THC/N9101: Ensure optimum inventory and menu costing

Description

This OS unit is about pricing the menu items and ensuring proper inventory and store management to generate profit and control the costs.

Scope

The scope covers the following :

- Review menu pricing
- Ensure proper inventory and store management

Elements and Performance Criteria

Review menu pricing

To be competent, the user/individual on the job must be able to:

- PC1.** engineer the menu in terms of costing in conjunction with Executive Chef
- PC2.** check the menu pricing on the Point of Sales (POS) systems and ensure the correct prices are loaded
- PC3.** update selling prices in POS as per the instruction from authorized person
- PC4.** review menu prices periodically to ensure prices are high enough for the organization to earn adequate profit margins
- PC5.** monitor best-selling and least-popular menu items and advise the finance director and F&B Director accordingly so reviews can be taken/dishes can be removed, where necessary

Ensure proper inventory and store management

To be competent, the user/individual on the job must be able to:

- PC6.** undertake physical stock checking in different departments like kitchen, bar, etc. periodically as per organizational standards
- PC7.** monitor the stock of grocery and perishable items on daily/weekly/monthly basis
- PC8.** ensure optimum stock of all Food & Beverage (F&B) items at all times
- PC9.** prepare monthly listing of slow moving and obsolete F&B supplies and recommend further action
- PC10.** organize and monitor stock taking and monthly closing procedures
- PC11.** conduct spot check to ensure that the goods received are as per specifications and the deliveries of goods by suppliers are consistent with the receiving schedule and the storerooms are not overstock especially during month end
- PC12.** audit monthly stock as per SOP
- PC13.** reconcile all inventory accounts based on actual purchases and actual inventory stock take and allocate the expenses to the respective department based on their requisitions
- PC14.** sort, count, identify, verify, and track all material against invoices, orders, bills or other records
- PC15.** perform regular material store audits to ensure that material is undamaged and maintained neatly

Qualification Pack

- PC16.** input physical food and beverage stock counts into the computer system and analyze results highlighting the discrepancies in opening, consumed, closing stocks for additional counts or reviews
- PC17.** check the purchase orders against the consumption pattern, seasonal business volume and projected business of the organization
- PC18.** ensure that all the items purchased and received in the organization at all levels are timely entered in the Material Management Systems (MMS)
- PC19.** check and ensure that no material is issued out from the store without requisition or approval from the respective department head
- PC20.** make sure that all the material issuances from the store to cost centers are as per organizational SOP and entered in MMS
- PC21.** verify invoices against receiving record and compare them with purchase order and purchase request, and ensure that all invoices are stamped and signed by the authorized person
- PC22.** provide analysis of F&B stores consumption to handle the ordering of food and beverage as accurately as possible

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** methods to price the food items
- KU2.** procedure to handle the POS system
- KU3.** procedure to conduct physical stock checking
- KU4.** optimum stock levels for smooth operations of the business
- KU5.** methods to monitor stock taking
- KU6.** stock and warehouse auditing procedures
- KU7.** procedure to maintain inventory accounts
- KU8.** how to handle material control system
- KU9.** methods to analyze store and material consumption

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** read and interpret policies, procedures, information, SOP, etc.
- GS2.** communicate effectively with the Executive Chef and F&B Director
- GS3.** solve day-to-day operational problems related to the work area

THC/N9102: Monitor and control operational costs and transaction

Description

This OS unit is about controlling the operational costs and monitoring operational transactions to ensure profitability of the organization.

