SPF/N1173: Plan effective workforce for caddying at a golf course

Description

This unit is about preparing the for the golf game.

Scope

The scope covers the following :

- Develop and maintain caddies at a golf course
- Plan for caddying
- Maintain hygiene and sanitation

Elements and Performance Criteria

Develop and maintain caddies at a golf course

To be competent, the user/individual on the job must be able to:

- PC1.** recommend workforce requirements for caddying at the golf course
- PC2.** plan a mix of full-time, part-time, temporary, and contractual members appropriate to the requirement
- PC3.** ensure all caddies have required certifications and experience
- PC4.** ensure that caddies meet the required level of physical fitness
- PC5.** identify training needs of the team members and recommend developmental requirements
- PC6.** ensure a diverse workforce is recruited

Plan for caddying

To be competent, the user/individual on the job must be able to:

- PC7.** ensure team members comply to the safety and legal requirements
- PC8.** create SOP (standard operating procedure) of the golf course applicable to caddies
- PC9.** plan how the attendance and identification of the team members are recorded
- PC10.** create roster of all caddies and support staff to assign them on daily duties
- PC11.** ensure golf cart are adequate and in working condition
- PC12.** record the maintenance schedule of golf cart and equipment as per the safety standards
- PC13.** ensure adequate medical equipment are readily available (first aid kit, oxygen mask, stretcher, etc.)
- PC14.** ensure public address equipment such as loudspeakers, mics, whistle are functional
- PC15.** ensure communication devices such as radio, mobile phones, are adequate for the team

Maintain hygiene and sanitation

To be competent, the user/individual on the job must be able to:

- PC16.** ensure personal hygiene
- PC17.** ensure equipment, golf course, common area, etc. are sanitized before and after the usage
- PC18.** guide others about hygiene and sanitation workplace requirements
- PC19.** report advanced hygiene and sanitation issues to appropriate authority

Qualification Pack

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** organizational procedure for accidents, safety response
- KU2.** information required to undertake workforce planning
- KU3.** relevant labour laws
- KU4.** guidelines to consider equality and diversity in workforce planning
- KU5.** benefits of a multicultural workforce
- KU6.** types of employment agreements typically used within the industry/sector
- KU7.** ways of employing, recruiting, and keeping people in the industry/sector
- KU8.** trends and developments in the sector which are relevant to workforce planning
- KU9.** working culture and practices of the industry/sector
- KU10.** the capacity and capability of the current workforce
- KU11.** local employment market conditions
- KU12.** health and safety requirements as per law
- KU13.** required qualification, skills, fitness levels of caddies
- KU14.** training and assessments of caddies and support staff
- KU15.** courses and opportunities for training and development
- KU16.** types of medical equipment used during emergency
- KU17.** maintenance and safe practices while servicing, testing of cart, golf course
- KU18.** principles of planning

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** read and understand golf manuals
- GS2.** develop golf course usage guidelines/instructions
- GS3.** fill in insurance forms etc
- GS4.** ready and verify guest credentials for golf course usage
- GS5.** communicate in a clear and polite manner
- GS6.** instruct team members with clear and easy to understand instructions
- GS7.** assess equipment quality, maintenance required

SPF/N1174: Manage Caddie Operations

Description

This unit is about managing the operations of caddies.

Scope

The scope covers the following :

- Conduct golf course and caddies readiness check
- Allocate duties and monitor caddies for the day
- Work effectively with others

Elements and Performance Criteria

Conduct golf course and caddies' readiness check

To be competent, the user/individual on the job must be able to:

- PC1.** conduct golf course and caddies' readiness check
- PC2.** obtain weather forecast, golf course conditions and plan for the day
- PC3.** ensure golf cart, equipment, caddies are adequate to the requirement for the day
- PC4.** identify supervision requirements for the day
- PC5.** identify different game, competition format, categories i.e., men, women, junior and senior for the day
- PC6.** prepare the golf playing environment for both individuals and groups
- PC7.** ensure requirements for health and safety that are relevant to the activities which are being planned
- PC8.** check if caddies have the correct equipment and clothing for golf sessions

Allocate duties and monitor caddies for the day

To be competent, the user/individual on the job must be able to:

- PC9.** allocated caddies based on their skills and experience required by the golfer
- PC10.** ensure caddies are briefed on allocated work, and the standard or level of expected performance
- PC11.** identify differences in expectations and working methods of any team members
- PC12.** monitor the progress and quality of the work of team members on a regular and fair basis
- PC13.** monitor for conflict, identifying the cause(s) when it occurs and dealing with it promptly and effectively
- PC14.** identify unacceptable or poor performance, discuss the cause(s) and agree ways of improving performance with team members
- PC15.** recognize successful completion of work by team members
- PC16.** use information collected on the performance of team members in any formal appraisals of performance
- PC17.** review and update plans of work for your area, clearly communicating any changes to those affected

Qualification Pack

Work effectively with others

To be competent, the user/individual on the job must be able to:

- PC18.** interact (verbal, non-verbal and written) in a gender, disability, and culturally sensitive manner
- PC19.** promote a safe and interactive environment
- PC20.** identify and report inappropriate behaviour (e.g. sexual harassment) to appropriate authority

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** ways to promote compliance with safety rules and regulations
- KU2.** rights of people, especially women, to use golf course facilities
- KU3.** laws governing to discrimination with respect to gender, abilities, etc.
- KU4.** laws governing rights of permanent and part time labours
- KU5.** emergency evacuation protocols
- KU6.** ways to inform visitors of unacceptable behaviour or actions
- KU7.** how to deal with potential conflict
- KU8.** types of unacceptable behavior
- KU9.** POSH (Prevention of Sexual Harassment) Act
- KU10.** factors affecting group dynamics and conflict resolution strategies

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** monitor client behaviour and activities
- GS2.** resolve conflicts
- GS3.** communicate effectively to a group
- GS4.** report and record incidents and emergency situations
- GS5.** apply verbal and non-verbal communication techniques
- GS6.** apply first aid
- GS7.** work as a team

SPF/N1175: Supervise the maintenance of equipment and facilities

Description

This unit is about supervising and maintaining golf equipment and facilities.

Scope

The scope covers the following :

- Supervise the maintenance of facilities and equipment in your area of responsibility
- Supervise repairs and improvements to facilities and equipment

Elements and Performance Criteria

Supervise the maintenance of facilities and equipment in your area of responsibility

To be competent, the user/individual on the job must be able to:

- PC1.** ensure staff in your area of responsibility understand and support agreed standards for the condition of equipment and facilities
- PC2.** ensure equipment maintenance records are updated regularly
- PC3.** ensure staff have the necessary resources and skills to monitor and maintain the condition of facilities and equipment
- PC4.** check if facilities and equipment follows the agreed schedule and health and safety requirements
- PC5.** carry out spot checks to make sure that facilities and equipment are up to agreed standards
- PC6.** encourage staff to report any problems with facilities and equipment when they occur
- PC7.** maintain records to do with checking and maintenance and store them in the correct location.

Supervise repairs and improvements to facilities and equipment

To be competent, the user/individual on the job must be able to:

- PC8.** ensure repair of any equipment are done within the timeline and a closure report is sent to the appropriate authority
- PC9.** collect feedback from the golf course users seeking areas of improvement
- PC10.** give relevant staff and users information about the work being carried out and any arrangements that affect them
- PC11.** monitor the work and provide support to make sure it meets the agreed specification and schedule
- PC12.** refer any problems beyond your level of responsibility to an appropriate authority
- PC13.** ensure that work when completed meets the agreed specification
- PC14.** complete records of the work which has been done and store them in the correct location

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

Qualification Pack

- KU1.** How to assist with implementing strategy for golf operations
- KU2.** How to manage a budget
- KU3.** Health and safety of customers and staff
- KU4.** Efficient use of resources
- KU5.** Equality and diversity in golf operations
- KU6.** How to plan, market and sell services
- KU7.** How to work with others to improve customer service
- KU8.** How to manage a project
- KU9.** The market and customers of the golf business
- KU10.** types of golf clubs and their specific usage
- KU11.** location for storage of safety equipment
- KU12.** the types of mobility equipment used in golf
- KU13.** organizational procedure for accidents, safety response
- KU14.** relevant coaching resources from the National PGA / Federation or other coach related organisations
- KU15.** the types of information which can be collected from participants
- KU16.** types of resources required for golf coaching sessions. e.g. equipment, clothing, teaching aids
- KU17.** emergency response procedures on how to provide CPR, use artificial breathing devices to resuscitate
- KU18.** difference between personal safety equipment and rescue equipment

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** monitor client behaviour and activities
- GS2.** monitor staff effectively
- GS3.** resolve conflicts
- GS4.** communicate effectively to a group

SPF/N1169: Improve workplace resource usage

Description

This unit is about increasing efficiencies and maximizing the use of materials, particularly resources, energy, and trash, in workplace operations.

