PWD/N9501: Apply Computer fundamental and various applications of MS Office

Description

This unit is about operating computer and its peripheral devices with screen reading software, creating files in various applications of MS Office, organizing data, performing web searching, email handling, and managing the communication and ensuring the accuracy and confidentiality of information recorded.

Scope

The scope covers the following :

- Apply Computer Fundamentals
- Apply Fundamentals of MS Office

Elements and Performance Criteria

Apply Computer Fundamentals

To be competent, the user/individual on the job must be able to:

- PC1.** Explain computer hardware & software along with various peripheral devices
- PC2.** Understand Computer Network and its components, Local Area Network (LAN), Wide Area Network (WAN) etc
- PC3.** Identify network cables, configure wireless network, overview of various network protocols and network topology.

Apply Fundamentals of MS Office

To be competent, the user/individual on the job must be able to:

- PC4.** Create, format and edit document using MS word processing applications. (e.g. inserting. table, book marks, hyperlink, header footer, page number, page layout setting, auto correct tool, spelling and grammar checker).
- PC5.** Create, format, edit and develop a work book by using MS Excel Spreadsheets application software. (e.g using formula and features like formatting, sorting, filtering, validating data & conditional formatting).
- PC6.** Create and customized slides for Power Point presentation (various slide layouts, slide design, animation, transitions).
- PC7.** Use the Web Browsers, Search Engines, cloud management, e-mail handling and various applications for Text, Voice, and Video Chatting

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Basics of computer and its terminology.
- KU2.** How to Read & write in English, Hindi, and regional language with screen reading software.
- KU3.** Components of a computer and its peripheral devices.

Qualification Pack

- KU4.** How to work in various applications of the MS Office and knowledge of Major Operating Systems.
- KU5.** How to print word and an Excel document by adjusting appropriate page set up.
- KU6.** Computer Network and its components, LAN, WAN and MAN,
- KU7.** Network cables, configure wireless network, overview of various network protocols and network topology
- KU8.** How to use Web Browsers and Search Engines for getting information
- KU9.** How to configure wire and wireless networks, and to communicate virtually through electronic mode.
- KU10.** How to make error free data entry and to organize the same in a systematic manner.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Read and write different types of documents/instructions/correspondence independently
- GS2.** Communicate effectively using appropriate language in formal and informal settings through an electronic mode
- GS3.** Behave politely and appropriately with all.
- GS4.** Solve problems effectively. Manage time efficiently .

PWD/N9502: Use of Assistive Technologies for Persons with Visual Impairment.

Description

The unit is about the use of assistive technologies which help the Persons with VI to perform their day-to-day activities independently in an efficient manner. The Individual will also learn to type the text in Hindi/Regional Languages by using UNICODE based font.

Scope

The scope covers the following :

- Gain knowledge on use of assistive technology for Persons with Visual Impairment

Elements and Performance Criteria

Gain knowledge on use of assistive technology for Persons with Visual Impairment

To be competent, the user/individual on the job must be able to:

- PC1.** describe the concept of Assistive Technology and its usability for persons with visual impairment following the concept of universal design.
- PC2.** install and use various screen reader software based on various OS like Window, Android, IOS with their features.
- PC3.** configure and demonstrate various computer and mobile based technology such as -Camera based Scanner; OCR Technology; Refreshable Braille Display; Audio Voice Labeler; Magnifying Technology, DAISY and e-pub
- PC4.** use various magnifiers, e-pub and daisy book reading devices.
- PC5.** select the UNICODE based font for Hindi /Regional Language in Window. Type in-script layout by using Unicode font with accuracy and speed of 15 words per minute.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** the concept of sistive Technology and its usability for persons with visual impairment.
- KU2.** importance of universal design for persons with visual impairment.
- KU3.** troubleshooting during and after installation of various screen readers..
- KU4.** how to configure and demonstrate various computer and mobile based technology
- KU5.** how to use various e-pub and daisy book reading devices.
- KU6.** how to configure and type in Hindi/ Regional language by using UNICODE based font.

Generic Skills (GS)

User/individual on the job needs to know how to:

Qualification Pack

- GS1.** access the content in accessible format.
- GS2.** communicate effectively about the accessibility.
- GS3.** enhance the knowledge by adopting assistive technology.
- GS4.** work independently to the maximum extent possible in an inclusive environment.
- GS5.** contribute to the society socially, emotionally and economically.

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down the proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on the knowledge bank of questions created by the SSC.
3. Assessment will be conducted for all compulsory NOS, and where applicable, on the selected elective/option NOS/set of NOS.
4. Individual assessment agencies will create unique question papers for the theory part for each candidate at each examination/training center (as per assessment criteria below).
5. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/ training center based on these criteria.
6. To pass the Qualification Pack assessment, every trainee should score a minimum of 70% of % aggregate marks to successfully clear the assessment.

Qualification Pack

7. In case of unsuccessful completion, the trainee may seek reassessment on the Qualification Pack.

Minimum Aggregate Passing % at QP Level : 50

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