Scope

The scope covers the following :

- Control operational costs
- Check operational transactions

Elements and Performance Criteria

Control operational costs

To be competent, the user/individual on the job must be able to:

- PC1.** control the food and beverage outlets in terms of wastage, pilferage, and efficiency
- PC2.** identify weaknesses in controls implemented at the restaurant and suggest for improvements
- PC3.** analyze all food and beverage costs and make recommendation of alternatives on cost savings
- PC4.** collect daily information on the consumption of various food items and their sales in the organization
- PC5.** check the cost of sales in F&B outlet and ensure that the costs are within budget
- PC6.** monitor records of all food & beverage monthly expenses to ensure strict budgeting control
- PC7.** prepare monthly F&B P&Ls, along with the determined monthly reports associated with F&B
- PC8.** calculate variance in consumption with previous consumption patterns, analyze the reason(s) for that and take corrective actions to restore the optimum cost of operations
- PC9.** prepare variance analysis report for food & beverage as per SOP
- PC10.** compile the food and beverage department's financial records and forward them to financial controllers for auditing

Check operational transactions

To be competent, the user/individual on the job must be able to:

- PC11.** verify Kitchen Order Tickets (KOT) and Bar Order Tickets (BOT) according to their serial numbers daily
- PC12.** tally all end of shift reports generated from the POS
- PC13.** check sales, void, complimentary, discounted, and pending bills
- PC14.** ensure that discounted bills are in line with the order issued by the top management
- PC15.** verify systems transactions/operations (POS, discounts, staff meals, settlements, lost postings, pricing, etc.)
- PC16.** check and cross verify if all sales have been transferred correctly from the Point of Sales (POS) to Property Management Systems (PMS), if applicable

Qualification Pack

PC17. verify the daily food & beverage revenues report submitted by the income audit for the accuracy of covers and average check

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** various operational costs involved in F&B department
- KU2.** effective ways to control costs
- KU3.** cost overheads in the organization
- KU4.** budget and cost control methods
- KU5.** types of financial reports prepared in the F&B department
- KU6.** variance analysis
- KU7.** procedure and importance of verifying KOT and BOT
- KU8.** operating procedure of POS and PMS
- KU9.** methods to verify system transactions

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** read and interpret policies, procedures, information, SOP, etc.
- GS2.** communicate effectively with the Executive Chef, F&B Director and others
- GS3.** solve day-to-day operational problems related to the work area

THC/N2801: Identify and implement quality standards at a restaurant/hotel

Description

This OS unit is about identifying and implementing the quality standards at a restaurant/hotel.

Scope

The scope covers the following :

- Identify the quality standards to be maintained
- Implement organizational quality standards

Elements and Performance Criteria

Identify the quality standards to be maintained

To be competent, the user/individual on the job must be able to:

- PC1.** review statistical studies, technological advances, or regulatory standards and trends to stay abreast of quality control processes and procedures in the restaurant/hotel sector
- PC2.** evaluate new food testing and sampling methodologies or technologies to determine the usefulness
- PC3.** evaluate current quality processes and systems in the restaurant/hotel
- PC4.** identify the quality parameters and critical points for each process in the kitchen, F&B service and housekeeping
- PC5.** review and suggest updates to the management regarding the standard operating procedures or quality assurance manuals for restaurant/hotel operations
- PC6.** provide suggestions for restructuring the processes and systems to ensure quality and effective resource utilization, if needed
- PC7.** create formats for capturing various data for quality management and monitoring

Implement organizational quality standards

To be competent, the user/individual on the job must be able to:

- PC8.** implement inspection and testing procedures for raw material, food items, F&B service, housekeeping, etc.
- PC9.** communicate quality control information to all relevant organizational departments and vendors for the restaurant/hotels
- PC10.** instruct the restaurant/hotel staff regarding the quality control and analytical procedures
- PC11.** monitor the budget for the different quality control operations
- PC12.** document all the testing procedure, methodologies, or criteria
- PC13.** review quality documentation necessary for regulatory submissions and inspections like FSSAI, HACCP, ISO, etc.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

Qualification Pack

- KU1.** quality management process
- KU2.** quality management tools like Total Quality Management (TQM), Six Sigmas, etc.
- KU3.** procedure to assess the quality
- KU4.** types of quality inspection
- KU5.** sampling methodologies
- KU6.** procedure to create SOPs and manuals
- KU7.** testing procedures
- KU8.** strategic planning and resource allocation procedures
- KU9.** various departments and their standard procedures in a restaurant
- KU10.** budgeting process
- KU11.** various statistical methods

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** read organizational SOPs, manuals and policies
- GS2.** write SOPs, manuals and create various formats
- GS3.** communicate effectively with the staff and the vendors
- GS4.** plan and direct the processes to ensure quality
- GS5.** analyze the problems and provide quick solutions

THC/N2803: Monitor organizational processes for quality

Description

This OS unit is about monitoring the organization's processes to ensure that the quality standards are met at all times.

