MES/Q1504: Music Therapist

Brief Job Description

A type of expressive arts therapy that uses music to improve and maintain the physical, psychological, and social well-being. Music therapy is an established health profession where physical, emotional, cognitive, and social goals are achieved through the use of music within the therapeutic relationship. Music therapists are qualified therapists who use music interventions to assist clients to explore their feelings and improve their emotional-wellbeing and problem-solving skills. Music therapists assist people with developmental and learning disabilities, and age-related conditions. Certified Music Therapists work with people of all ages and abilities to help them achieve their therapeutic goals. This can include to reduce anxiety, improve social and communication skills, increase self-awareness, and improve specific motor skills.

Personal Attributes

Individual at this job role have creative and knowledge about the uses and benefits of music therapy have been researched for decades. Music therapists should have a deep understanding of human psychology and knowledge of the principles and methods of therapy and counseling. They also need to possess powerful communication skills. this is mostly employed in listening to the client, attempting to fully understand, and not interrupting. Music therapists can specifically achieve communication through musical elements. Music therapists should have knowledge of a wide variety of music history and the power of musical elements. They must also be able to play and perform on many different types of musical instruments. Additionally, music therapists must possess empathy, compassion, imagination, and patience. The music therapist must have knowledge about basic anatomy and physiology of human body, range of therapy discomfort points in human body.

The QP has been rationalised as per NCVET guidelines.

Qualification Pack

MES/N1511: Collaborate with team to ascertain whether individuals qualify for music therapy

Description

This NOS covers the skills required to collaborate with the team to ascertain whether individuals qualify for music therapy and provide music therapy sessions as per recommendation, assess client's needs Recommend appropriate therapy procedures for increased comfort, moods, well mental heal and treatment of patients

Scope

The scope covers the following :

- Discuss and demonstrate ways to assess client's needs
- Analyze the role of Music Therapist

Elements and Performance Criteria

Demonstrate ways to assess client's needs

To be competent, the user/individual on the job must be able to:

- PC1.** Analyse the role of Music Therapist and discuss with team to analyse the need of MT sessions
- PC2.** Assess client's needs and recommend appropriate therapy procedures for increased comfort, moods, well mental heal and treatment of patients
- PC3.** Assess potential risks related to work and implement relevant safety measures where applicable
- PC4.** Explain the concept of music therapy and treatment process
- PC5.** Obtain tools and music equipment required for the procedure specified in adequate ration / volume and designated containers (Tools: weighing scale, height measuring instrument, procedure support stands, etc.)

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** how to prepare for meetings with clients
- KU2.** how to assess needs of the clients
- KU3.** the role and function of each member to be included in the team to meet the creative objectives.
- KU4.** appropriate therapy procedures for increased comfort, moods, well mental heal and treatment of patients
- KU5.** concept of music therapy and treatment process
- KU6.** how to obtain tools and music equipment required for the procedure specified in adequate ration / volume and designated containers
- KU7.** ways to maintain and monitor records of client progress

Qualification Pack

- KU8.** concepts of multiside music and passive music
- KU9.** the importance of ensuring that any stands for support are stable and rightly positioned as per space and support requirements
- KU10.** the relevance of recording and videotaping clients on a periodic basis
- KU11.** report any work related problems or issues to appropriate personnel in line with relevant regulatory and safety requirements
- KU12.** how to plan, arrange and procure instruments required for the therapy
- KU13.** ways to inspect all lighting and electrical power supply arrangements before the therapy
- KU14.** importance of maintaining appropriate sound system to apply therapy

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** take detailed notes during discussions with clients
- GS2.** Practice safe working practices for own job role
- GS3.** Enlist various applications of music therapy
- GS4.** to maintain different instruments
- GS5.** share best practices, innovation, etc. among peers through blogs, articles, etc.
- GS6.** read and comprehend music briefs, scripts, storyboards etc.
- GS7.** research and gather relevant information related to genre, language, cultural and regional significance to aid clients
- GS8.** stay abreast with the trends and developments in the therapy through regular reading.
- GS9.** plan the work schedule to meet the agreed deliverables.
- GS10.** conduct review sessions to ensure timely progress of clients
- GS11.** make appropriate choices of compositional techniques to meet the requirements.
- GS12.** review the work of self and team at every stage to ensure that they fully meet the requirements laid out by the client.

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on knowledge bank of questions created by the SSC.
3. Assessment will be conducted for all compulsory NOS, and where applicable, on the selected elective/option NOS/set of NOS.
4. Individual assessment agencies will create unique question papers for theory part for each candidate at each examination/training center (as per assessment criteria below).
5. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/training center based on this criterion.
6. To pass the Qualification Pack, every trainee should score a minimum of 70% of aggregate marks to successfully clear the assessment.
7. In case of unsuccessful completion, the trainee may seek reassessment on the Qualification Pack.

Qualification Pack

Minimum Aggregate Passing % at QP Level : 70

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Assessment Weightage

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
