NFD/MES/N0802: Create Accurate and Readable Subtitles

Description

This NOS is about Creating Accurate and Readable Subtitles

Scope

The scope covers the following :

- Maintain Content Accuracy
- Ensure Readability
- Perform Formatting to guarantee consistent and visually appealing presentation

Elements and Performance Criteria

Maintain Content Accuracy

To be competent, the user/individual on the job must be able to:

- PC1.** Accurately transcribe spoken dialogue, ensuring all essential information is captured
- PC2.** Maintain the intended meaning and context of the source language content in the subtitles.
- PC3.** Accurately represent sound effects and non-verbal cues using appropriate notations (e.g., [laughter], [doorbell rings]).
- PC4.** Identify and distinguish different speakers and attribute dialogue accordingly (e.g., Speaker 1: Speaker 2:).

Ensure Readability

To be competent, the user/individual on the job must be able to:

- PC5.** Use concise and clear language that is easy for the target audience to understand.
- PC6.** Structure subtitles for readability, considering reading speed and screen limitations (ideally 1-2 lines per caption).
- PC7.** Ensure proper sentence structure and grammar in the target language
- PC8.** Avoid using overly complex vocabulary or technical jargon, opting for clear and widely understood synonyms.
- PC9.** Maintain consistent terminology throughout the subtitles for recurring concepts or characters.

Perform Formatting to guarantee consistent and visually appealing presentation

To be competent, the user/individual on the job must be able to:

- PC10.** Maintain consistent formatting throughout the subtitles, including font size, style, and colour (following industry standards or project guidelines).
- PC11.** Ensure proper placement of subtitles within the designated screen space, avoiding blocking important visuals or overlapping with speaker names.
- PC12.** Synchronize subtitle appearance and disappearance with on-screen action and dialogue flow, ensuring captions appear before spoken words and disappear shortly after.
- PC13.** When necessary, break long sentences into multiple captions for better readability and comprehension.

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on knowledge bank of questions created by the SSC.
3. Assessment will be conducted for all compulsory NOS, and where applicable, on the selected elective/option NOS/set of NOS.
4. Individual assessment agencies will create unique question papers for theory part for each candidate at each examination/training center (as per assessment criteria below).
5. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/training center based on this criterion.
6. To pass the Qualification Pack, every trainee should score a minimum of 70% of aggregate marks to successfully clear the assessment.
7. In case of unsuccessful completion, the trainee may seek reassessment on the Qualification Pack.

Qualification Pack

Minimum Aggregate Passing % at QP Level : 70

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)