Scope

The scope covers the following :

- conservation procedures for materials
- power conservation methods
- waste management/recycling procedures

Elements and Performance Criteria

conservation procedures for materials

To be competent, the user/individual on the job must be able to:

- PC1.** determine ways to optimize usage of material including water in various tasks/activities/processes
- PC2.** examine various tasks/activities/processes for spills/leaks
- PC3.** eliminate spills/leaks and escalate to appropriate authorities if they cannot be corrected
- PC4.** conduct routine cleaning of tools, machines, and equipment

power conservation practices

To be competent, the user/individual on the job must be able to:

- PC5.** determine ways to optimize usage of electricity/energy in various tasks/activities/processes
- PC6.** ensure if the equipment/machine is functioning normally before commencing work and rectify wherever required
- PC7.** report equipment malfunctions (fumes/sparks/emission/vibration/noise) and lapses in maintenance
- PC8.** ensure that all electrical equipment and appliances are correctly connected and turned off when not in use

waste management/recycling procedures

To be competent, the user/individual on the job must be able to:

- PC9.** determine recyclable and non-recyclable, and hazardous waste generated
- PC10.** separate waste into different categories
- PC11.** discard non-recyclable waste appropriately
- PC12.** store recyclable and reusable materials in a designated spot

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

Qualification Pack

- KU1.** potential hazards, risks and threats based on the nature of work
- KU2.** layout of the workstation and electrical and thermal equipment used
- KU3.** organizations' procedures for minimizing waste
- KU4.** efficient and inefficient utilization of material and water
- KU5.** ways of efficiently managing material and water in the process
- KU6.** basics of electricity and prevalent energy efficient devices
- KU7.** ways to recognize common electrical problems
- KU8.** common practices of conserving electricity
- KU9.** usage of different colours of dustbins
- KU10.** categorization of waste into dry, wet, recyclable, non-recyclable and items of single-use plastics
- KU11.** waste management and methods of waste disposal
- KU12.** common sources of pollution and ways to minimize it

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** record data on waste disposal at workplace
- GS2.** complete statutory documents relevant to safety and hygiene
- GS3.** read Standard Operating Practices (SOP) documents
- GS4.** communicate with colleagues on the significance of greening of jobs
- GS5.** make timely decisions for efficient utilization of resources
- GS6.** complete tasks efficiently and accurately within stipulated time
- GS7.** work with supervisors/team members to carry out work related tasks
- GS8.** identify cause and effect of greening of jobs

DGT/VSQ/N0102: Employability Skills (60 Hours)

Description

This unit is about employability skills, Constitutional values, becoming a professional in the 21st Century, digital, financial, and legal literacy, diversity and Inclusion, English and communication skills, customer service, entrepreneurship, and apprenticeship, getting ready for jobs and career development.

Scope

The scope covers the following :

- Introduction to Employability Skills
- Constitutional values - Citizenship
- Becoming a Professional in the 21st Century
- Basic English Skills
- Career Development & Goal Setting
- Communication Skills
- Diversity & Inclusion
- Financial and Legal Literacy
- Essential Digital Skills
- Entrepreneurship
- Customer Service
- Getting ready for Apprenticeship & Jobs

Elements and Performance Criteria

Introduction to Employability Skills

To be competent, the user/individual on the job must be able to:

- PC1.** identify employability skills required for jobs in various industries
- PC2.** identify and explore learning and employability portals

Constitutional values - Citizenship

To be competent, the user/individual on the job must be able to:

- PC3.** recognize the significance of constitutional values, including civic rights and duties, citizenship, responsibility towards society etc. and personal values and ethics such as honesty, integrity, caring and respecting others, etc.
- PC4.** follow environmentally sustainable practices

Becoming a Professional in the 21st Century

To be competent, the user/individual on the job must be able to:

- PC5.** recognize the significance of 21st Century Skills for employment
- PC6.** practice the 21st Century Skills such as Self-Awareness, Behaviour Skills, time management, critical and adaptive thinking, problem-solving, creative thinking, social and cultural awareness, emotional awareness, learning to learn for continuous learning etc. in personal and professional life

Basic English Skills

To be competent, the user/individual on the job must be able to:

Qualification Pack

- PC7.** use basic English for everyday conversation in different contexts, in person and over the telephone
- PC8.** read and understand routine information, notes, instructions, mails, letters etc. written in English
- PC9.** write short messages, notes, letters, e-mails etc. in English

Career Development & Goal Setting

To be competent, the user/individual on the job must be able to:

- PC10.** understand the difference between job and career
- PC11.** prepare a career development plan with short- and long-term goals, based on aptitude

Communication Skills

To be competent, the user/individual on the job must be able to:

- PC12.** follow verbal and non-verbal communication etiquette and active listening techniques in various settings
- PC13.** work collaboratively with others in a team

Diversity & Inclusion

To be competent, the user/individual on the job must be able to:

- PC14.** communicate and behave appropriately with all genders and PwD
- PC15.** escalate any issues related to sexual harassment at workplace according to POSH Act

Financial and Legal Literacy

To be competent, the user/individual on the job must be able to:

- PC16.** select financial institutions, products and services as per requirement
- PC17.** carry out offline and online financial transactions, safely and securely
- PC18.** identify common components of salary and compute income, expenses, taxes, investments etc
- PC19.** identify relevant rights and laws and use legal aids to fight against legal exploitation

Essential Digital Skills

To be competent, the user/individual on the job must be able to:

- PC20.** operate digital devices and carry out basic internet operations securely and safely
- PC21.** use e- mail and social media platforms and virtual collaboration tools to work effectively
- PC22.** use basic features of word processor, spreadsheets, and presentations

Entrepreneurship

To be competent, the user/individual on the job must be able to:

- PC23.** identify different types of Entrepreneurship and Enterprises and assess opportunities for potential business through research
- PC24.** develop a business plan and a work model, considering the 4Ps of Marketing Product, Price, Place and Promotion
- PC25.** identify sources of funding, anticipate, and mitigate any financial/ legal hurdles for the potential business opportunity

Customer Service

To be competent, the user/individual on the job must be able to:

- PC26.** identify different types of customers
- PC27.** identify and respond to customer requests and needs in a professional manner.

Qualification Pack

PC28. follow appropriate hygiene and grooming standards

Getting ready for apprenticeship & Jobs

To be competent, the user/individual on the job must be able to:

PC29. create a professional Curriculum vitae (Résumé)

PC30. search for suitable jobs using reliable offline and online sources such as Employment exchange, recruitment agencies, newspapers etc. and job portals, respectively

PC31. apply to identified job openings using offline /online methods as per requirement

PC32. answer questions politely, with clarity and confidence, during recruitment and selection

PC33. identify apprenticeship opportunities and register for it as per guidelines and requirements

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

KU1. need for employability skills and different learning and employability related portals

KU2. various constitutional and personal values

KU3. different environmentally sustainable practices and their importance

KU4. Twenty first (21st) century skills and their importance

KU5. how to use English language for effective verbal (face to face and telephonic) and written communication in formal and informal set up

KU6. importance of career development and setting long- and short-term goals

KU7. about effective communication

KU8. POSH Act

KU9. Gender sensitivity and inclusivity

KU10. different types of financial institutes, products, and services

KU11. how to compute income and expenditure

KU12. importance of maintaining safety and security in offline and online financial transactions

KU13. different legal rights and laws

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down the proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on the knowledge bank of questions created by the SSC.
3. Assessment will be conducted for all compulsory NOS, and where applicable, on the selected elective/option NOS/set of NOS.
4. Individual assessment agencies will create unique question papers for the theory part for each candidate at each examination/training center (as per assessment criteria below).
5. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/ training center based on these criteria.
6. To pass the Qualification Pack assessment, every trainee should score a minimum of 70% of aggregate marks to successfully clear the assessment.

Qualification Pack

7. In case of unsuccessful completion, the trainee may seek reassessment on the Qualification Pack.

Minimum Aggregate Passing % at QP Level : 70

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
