and motives of data theft relevant to various types of information

MEP/N0221: Organise for local transport and outstation ticketing for staff in coordination with travel vendor

Description

This unit deals in detail with organising for local transport and out-station ticketing for staff in co-ordination with travel vendor.

Scope

The scope covers the following :

- Arrange local and outstation travel

Elements and Performance Criteria

Arrange local and outstation travel

To be competent, the user/individual on the job must be able to:

- PC1.** determine the purpose and requirement of local or outstation travel, including the planned itinerary
- PC2.** check the available travel options and applicable costs with the travel agent and communicate with the concerned personnel to select an appropriate option
- PC3.** arrange travel booking for the preferred travel mode by coordinating with the travel agent, following the organization's travel policy
- PC4.** determine the requirement for necessary travel documents as per the itinerary, e.g. visitor visa for international travel and assist the person(s) travelling in securing the documents
- PC5.** assist the person travelling in ensuring that they have all the necessary travel documents before travelling
- PC6.** assist in making alternative travel arrangements in case of a changed itinerary
- PC7.** coordinate with the finance department for the travel booking payments
- PC8.** maintain accurate records concerning the travel arrangements made for the personnel in the organization

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** organizations access control policy, data security policy and confidentiality policy
- KU2.** organisational policy for naming stored files, maintaining backups and version control
- KU3.** organisational hierarchy, various department, reporting structure and escalation matrix
- KU4.** common information and data relevant to ones job role as per the organisational context
- KU5.** various software applications used in the organisation for storage, retrieval and communication of data and information
- KU6.** information systems used in the organisation for recording and managing data and information

Qualification Pack

- KU7.** travel itinerary and its components
- KU8.** various ticketing avenues and related procedures
- KU9.** various forms of payment and related authorisations
- KU10.** various types of seating in different modes of transport
- KU11.** various travel documents required for travel to different places
- KU12.** passenger information required for various types of travel booking
- KU13.** travel cost and ticket cost components
- KU14.** information available on tickets
- KU15.** various operating systems commonly used by organisations for their computers
- KU16.** basic letter and report writing guidelines
- KU17.** data entry, editing, storage, designing, formatting, referencing and reviewing activities in a word-processor application
- KU18.** data entry, editing and storage, calculation, formatting, organising and presenting tools and techniques using spreadsheet application
- KU19.** searching for information using the internet
- KU20.** how to use printers connected to computers to obtain printouts of files or information in files
- KU21.** various email applications used in organisations
- KU22.** professional email etiquette and its importance
- KU23.** electrical safety precautions while using computers which use electricity to run
- KU24.** ergonomic guidelines specified for working on computers
- KU25.** cyber security guidelines while storing, retrieving or communicating information online (through the internet)
- KU26.** methods to deal with computer related problems

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** fill in relevant forms and formats clearly and accurately
- GS2.** write messages, notes and short descriptive text with reasonable accuracy for accurate reading comprehension and interpretation of the information text
- GS3.** write factual and quantitative information such as details of people, areas, equipment, dates, timelines, nature of stock and quantities correctly
- GS4.** write both in English and Local language to carry out work related tasks
- GS5.** write numbers in figures and words using decimal system
- GS6.** read and interpret correctly roman numerals
- GS7.** express monetary value in words and figures with appropriate currency units accurately
- GS8.** document and maintain the record as per company's policy
- GS9.** read official documents in English and Local Language to interpret main points correctly
- GS10.** read job sheets, quotations, contracts, company policy documents and information displayed at the workplace to interpret main points correctly
- GS11.** read notes or comments from the supervisor, other co-workers or vendors

Qualification Pack

- GS12.** read and extract relevant information from contracts/tickets/other travel documentation including transport details, destinations, vendor details, delivery details, rates, quantities, status, etc.
- GS13.** communicate effectively with vendors, co-workers (seniors, peers, sub-ordinates and temporary staff) and others, responding to their queries using clear speech, professionally acceptable tone of voice, words, and phrases
- GS14.** interact in English and/or the local language to respond to visitors in a language they are comfortable with
- GS15.** use effective listening and probing /questioning skills to understand requirement of the vendors and user/coordinating departments
- GS16.** provide clear instructions to the co-workers for where they need to go and the formalities they need to complete for various travel requirements
- GS17.** identify discrepancies between booking instructions and actual travel arrangements, on the basis of documentation, to uncover errors or malpractice, address matters accordingly
- GS18.** prioritise tasks while planning and assigning work based on importance and urgency
- GS19.** plan ones day to day tasks to achieve optimum productivity
- GS20.** be punctual and work as per priorities agreed with supervisors
- GS21.** plan and organise official and personal work so as to have minimum downtime at work
- GS22.** manage distractions and maintain workplace discipline
- GS23.** plan and organise documentation in order to have ease of retrieval, and safety and security of documentation
- GS24.** plan visit schedules taking into account travel time, formalities completion time and possible, likely exigencies
- GS25.** identify potential impact on customer and organisation of erroneous travel bookings
- GS26.** listen to vendors and user department personnel carefully and interpret their requirement and viewpoints accurately
- GS27.** follow good customer service practices with internal and external customers
- GS28.** differentiate between good and bad customer service to internal customers
- GS29.** maintain appropriate physical distance with visitors or co-workers during conversations
- GS30.** be patient and courteous with different types of co-workers under all circumstances and situations
- GS31.** apply problem solving skills that require negotiation to resolve problems of a difficult nature within organisation protocols
- GS32.** take action as appropriate to requests or problems, based on company policy
- GS33.** determine whether to escalate matters to seniors or resolve matters by oneself, based on the nature of the issue and limits of authority required to address it
- GS34.** interpret quotations accurately to identify if it meets requirements and specifications of user department requisitions/indents
- GS35.** identify vendor malpractices, that may be deliberate or not, that may cause losses to the organisation
- GS36.** observe, record, analyse and modify work practices to achieve productivity gains
- GS37.** breakdown relevant work process into its constituent activities for ease of analysis
- GS38.** classify impact of various worker behaviour and practices as beneficial or damaging to organisational success