Scope

The scope covers the following :

- Monitor vendor performance
- Monitor departmental processes

Elements and Performance Criteria

Monitor vendor performance

To be competent, the user/individual on the job must be able to:

- PC1.** ensure vendor classification as per the organizational standards
- PC2.** conduct audits for the vendors, as required
- PC3.** maintain and report vendor food safety performance report/metrics
- PC4.** follow through vendor/product complaints to closure
- PC5.** mentor the vendors for continual improvement in their audit scores/performance

Monitor departmental processes

To be competent, the user/individual on the job must be able to:

- PC6.** monitor the performance of quality control systems in all departments of the restaurant/hotel to ensure effectiveness and efficiency
- PC7.** produce reports regarding non-conformance of processes, quality of daily operations, root cause analysis, or quality trends for all the processes carried out in a restaurant/hotel
- PC8.** verify that raw materials and finished food items meet established quality standards
- PC9.** direct testing and inspection activities throughout all departments like kitchen, F&B services, Housekeeping, etc.
- PC10.** ensure that all departmental procedures adhere to quality standards
- PC11.** inspect all the areas of the facility like kitchen, service counter, guest service area, store, etc. to ensure compliance of all the set standards
- PC12.** undertake the facility/internal audit as per set schedule
- PC13.** ensure there is no contamination of food at any level of food handling within the organization
- PC14.** check the quantitative parameters of food quality assessment as per national and international quality standards
- PC15.** collect and analyze the food samples to evaluate the quality
- PC16.** analyze the quality control test results and provide feedback to the staff
- PC17.** test the nutritional value for each product prepared in the organization as per the standards
- PC18.** monitor the inventory management for effective management of the stock as per set parameters

Qualification Pack

- PC19.** inspect the material safety, housekeeping, and hygiene to ensure safe working conditions in the restaurant/hotel
- PC20.** make sure personal hygiene, equipment maintenance, water supply, and waste disposal are as per defined standards
- PC21.** ensure guest service standards are met at all times

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** organizational SOPs and quality manuals
- KU2.** process auditing techniques
- KU3.** methods and techniques of quality management
- KU4.** steps in quality auditing
- KU5.** quality control process
- KU6.** procedure to establish quality control processes
- KU7.** tools and techniques in quality planning and assurance
- KU8.** quality monitoring and process adjustment procedures
- KU9.** various departments in a restaurant and their standard procedures
- KU10.** techniques for effective facility inspections
- KU11.** food quality assessment process
- KU12.** food quality control procedures

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** write reports for the audits, nonconformance of processes, quality of daily operations, root cause analysis, or quality trends
- GS2.** communicate effectively with vendors and staff
- GS3.** plan and organize the processes to ensure quality

THC/N5901: Manage staff, cost, and business promotion

Description

This OS unit is about managing the staff, monitoring the department's expense and budget, assisting the management in business promotion, and managing the customers.

Scope

The scope covers the following :

- Manage staff
- Monitor expense and budget
- Assist in business promotion and managing customers

Elements and Performance Criteria

Manage staff

To be competent, the user/individual on the job must be able to:

- PC1.** monitor staff levels in the department and assist the HR in the recruitment of staff, if required
- PC2.** ensure payroll costs are managed at all times
- PC3.** maintain accurate information concerning all staff records
- PC4.** ensure effective induction programs are conducted for new staff
- PC5.** monitor performances and absenteeism within the department
- PC6.** identify the training needs of the catering department in line with current legislation, current service requirements and future departmental development
- PC7.** arrange and monitor the training and development of the catering staff
- PC8.** maintain staff discipline and take disciplinary action as per the organizational disciplinary policy, if necessary
- PC9.** review current work schedules of the staff and make recommendations for change to ensure maximum productivity
- PC10.** handle conflicts among the staff members

