MEP/N1216: Manage Indirect Tax

Description

This unit covers details about assisting in preparing and filing indirect tax returns, paying taxes and looking after the operational aspects related to tax compliances.

Scope

The scope covers the following :

- Explore applicability of tax

Elements and Performance Criteria

Explore applicability of tax

To be competent, the user/individual on the job must be able to:

- PC1.** Examine areas applying indirect tax
- PC2.** Apply indirect tax laws
- PC3.** Identify the taxable event, viz. import or export of goods
- PC4.** Use accounting techniques to calculate tax
- PC5.** Maintain applicable records
- PC6.** File tax returns for indirect taxes
- PC7.** Ensure VAT (Value-Added Tax), STT (Securities Transaction Tax) and other tax compliances.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** indirect tax laws and filing of returns
- KU2.** books of accounts
- KU3.** accounting concepts and techniques for recording transactions
- KU4.** financial concepts such as calculation of tax liabilities of customs, GST, and other indirect taxes.
- KU5.** tax rates and computation of TDS, TCS, and net value of taxable goods / supplies under GST
- KU6.** stipulated timelines for depositing taxes, including GST, to government or tax authority
- KU7.** timeline for issue of TDS certificate by deductor or to deductee and details there in under GST and penalties
- KU8.** transaction processing process
- KU9.** organizational guidelines for dealing with different types of receipts and payments
- KU10.** accounting processes and procedures to record the details of invoice
- KU11.** methods of collections and payments to different customers/ suppliers
- KU12.** difference between invoice and other supported documents such as purchase order, delivery Challan, etc.

Qualification Pack

- KU13.** elements of financial statement
- KU14.** Securities Transaction Tax
- KU15.** Tax Rate and Computation of VAT

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** write texts with accuracy and brevity
- GS2.** write name, place etc. correctly
- GS3.** fill in relevant forms and formats clearly and accurately
- GS4.** document and maintain the record
- GS5.** read and extract relevant information from documentation including purpose, nature of the document, etc.
- GS6.** determine the level of confidentiality and security requirements of the document and store accordingly
- GS7.** breakdown relevant work process into its constituent activities for ease of analysis
- GS8.** estimate time and effort required to complete a task accurately
- GS9.** keep emotional balancing to avoid work stress
- GS10.** avoid distractions
- GS11.** seek clarification and assistance from others when assistance is required

MEP/N1219: Manage Employees Provident Fund

Description

This unit covers the detailed competencies required to manage the provident fund account of employees and the processes of deductions and submission of returns.

Scope

The scope covers the following :

- Examine the document for filing
- Submit online returns to EPFO

Elements and Performance Criteria

Examine the documents for EPF filing

To be competent, the user/individual on the job must be able to:

- PC1.** verify the employees' documents for filing
- PC2.** prepare and record the deductible amount
- PC3.** verify calculations and match the documents
- PC4.** execute pay orders through an electronic system
- PC5.** prepare payroll reports for management as per EPFO Act

Submit online return to EPFO

To be competent, the user/individual on the job must be able to:

- PC6.** login to EPFO portal
- PC7.** fill the form as per EPFO guidelines
- PC8.** prepare for submission of payment of returns through online portal
- PC9.** submit the application and collect the acknowledgement

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** understand the Provident Fund Act, 1952
- KU2.** knowledge of which establishments are covered under EPFO Act
- KU3.** generate UAN for new employees
- KU4.** KYC related documents of the employees
- KU5.** enrollment of employees for EPFO
- KU6.** payroll accounting
- KU7.** understand the tax code
- KU8.** financial reports that are aligned with accounting standards
- KU9.** file monthly return in ECR format

Qualification Pack

- KU10.** particulars related to employees joining or leaving the service
- KU11.** understanding of the EPFO portal
- KU12.** Notes of Accounts
- KU13.** eligibility criteria for a UAN
- KU14.** employer-employee percentage for EPF
- KU15.** establishment or owners' particulars online (FORM 5A)
- KU16.** family particulars of all employees who are EPF members
- KU17.** information on EPFO part or complete withdrawal procedure

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** write texts with accuracy and brevity
- GS2.** write name, place etc. correctly
- GS3.** fill in relevant forms and formats clearly and accurately
- GS4.** document and maintain the records

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down the proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on the knowledge bank of questions created by the SSC.
3. Assessment will be conducted for all compulsory NOS, and where applicable, on the selected elective/option NOS/set of NOS.
4. Individual assessment agencies will create unique question papers for the theory part for each candidate at each examination/training center (as per assessment criteria below).
5. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/ training center based on these criteria.
6. To pass the Qualification Pack assessment, every trainee should score a minimum of 70% of % aggregate marks to successfully clear the assessment.

Qualification Pack

7. In case of unsuccessful completion, the trainee may seek reassessment on the Qualification Pack.

Minimum Aggregate Passing % at QP Level : 70

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