Qualification Pack

- GS39.** determine which staff behaviours and work practices need to be encouraged or discouraged, on the basis of how they contribute to development of positive or negative organisational culture
- GS40.** conduct vendor evaluation and follow related control processes
- GS41.** evaluate relevant criteria to be factored in before re-ordering supplies or materials in different situations
- GS42.** identify factors to be considered to prioritise vendors during selection in different situations
- GS43.** select and prioritise travel arrangements based on various important considerations such as risk, environmental conditions, etc. in different situations

MEP/N0222: Organize for meeting rooms and venues for office meetings and events

Description

This unit deals in detail with organizing meeting rooms and venues for office meetings and events and answering phone calls

Scope

The scope covers the following :

- Organize meetings
- Answer the phone calls

Elements and Performance Criteria

Organize meetings

To be competent, the user/individual on the job must be able to:

- PC1.** determine the meeting requirements, such as the location, seating arrangement for the participants, equipment and facilities required by coordinating with the relevant personnel
- PC2.** identify the appropriate venues as per the meeting requirements and select one according to the budget and organizational guidelines
- PC3.** follow the organizational guidelines to register with the meeting venue service provider
- PC4.** coordinate with the finance department for payment to the meeting venue service provider
- PC5.** ensure appropriate facilities are available at the meeting venue, e.g. IT equipment and support, pantry services, health and safety services, etc.
- PC6.** follow the organizational procedure to inform the proposed meeting participants about the meeting time, agenda and venue details
- PC7.** coordinate with the relevant personnel for the smooth conduct of meetings
- PC8.** identify the scope of improvement in the meeting infrastructure and environment by taking feedback from the meeting participants

Answer the phone calls

To be competent, the user/individual on the job must be able to:

- PC9.** answer the phone calls at the office reception and assist the callers with the required and correct information
- PC10.** follow the organizational policy and customer service principles while answering phone calls to communicate with callers politely

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** standards, policies, and procedures followed in the company relevant to own employment and performance conditions

Qualification Pack

- KU2.** organizations products, services
- KU3.** typical caller profile for the organisation
- KU4.** organisational culture and code of conduct with incoming calls
- KU5.** organisational hierarchy, various department, reporting structure and escalation matrix
- KU6.** company policy for receiving calls, greeting callers and maintaining caller records
- KU7.** common telecommunications systems and how to use them to take, forward and hold incoming calls as well as make calls
- KU8.** importance of speaking clearly and slowly when dealing with customers by telephone
- KU9.** effects of smiling and other facial expressions that can be detected by somebody listening to you on the telephone
- KU10.** importance of adapting your speech to meet the needs of customers
- KU11.** who may find your language or accent difficult to understand
- KU12.** what information it is important to note during or after telephone conversations with customers
- KU13.** importance of keeping the caller informed if they are on hold during a call
- KU14.** importance of not talking across an open line
- KU15.** what details should be included if taking a message for a colleague
- KU16.** how to identify, handle and escalate abusive callers, suspicious callers, distressed cars as well as VIP callers

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** fill in relevant forms and formats clearly and accurately
- GS2.** write messages, notes and short descriptive text with reasonable accuracy for accurate reading comprehension and interpretation of the information text
- GS3.** write factual and quantitative information such as details of people, areas, equipment, dates, timelines, nature of stock and quantities correctly
- GS4.** write both in English and Local language to carry out work related tasks
- GS5.** write numbers in figures and words using decimal system
- GS6.** read and interpret correctly roman numerals
- GS7.** express monetary value in words and figures with appropriate currency units accurately
- GS8.** document and maintain the record as per companys policy
- GS9.** read official documents in English and Local Language to interpret main points correctly
- GS10.** read job sheets, quotations, contracts, company policy documents and information displayed at the workplace to interpret main points correctly
- GS11.** read notes or comments from the supervisor, other co-workers or vendors
- GS12.** read and extract relevant information from contracts/meeting agendas/planning documentation including number of attendees, seating type, facilities and equipment requirements, time, transport details, vendor details, rates, quantities, status, etc.

