Assessment Guidelines and Assessment Weightage

Assessment Guidelines

The Assessment will check the retention of Practical and Theoretical Learning.

In the Practical Assessment the emphasis will be on:

- Observation of skills on the job
- Practical demonstration of skills
- And case-study/scenario-based viva-voce questions

The Theoretical assessment of knowledge required to carry out the Learning outcomes articulated in the qualification will be done through online/offline, proctored assessment papers that will carry:

- Objective-type questions
- Subjective questions

Qualification Pack

● Case study/scenario-based questions

The Practical and Theoretical assessments will be developed by Subject Matter Experts (SME) available with the Assessment Agency as per the performance and assessment criteria mentioned in the Qualification.

The assessment papers will be cross-checked for the various outcome-based parameters such as quality, time taken, precision, tools & equipment requirement etc. The assessment sets will then be reviewed by officials at Medhavi Skills University for consistency. The assessments will be designed to assess the maximum parts during the practical hands-on work. The technical limitations at the training centres will be taken care of in theory and viva. The assessment agencies are instructed to hire assessors with integrity, reliability and fairness. Each assessor shall sign a document with them assessment agency by which they commit themselves to comply with the rules of confidentiality and conflict of interest, independence from commercial and other interests that would compromise the impartiality of the assessments.

Minimum Aggregate Passing % at QP Level : 60

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)