Monitor expense and budget

To be competent, the user/individual on the job must be able to:

- PC11.** assist the manager in developing budget and financial plan for the catering department
- PC12.** monitor, review and make recommendations regarding all aspects of purchasing to ensure value for money
- PC13.** ensure that purchasing is carried out efficiently, effectively and as per agreement
- PC14.** control and monitor any cash collection point within the catering department
- PC15.** ensure accurate financial records, stock sheet, and other financial details are maintained at all times
- PC16.** monitor department expenses and make amendments where necessary

Assist in business promotion and managing customers

Qualification Pack

To be competent, the user/individual on the job must be able to:

- PC17.** search business opportunities to obtain new orders
- PC18.** develop a positive working relationship with existing clients for repeat business
- PC19.** assist in developing a marketing plan to promote catering operations to individuals and organizations
- PC20.** respond to customer inquiries in an accurate and timely manner
- PC21.** prepare comprehensive catering order form according to customer's requirements and interests

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** procedure to prepare work schedules
- KU2.** ways to delegate tasks to the team members
- KU3.** effective ways to debrief the team
- KU4.** methods to monitor staffing levels
- KU5.** how to conduct team meetings, orientations, and training

THC/N5902: Direct catering operations

Description

This OS unit is about planning and executing catering operations and events.

Scope

The scope covers the following :

- Plan catering events
- Manage catering operations

Elements and Performance Criteria

Plan catering events

To be competent, the user/individual on the job must be able to:

- PC1.** obtain customer requirements like number of guests, event dates, etc., for the event
- PC2.** plan food and beverage menu considering customers' preferences and special requests
- PC3.** determine the ingredient requirement as per the menu
- PC4.** manage stock and place orders as needed
- PC5.** arrange food tasting with potential customers
- PC6.** deal with customer queries and complaints and compile reports as required
- PC7.** manage the layout, design, equipping, and maintenance of catering areas

Manage catering operations

To be competent, the user/individual on the job must be able to:

- PC8.** ascertain good quality food production in line with the best practice
- PC9.** ensure maintenance of service standards and implementation of all aspects of HACCP
- PC10.** make sure catering service is prompt, friendly, and efficient, and as per the needs of the customer
- PC11.** establish and maintain the highest standard of hygiene in all sections of the catering department and in the handling of food
- PC12.** determine the quality of foodstuff to be obtained as per the pre-determined procedures
- PC13.** check that the quality of food is as per standards
- PC14.** ensure proper and secure storage of all foodstuff in the kitchen
- PC15.** investigate, report, and correct complaints regarding the catering service

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** procedure to organize catering services
- KU2.** calculation of staff and other requirements for the catering event

Qualification Pack

- KU3.** different types of buffet

THC/N9911: Promote hospitable and courteous behaviour

Description

This NOS is about communicating effectively, maintaining standards of etiquette at workplace, engaging with guests, and achieving customer satisfaction.

Scope

The scope covers the following :

- Promote effective communication among colleagues and between colleagues & guests
- Ensure gender & age-specific services as per the requirements of guests
- Ensure sensitivity towards Persons with Disabilities

Elements and Performance Criteria

Promote effective communication among colleagues and between colleagues & guests

To be competent, the user/individual on the job must be able to:

- PC1.** promote an environment of trust and respect amongst all colleagues
- PC2.** ensure essential information is passed on in a timely manner
- PC3.** ensure the team members maintain etiquette while interacting with each other
- PC4.** create a culture of cooperation, coordination, communication & collaboration with shared goals
- PC5.** promote communication with the guests in a polite and professional manner
- PC6.** ensure that the team understands guests' expectations
- PC7.** ensure that guest dissatisfactions and complaints are addressed effectively
- PC8.** ensure the team explains terms and conditions clearly, seek feedback from the guests, and develop good rapport with them without intruding in their privacy
- PC9.** inform the team about the profiles of expected guests and their needs as applicable
- PC10.** manage any negative feedback from the guests and escalate further if required