Qualification Pack

- GS13.** communicate effectively with visitors, vendors, co-workers (seniors, peers, sub-ordinates and temporary staff) and others, responding to their queries using clear speech, professionally acceptable tone of voice, words, and phrases
- GS14.** interact in English and/or the local language to respond to visitors in a language they are comfortable with
- GS15.** use effective listening and probing /questioning skills to understand requirement of the vendors and user/coordinating departments
- GS16.** provide clear instructions to the co-workers for where they need to go and the formalities they need to complete for various travel requirements
- GS17.** identify discrepancies between booking instructions and actual arrangements, on the basis of documentation and physical verification, to uncover errors, limitations, or malpractice, address matters accordingly
- GS18.** prioritise tasks while planning and assigning work based on importance and urgency
- GS19.** plan ones day to day tasks to achieve optimum productivity
- GS20.** be punctual and work as per priorities agreed with supervisors
- GS21.** plan and organise official and personal work so as to have minimum downtime at work
- GS22.** manage distractions and maintain workplace discipline
- GS23.** plan and organise documentation in order to have ease of retrieval, and safety and security of documentation
- GS24.** plan and organise information and documentation required to carry out dealings with vendors
- GS25.** plan visit schedules taking into account travel time, formalities completion time and possible, likely exigencies
- GS26.** use basic technology aids such as calculators, and office applications (Calendar/Word Processors/Notes/Spreadsheets) on computers to facilitate planning
- GS27.** create basic work plans detailing tasks/activities, time allocations, materials resources, assigned responsibilities, required to achieve desired results in a time-bound manner
- GS28.** identify potential impact on customer and organisation of erroneous travel and venue bookings and arrangements
- GS29.** listen to vendors and user department personnel carefully and interpret their requirements, limitations and viewpoints accurately
- GS30.** listen to vendors and user department personnel carefully and interpret their requirement and viewpoints accurately
- GS31.** follow good customer service practices with internal and external customers
- GS32.** differentiate between good and bad customer service to internal customers
- GS33.** maintain appropriate physical distance with visitors or co-workers during conversations
- GS34.** be patient and courteous with different types of co-workers under all circumstances and situations

MEP/N0215: Co-ordinate incoming and outgoing mail

Description

This unit deals in detail with the co-ordination for smooth dispatch of outgoing mail and smooth receipt and forwarding of incoming mail

Scope

The scope covers the following :

- Co-ordinate to ensure smooth receipt and forwarding of incoming mail
- Co-ordinate to ensure smooth dispatch of outgoing mail
- Material and energy conservation practices

Elements and Performance Criteria

Co-ordinate to ensure smooth receipt and forwarding of incoming mail

To be competent, the user/individual on the job must be able to:

- PC1.** ensure receipt of incoming mail by completing the necessary procedure in line with organisational guidelines
- PC2.** identify the destination department or personnel of the mail
- PC3.** segregate incoming mail and dispose of unwanted 'junk' mail after taking necessary approvals as per organisational guidelines
- PC4.** organise for the distribution or handover of the incoming mail or packages
- PC5.** track mail movement and confirm receipt as per organisational guidelines via registers or through computer systems
- PC6.** identify and respond appropriately to any problems with the mail
- PC7.** follow the correct procedures of escalation when there are problems with incoming mail
- PC8.** identify, report and take appropriate action for any suspicious or dangerous mail items in line with organisational guidelines

Co-ordinate to ensure smooth dispatch of outgoing mail

To be competent, the user/individual on the job must be able to:

- PC9.** collect and sort outgoing mail or packages as per urgency, local/outstation, weight and type or packet, etc
- PC10.** identify best options for dispatching mail in line with organisational process
- PC11.** arrange for courier service to collect outgoing mail or packages where requested
- PC12.** prepare items for urgent or special delivery
- PC13.** calculate correct postage charges for outgoing mail or packages
- PC14.** record details of the outgoing mail as per organisational process in a register or using a computer (Details: Date and time of dispatch, from, to, mode of dispatch, postage costs, proof of dispatch details, etc.)
- PC15.** ensure despatch outgoing mail or packages on time
- PC16.** follow the correct procedures when there are problems with outgoing mail

Qualification Pack

PC17. ensure that mail is protected from any potentially harmful conditions

PC18. maintain the required levels of confidentiality of people

Material and energy conservation practices

To be competent, the user/individual on the job must be able to:

PC19. identify processes where material utilization can be optimized

PC20. ensure equipment are switched off when not in use

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** standards, policies, and procedures followed in the company relevant to own employment and performance conditions
- KU2.** organizations products, services
- KU3.** organisational hierarchy, various department, reporting structure and escalation matrix
- KU4.** health and safety requirements, and own responsibilities for self and others
- KU5.** the organisational structure and names, roles and locations of individuals and teams
- KU6.** the organisational procedures for dealing with different types of mail
- KU7.** the range of mail services available and how to choose the most appropriate service
- KU8.** organisational security procedures for handling mail or packages
- KU9.** approved courier services and their contact details
- KU10.** information systems used in the organisation for recording and organising
- KU11.** the purpose of distributing and dispatching mail to the correct recipient within agreed timescales
- KU12.** methods of calculating postage charges for mail or packages, e
- KU13.** the types of problems that may occur with incoming and outgoing mail and how to deal with them
- KU14.** working knowledge of operating computers, MS Office
- KU15.** types of mail that need to be handled
- KU16.** equipment to handle, lift, and transfer different types of mail
- KU17.** types of packaging used with different types of mail
- KU18.** damage that can be caused to packaging from different mail handling processes
- KU19.** containers that can be used with specific types of mail
- KU20.** storage conditions for mail
- KU21.** potentially harmful conditions for storage of mail
- KU22.** relevant organisational policy on confidentiality
- KU23.** data protection issues
- KU24.** problems that can be encountered while handling mail
- KU25.** methods to deal with different problems
- KU26.** safety and security risks while handling mail
- KU27.** methods to deal with suspicious or dangerous mail items Skills (

Qualification Pack

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** fill in relevant forms and formats clearly and accurately
- GS2.** write messages, notes and short descriptive text with reasonable accuracy for accurate reading comprehension and interpretation of the information text
- GS3.** write factual and quantitative information such as details of people, areas, addresses, dates, timelines, nature of documents and quantities correctly
- GS4.** write both in English and Local language to carry out work related tasks
- GS5.** write numbers in figures and words using decimal system
- GS6.** read and interpret correctly roman numerals
- GS7.** express monetary value in words and figures with appropriate currency units accurately
- GS8.** document and maintain the record as per company's policy
- GS9.** read official documents in English and Local Language to interpret main points correctly
- GS10.** read job sheets, quotations, contracts, company policy documents and information displayed at the workplace to interpret main points correctly
- GS11.** read notes or comments from the supervisor, other co-workers or vendors
- GS12.** read and extract relevant information from documentation including addressee, sent by, transport details, destinations, vendor details, delivery details, rates, quantities, status, etc
- GS13.** communicate effectively with vendors, co-workers (seniors, peers, sub-ordinates and temporary staff) and others, responding to their queries using clear speech, professionally acceptable tone of voice, words, and phrases
- GS14.** interact in English and/or the local language to respond to visitors in a language they are comfortable with
- GS15.** use effective listening and probing /questioning skills to understand requirement of the vendors and user/coordinating departments
- GS16.** provide clear instructions to the co-workers for where they need to go and the formalities they need to complete for various travel requirements
- GS17.** identify discrepancies between physical stock and documented stock, on the basis of documentation and physical verification, to uncover errors or malpractice, address matters accordingly
- GS18.** prioritise tasks while planning and assigning work based on importance and urgency
- GS19.** plan one day to day tasks to achieve optimum productivity
- GS20.** be punctual and work as per priorities agreed with supervisors
- GS21.** plan and organise official and personal work so as to have minimum downtime at work
- GS22.** manage distractions and maintain workplace discipline
- GS23.** plan and organise documentation in order to have ease of retrieval, and safety and security of documentation, mail and packages
- GS24.** plan visit schedules taking into account travel time, formalities completion time and possible, likely exigencies
- GS25.** The user/individual on the job needs to know and understand how to:
- GS26.** identify potential impact on customer and organisation of erroneous or delayed delivery of packages, mail and messages

Qualification Pack

- GS27.** listen to vendors and user department personnel carefully and interpret their requirement and viewpoints accurately
- GS28.** listen to visitors carefully and interpret their requirement and viewpoints accurately
- GS29.** follow good customer service practices with internal and external customers
- GS30.** differentiate between good and bad customer service to internal customers
- GS31.** maintain appropriate physical distance with visitors or co-workers during conversations
- GS32.** be patient and courteous with different types of co-workers under all circumstances and situations
- GS33.** apply problem solving skills that require negotiation to resolve problems of a difficult nature within organisation protocols
- GS34.** take action as appropriate to requests or problems, based on company policy
- GS35.** determine whether to escalate matters to seniors or resolve matters by oneself, based on the nature of the issue and limits of authority required to address it
- GS36.** interpret quotations, delivery challans, receiving documentation, and invoices, accurately to identify if it reflects accurate and required necessary details
- GS37.** identify vendor malpractices, that may be deliberate or not, that may cause losses to the organisation
- GS38.** identify risks related to incoming and outgoing mail, documentation and packages based on nature of the item, delivery mode, etc
- GS39.** observe, record, analyse and modify work practices to achieve productivity gains
- GS40.** breakdown relevant work process into its constituent activities for ease of analysis
- GS41.** identify and classify impact of various worker behaviour and practices as beneficial or damaging to organisational success
- GS42.** determine which staff behaviours and work practices need to be encouraged or discouraged, on the basis of how they contribute to development of positive or negative organisational culture
- GS43.** conduct vendor evaluation and follow related control processes
- GS44.** evaluate relevant criteria to be factored in before re-ordering supplies or materials in different situations
- GS45.** identify factors to be considered to prioritise vendors during selection in different situations
- GS46.** select and prioritise travel arrangements based on various important considerations such as risk, environmental conditions, etc

MEP/N0216: Use Computers to store, retrieve and communicate information

Description

This unit deals in detail with storing, retrieval and communication of information using computers

Scope

The scope covers the following :

- Retrieve information using computers
- Store information using word processors and spread sheets
- Communicate information using printouts and emails
- Work safely on computers

Elements and Performance Criteria

Retrieve information using computers

To be competent, the user/individual on the job must be able to:

- PC1.** identify the operating system, information storage system and applications/software used for data storage and retrieval
- PC2.** navigate computer drives, directories, folders and software applications to access specified file locations and search for specified file types, files and data using various options
- PC3.** follow the organisational access control and data security policies to access data and information

Store information using word processors and spread sheets

To be competent, the user/individual on the job must be able to:

- PC4.** input, edit and save specified data or information in the form of letter, report or table using word-processor and spreadsheet applications
- PC5.** perform basic designing, formatting, referencing and reviewing activities in a word-processor application for the presentation of information
- PC6.** use basic formulas and data tools and techniques for presenting the data using spreadsheet application
- PC7.** follow organisational policy for naming stored files, maintaining backups and version control

Communicate information using printouts and emails

To be competent, the user/individual on the job must be able to:

- PC8.** share information from computers using printed letters, reports or data sheets as specified
- PC9.** communicate information using email applications as per organisational access control policy while following data security norms

Work safely on computers

To be competent, the user/individual on the job must be able to:

- PC10.** follow electrical safety precautions while using computers
- PC11.** follow ergonomic guidelines specified for working on computers

Qualification Pack

- PC12.** follow cyber security guidelines while storing, retrieving or communicating information online (through the internet)
- PC13.** seek assistance of IT help-desk as per organisational policy in case of computer related problems

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** organizations access control policy, data security policy and confidentiality policy
- KU2.** organisational policy for naming stored files, maintaining backups and version control
- KU3.** organisational hierarchy, various department, reporting structure and escalation matrix
- KU4.** common information and data relevant to ones job role as per the organisational context
- KU5.** various software applications used in the organisation for storage, retrieval and communication of data and information
- KU6.** information systems used in the organisation for recording and managing data and information
- KU7.** main components of a computer and how-to setup a computer
- KU8.** various operating systems commonly used by organisations for their computers
- KU9.** various data storages accessible through computers
- KU10.** common information storage systems used for storage and retrieval of data
- KU11.** various application software used in organisations to store, retrieve and communicate information
- KU12.** data entry, editing and storage, calculation, formatting, organising and presenting tools and techniques using spreadsheet application
- KU13.** various search options for seeking information using the internet
- KU14.** how to use printers connected to computers to obtain printouts of files or information in files
- KU15.** various email applications used in organisations
- KU16.** professional email etiquettes and their importance
- KU17.** electrical safety precautions while using computers which use electricity to run
- KU18.** ergonomic guidelines specified for working on computers
- KU19.** cyber security guidelines while storing, retrieving or communicating information online (through the internet)
- KU20.** methods to deal with computer related problems

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** write correctly in English or local language while taking and passing messages
- GS2.** document and maintain the record as per company policy
- GS3.** read contact details of staff members and departments for forwarding mail accurately
- GS4.** communicate effectively with courier vendors, staff and respond to their queries

Qualification Pack

- GS5.** interact in language the other person is comfortable with or English
- GS6.** use effective listening and probing /questioning skills to understand requirement of the vendor, visitor or staff member
- GS7.** identify category of incoming mail, appropriate department and personnel it is for
- GS8.** identify category of outgoing mail and appropriate mode of dispatch as per organisational guidelines
- GS9.** spot and communicate potential areas of disruptions to work process and report the same
- GS10.** interact with irate or distressed staff or visitors, in a professional manner and as per requirement to resolve matters and calm them down
- GS11.** plan ones day to day tasks to achieve maximum productivity
- GS12.** plan and organise official and personal work so as to have minimum downtime
- GS13.** organise for replacement in advance before leaving work desk for any reason
- GS14.** plan for most efficient method for handling work satisfactorily even when faced with volume of packages and other work
- GS15.** manage distractions and maintain workplace discipline
- GS16.** apply problem solving skills that require negotiation to resolve problems of a difficult nature within organisation protocols
- GS17.** improve work processes by using simple techniques like resequencing, reducing duplication of effort, etc

MEP/N9914: Communicating with clients, visitors and colleagues effectively

Description

This unit deals in detail with communicating effectively with superiors, colleagues, visitors and customers to achieve a smooth workflow.

Scope

The scope covers the following :

- Interact with superiors
- Communicate with colleagues
- Communicate effectively with visitors and customers

Elements and Performance Criteria

Interact with Superiors

To be competent, the user/individual on the job must be able to:

- PC1.** seek clarification about job related requirements, performance indicators and incentives from reporting superior
- PC2.** record and report work output, exceptions and any anticipated reasons for delays to supervisor as per organisational requirements
- PC3.** escalate grievances and problems to appropriate authority
- PC4.** receive feedback on performance output and quality
- PC5.** report to appropriate authority unethical and inappropriate behaviour at the workplace

Communicate with colleagues

To be competent, the user/individual on the job must be able to:

- PC6.** receive information and instructions from colleagues asking clarification where required
- PC7.** accurately pass on information to authorized persons within agreed time and confirm its receipt
- PC8.** give information to others at a pace and in a clear and specific manner
- PC9.** assist others to maximize effectiveness and efficiency in carrying out tasks
- PC10.** display appropriate communication etiquette at work (Communication etiquette: do not use abusive language; use appropriate titles and terms of respect; do not eat or chew while talking (vice versa) etc.)
- PC11.** display active listening skills while interacting with others at work
- PC12.** use appropriate tone, pitch and language to convey politeness, assertiveness, care and professionalism as applicable
- PC13.** demonstrate responsible and disciplined behaviours at the workplace (Disciplined behaviours: e.g. punctuality; completing tasks as per given time and standards; not gossiping and idling time; eliminating waste, honesty, etc.)
- PC14.** follow organisational protocol to resolve conflicts at the work place

Qualification Pack

Communicate effectively with visitors and customers

To be competent, the user/individual on the job must be able to:

- PC15.** meet and greet visitors promptly, treating them politely and making them feel welcome
- PC16.** provide clear and accurate information visitors as per their requirement, while following organisation policies for information access and confidentiality
- PC17.** communicate with the visitors in a polite, professional and friendly manner
- PC18.** use feedback to clarify communicated message
- PC19.** communicate respecting the gender, cultural and social differences such as modes of greeting, formality, etc.
- PC20.** identify customer dissatisfaction, reason for dissatisfaction and address them as per standard procedures
- PC21.** maintain proper body language, dress code, gestures and etiquette towards customers and visitors
- PC22.** engage in active listening with visitors and customers on phone
- PC23.** avoid negative questions and statements for clear communication
- PC24.** inform the customers and visitors on delays, any issues or problems before hand and also on the developments involving them
- PC25.** respond to voice messages, e-mails, etc. of customer immediately

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** organisations HR systems, policies and procedures
- KU2.** organizational hierarchy and escalation matrix
- KU3.** company policies on personnel management, effective team work at workplace
- KU4.** companys reporting structure
- KU5.** companys documentation policy
- KU6.** various categories of people that one is required to communicate and coordinate with in the organization
- KU7.** importance of teamwork in organizational and individual success
- KU8.** various components of effective communication
- KU9.** key elements of active listening
- KU10.** value and importance of active listening and assertive communication
- KU11.** KISS principle of communication
- KU12.** barriers to effective communication
- KU13.** importance of tone and pitch in effective communication
- KU14.** importance of avoiding casual expletives and unpleasant terms while communicating professional circles
- KU15.** importance of ethics for professional success
- KU16.** importance of discipline for professional success
- KU17.** what constitutes disciplined and professional behaviour

Qualification Pack

- KU18.** common reasons for interpersonal conflict
- KU19.** importance of developing effective working relationships for professional success
- KU20.** expressing and addressing grievances appropriately and effectively
- KU21.** importance and ways of managing interpersonal conflict effectively
- KU22.** importance of dealing with grievances effectively
- KU23.** guidelines and legal requirements on disclosure and confidentiality
- KU24.** types of inappropriate behaviours at the workplace and how to recognize them
(Inappropriate behaviour: violence, inappropriate language, verbal or physical abuse or bullying, insensitive verbal or physical behaviour in terms of cultural, racial, disability and gender-based insensitivities, dominant or overbearing behaviour, disruptive behaviour, non-compliance with safety instructions, unethical behaviour)
- KU25.** organisational guidelines and policies on dealing with inappropriate and unethical behaviour

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** fill in relevant forms and formats clearly and accurately
- GS2.** write messages, notes and short descriptive text with reasonable accuracy for accurate reading comprehension and interpretation of the information text
- GS3.** write factual and quantitative information such as details of people, location or areas, dates, timelines, quantities, etc
- GS4.** write both in English and Local language to carry out work related tasks
- GS5.** write numbers in figures and words using decimal system
- GS6.** read and interpret correctly roman numerals
- GS7.** document and maintain the record as per company's policy
- GS8.** read official documents in English and local Language and interpret main points correctly
- GS9.** read job sheets, company policy documents and information displayed at the workplace
- GS10.** read notes or comments from the supervisor or customer
- GS11.** read and extract relevant information from visitor documentation including identity proofs, introductory letters, documents from or for the organisation, etc
- GS12.** interact with visitors, co-workers (seniors, peers, sub-ordinates and temporary staff) and others, responding to their queries using clear speech, professionally acceptable tone of voice, words, and phrases
- GS13.** interact in English and/or the local language to respond to visitors in a language they are comfortable with
- GS14.** use effective listening and probing /questioning skills to understand requirement of the visitors
- GS15.** provide clear instructions to the visitors for where they need to go and the formalities they need to complete
- GS16.** identify category of visitor, purpose of visit and the appropriate department and personnel to serve them
- GS17.** spot and communicate potential areas of disruptions to work process and report the same so that customer service is smooth

Qualification Pack

- GS18.** prioritise tasks while planning and assigning work based on importance and urgency
- GS19.** plan ones day-to-day tasks to achieve optimum productivity
- GS20.** plan and organise official and personal work so as to have minimum downtime at work
- GS21.** manage distractions and maintain workplace discipline
- GS22.** plan and allocate workers, time, equipment and materials
- GS23.** create basic work plans detailing tasks/activities, time allocations, materials resources, assigned responsibilities, required to achieve desired results in a time-bound manner
- GS24.** identify potential impact on customer and organisation of misinterpreting, misguiding or delayed responses to visitors
- GS25.** listen to visitors carefully and interpret their requirement and viewpoints accurately
- GS26.** maintain etiquettes such as maintaining the appropriate physical distance with visitor or co-worker during conversation
- GS27.** be patient and courteous with different types of visitors and workers under all circumstances and situations
- GS28.** apply problem solving skills that require negotiation to resolve problems of a difficult nature within organisation protocols
- GS29.** take action as appropriate to requests or problems, based on company policy
- GS30.** escalate matters to seniors or resolve matters by oneself, based on nature of the issue and limits of authority required to address it
- GS31.** segment visitors based on various factors such as needs, age, gender, area or location, etc
- GS32.** list risks associated with various categories of visitors
- GS33.** observe, record, analyse and modify work practices to achieve productivity gains
- GS34.** breakdown relevant work process into its constituent activities for ease of analysis
- GS35.** prioritise customers and addressing their needs based on urgency and importance in various situations
- GS36.** identify and classify impact of various worker behaviour and practices as beneficial or damaging to organisational success
- GS37.** explain which staff behaviours and work practices need to be encouraged or discouraged, on the basis of how they contribute to development of positive or negative organisational culture

MEP/N9903: Apply health and safety practices at the workplace

Description

This unit deals in detail with application of health and safety practices in the workplace

Scope

The scope covers the following :

- Apply relevant health and safety practices at the workplace
- Maintain a healthy and hygienic environment
- Deal with emergency situations
- Follow fire safety requirements

Elements and Performance Criteria

Apply relevant health and safety practices at the workplace

To be competent, the user/individual on the job must be able to:

- PC1.** identify, control and report health and safety issues relating to immediate work environment according to procedures
- PC2.** follow procedures and instructions for dealing with hazards, within the scope of responsibilities and competencies
- PC3.** document and report all hazards, accidents and near-miss incidents as per set process
- PC4.** document safety records according to organisational policies

Maintain a healthy and hygienic environment

To be competent, the user/individual on the job must be able to:

- PC5.** maintain the work area in a clean and tidy condition
- PC6.** ensure that the work area is sanitised as and when required
- PC7.** maintain personal hygiene
- PC8.** use appropriate personal protective equipment (PPE) where required
- PC9.** wash hands using soap and water or alcohol based sanitiser
- PC10.** report hygiene related concerns promptly to the relevant authority

Emergencies, rescue and first-aid procedures

To be competent, the user/individual on the job must be able to:

- PC11.** administer appropriate first aid to victims wherever required e.g. in case of bleeding, burns, choking, electric shock, poisoning etc.
- PC12.** respond promptly and appropriately to an accident situation or medical emergency in real or simulated environments
- PC13.** perform rescue activity during an accident if applicable (e.g. if moving victim is advisable)

Follow fire safety requirements

To be competent, the user/individual on the job must be able to:

- PC14.** follow fire safety practices
- PC15.** identify the type of fire and its stage

Qualification Pack

PC16. use the various appropriate fire extinguishers on different types of fires correctly

PC17. follow procedures to rescue victim of fire without endangering self

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Health Safety and Environment (HSE) practices
- KU2.** relevant Occupational Health and Safety (OHS) regulations
- KU3.** enterprise /site emergency procedures and techniques
- KU4.** waste and dangerous materials disposal procedures and practices
- KU5.** procedures for recording, reporting and maintenance of workplace safety and hygiene
- KU6.** meaning of hazards and risks
- KU7.** health and safety hazards commonly present in the work environment and related precautions
- KU8.** possible causes of risk, hazard or accident in the workplace
- KU9.** where to find all the general health and safety equipment in the workplace
- KU10.** various dangers associated with the use of electrical equipment
- KU11.** preventative and remedial actions to be taken in the case of exposure to toxic materials
- KU12.** importance of using protective clothing/equipment while working
- KU13.** precautionary activities to prevent the fire accident
- KU14.** various causes of fire
- KU15.** techniques of using the different fire extinguishers
- KU16.** different methods of extinguishing fire
- KU17.** different materials used for extinguishing fire
- KU18.** rescue techniques applied during a fire hazard
- KU19.** various types of safety signs and their meaning
- KU20.** appropriate basic first aid treatment relevant to the condition eg. shock, electrical shock, bleeding, breaks to bones, minor burns, resuscitation, poisoning, eye injuries
- KU21.** safe lifting and carrying practices

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** write Health and safety compliance report
- GS2.** interpret general health and safety guidelines
- GS3.** communicate general health and safety guidelines to co workers
- GS4.** take decision about the corrective action to be taken in case of any potential hazards

- PC18.** communicate and behave appropriately with all genders and PwD
- PC19.** escalate any issues related to sexual harassment at workplace according to POSH Act

Financial and Legal Literacy

To be competent, the user/individual on the job must be able to:

- PC20.** identify and select reliable institutions for various financial products and services such as bank account, debit and credit cards, loans, insurance etc.
- PC21.** carry out offline and online financial transactions, safely and securely, using various methods and check the entries in the passbook
- PC22.** identify common components of salary and compute income, expenses, taxes, investments etc
- PC23.** identify relevant rights and laws and use legal aids to fight against legal exploitation

Essential Digital Skills

To be competent, the user/individual on the job must be able to:

- PC24.** operate digital devices and use their features and applications securely and safely
- PC25.** carry out basic internet operations by connecting to the internet safely and securely, using the mobile data or other available networks through Bluetooth, Wi-Fi, etc.
- PC26.** display responsible online behaviour while using various social media platforms

Qualification Pack

- PC27.** create a personal email account, send and process received messages as per requirement
- PC28.** carry out basic procedures in documents, spreadsheets and presentations using respective and appropriate applications
- PC29.** utilize virtual collaboration tools to work effectively

Entrepreneurship

To be competent, the user/individual on the job must be able to:

- PC30.** identify different types of Entrepreneurship and Enterprises and assess opportunities for potential business through research
- PC31.** develop a business plan and a work model, considering the 4Ps of Marketing Product, Price, Place and Promotion
- PC32.** identify sources of funding, anticipate, and mitigate any financial/ legal hurdles for the potential business opportunity

Customer Service

To be competent, the user/individual on the job must be able to:

- PC33.** identify different types of customers and ways to communicate with them
- PC34.** identify and respond to customer requests and needs in a professional manner
- PC35.** use appropriate tools to collect customer feedback
- PC36.** follow appropriate hygiene and grooming standards

Getting ready for apprenticeship & Jobs

To be competent, the user/individual on the job must be able to:

- PC37.** create a professional Curriculum vitae (Résumé)
- PC38.** search for suitable jobs using reliable offline and online sources such as Employment exchange, recruitment agencies, newspapers etc. and job portals, respectively
- PC39.** apply to identified job openings using offline /online methods as per requirement
- PC40.** answer questions politely, with clarity and confidence, during recruitment and selection
- PC41.** identify apprenticeship opportunities and register for it as per guidelines and requirements

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** need for employability skills and different learning and employability related portals
- KU2.** various constitutional and personal values
- KU3.** different environmentally sustainable practices and their importance
- KU4.** Twenty first (21st) century skills and their importance
- KU5.** how to use English language for effective verbal (face to face and telephonic) and written communication in formal and informal set up
- KU6.** importance of career development and setting long- and short-term goals
- KU7.** about effective communication
- KU8.** POSH Act
- KU9.** Gender sensitivity and inclusivity
- KU10.** different types of financial institutes, products, and services

Qualification Pack

- KU11.** components of salary and how to compute income and expenditure
- KU12.** importance of maintaining safety and security in offline and online financial transactions
- KU13.** different legal rights and laws
- KU14.** different types of digital devices and the procedure to operate them safely and securely
- KU15.** how to create and operate an e- mail account
- KU16.** use applications such as word processors, spreadsheets etc.
- KU17.** how to identify business opportunities
- KU18.** types and needs of customers
- KU19.** how to apply for a job and prepare for an interview
- KU20.** apprenticeship scheme and the process of registering on apprenticeship portal

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on knowledge bank of questions created by the SSC.
3. Individual assessment agencies will create unique question papers for theory part for each candidate at each examination/training center (as per assessment criteria below).
4. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/ training center based on these criteria.
5. In case of successfully passing only certain number of NOSs, the trainee is eligible to take subsequent assessment on the balance NOS's to pass the Qualification Pack.
6. In case of unsuccessful completion, the trainee may seek reassessment on the Qualification Pack

Minimum Aggregate Passing % at QP Level : 70

Qualification Pack

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