Ensure gender & age specific services as per the requirements of guests

To be competent, the user/individual on the job must be able to:

- PC11.** ensure that the quality of facilities and services offered cater to the needs of every individual, be it man, woman, child or elderly people
- PC12.** promote equal treatment to all genders across both the horizontal as well as vertical segregation of roles in the workplace

THC/N9910: Ensure to maintain organisational confidentiality and guest's privacy

Description

This unit is about ensuring that confidentiality of the organisational information and the privacy of the guests is maintained at all times.

Scope

The scope covers the following :

- Ensure organisational confidentiality
- Ensure guests' privacy

Elements and Performance Criteria

Maintain organisational confidentiality

To be competent, the user/individual on the job must be able to:

- PC1.** prevent leak of new plans and designs to competitors
- PC2.** ensure protection of employee information
- PC3.** prevent leak of organisation's policies like pricing strategies, revenue management policies, marketing plans etc.
- PC4.** take immediate and appropriate action in case of any IPR violation
- PC5.** make sure that the subordinates report any infringement observed by anyone in the organisation to the immediate supervisor
- PC6.** protect sensitive data with strong passwords and change passwords on a regular basis
- PC7.** ensure policies around confidential information are followed by all staff members

Maintain guests' privacy

To be competent, the user/individual on the job must be able to:

- PC8.** ensure the team refrains from infringing upon guest's professional deals and plans
- PC9.** make sure guest's personal information and financial data is protected all times
- PC10.** ensure proper disposal of guest's information like booking details, credit card slips etc.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** basics of IPR Laws, Trademark Laws, Patent Laws, etc. in the country, and penalties associated with them
- KU2.** organisation's policies on intellectual property rights and confidential information
- KU3.** organisation's product, service or design patents
- KU4.** how Intellectual property protection is important for competitiveness of an organisation
- KU5.** guidelines for crafting effective SOPs regarding IPR

Qualification Pack

KU6. procedure for disposal of confidential documents

KU7. confidential data protection methods

Generic Skills (GS)

User/individual on the job needs to know how to:

GS1. read and follow IPR and related information documents

GS2. manage communication regarding IPR infringement, prevention, and management

GS3. identify measures that can prevent potential infringements within the team

GS4. evaluate organisation policies and procedures and assess its robustness to prevent IPR infringements

GS5. analyse the impact of IPR infringement on the guests and the organization

THC/N9912: Monitor and Maintain Health, Hygiene and Safety at Workplace

Description

This NOS is about monitoring a hazard-free and safe working environment. It emphasises on maintaining health & hygiene, and adoption of sustainable practices at the workplace.

Scope

The scope covers the following :

- Monitor and maintain safety standards
- Monitor and maintain a healthy workplace
- Manage waste and conserve material at workplace

Elements and Performance Criteria

Ensure personal and workplace hygiene

To be competent, the user/individual on the job must be able to:

- PC1.** ensure that self and team's work area is clean and tidy
- PC2.** ensure washing and sanitizing hands at regular intervals using hand wash & alcohol-based sanitizers by self as well as team members
- PC3.** make sure workplace is cleaned with appropriate cleaning solution and disinfectants as recommended
- PC4.**
 - ascertain cleaning of the crockery and other articles as per established
 - standards
- PC5.** monitor sanitization of all tools, equipment and machine touch-points at regular intervals
- PC6.** ensure that the trashcans are cleared regularly following the cleanliness and maintenance schedule
- PC7.** maintain personal hygiene and ensure the team members do the same
- PC8.** report to the concerned authority in case any co-worker is unwell
- PC9.** report personal health issues related to injury, food, air and infectious disease and avoid going to work if unwell

Maintain safe and secure working environment

To be competent, the user/individual on the job must be able to:

- PC10.** ensure safety procedures are followed while handling materials, tools, acids etc. and lifting or moving equipment and supplies
- PC11.** ensure use of appropriate PPE (gloves, three layered masks, long gown, headwear, glasses, goggles, footwear, etc.) by self and others at all times
- PC12.** make sure first aid procedures are followed appropriately
- PC13.** identify hazards at the workplace and report to the concerned person in time

Follow effective waste management and recycling practices at workplace

To be competent, the user/individual on the job must be able to:

Qualification Pack

- PC14.** identify and segregate recyclable, non-recyclable and hazardous waste at workplace
- PC15.** segregate waste into different coloured dustbins
- PC16.** handle waste as per SOP
- PC17.** recycle waste wherever applicable
- PC18.** dispose of PPEs in a plastic bag, sealed and labelled as infectious waste

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** the process of developing workplace safety procedures
- KU2.** HACCP (Hazard Analysis and Critical Control Points) and ISO 22000 (International Organization for Standardization) frameworks
- KU3.** FSSAI's (Food Safety and Standards Authority of India) work practices
- KU4.** purpose and correct usage of protective gears such as gloves, protective goggles, masks, etc. while working
- KU5.** impact of accidental risks and productivity loss
- KU6.** methods to minimize accidental risks
- KU7.** process to design restaurant seat layout/plan
- KU8.** emergency procedures to be followed in case of a mishap such as fire accidents, etc.
- KU9.** usage of firefighting equipment
- KU10.** safe waste-disposal methods
- KU11.** established health and hygiene procedures at workplace
- KU12.** nationally & internationally accepted signages related to hygiene and health

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** take effective decisions during emergency situations
- GS2.** identify potential hazards and take corrective actions
- GS3.** communicate to co-workers about the precautions to be taken for accident free work
- GS4.** lead during crisis

To be competent, the user/individual on the job must be able to:

- PC4.** recognize the significance of constitutional values, including civic rights and duties, citizenship, responsibility towards society etc. and personal values and ethics such as honesty, integrity, caring and respecting others, etc.
- PC5.** follow environmentally sustainable practices

Becoming a Professional in the 21st Century

To be competent, the user/individual on the job must be able to:

- PC6.** recognize the significance of 21st Century Skills for employment

Qualification Pack

- PC7.** practice the 21st Century Skills such as Self-Awareness, Behaviour Skills, time management, critical and adaptive thinking, problem-solving, creative thinking, social and cultural awareness, emotional awareness, learning to learn for continuous learning etc. in personal and professional life
- PC8.** adopt a continuous learning mindset for personal and professional development

Basic English Skills

To be competent, the user/individual on the job must be able to:

- PC9.** use basic English for everyday conversation in different contexts, in person and over the telephone
- PC10.** read and understand routine information, notes, instructions, mails, letters etc. written in English
- PC11.** write short messages, notes, letters, e-mails etc. in English

Career Development & Goal Setting

To be competent, the user/individual on the job must be able to:

- PC12.** identify career goals based on the skills, interests, knowledge, and personal attributes
- PC13.** prepare a career development plan with short- and long-term goals

Communication Skills

To be competent, the user/individual on the job must be able to:

- PC14.** follow verbal and non-verbal communication etiquette while communicating in professional and public settings
- PC15.** use active listening techniques for effective communication
- PC16.** communicate in writing using appropriate style and format based on formal or informal requirements
- PC17.** work collaboratively with others in a team

Diversity & Inclusion

To be competent, the user/individual on the job must be able to:

- PC18.** communicate and behave appropriately with all genders and PwD
- PC19.** escalate any issues related to sexual harassment at workplace according to POSH Act

Financial and Legal Literacy

To be competent, the user/individual on the job must be able to:

- PC20.** identify and select reliable institutions for various financial products and services such as bank account, debit and credit cards, loans, insurance etc.
- PC21.** carry out offline and online financial transactions, safely and securely, using various methods and check the entries in the passbook
- PC22.** identify common components of salary and compute income, expenses, taxes, investments etc
- PC23.** identify relevant rights and laws and use legal aids to fight against legal exploitation

Essential Digital Skills

To be competent, the user/individual on the job must be able to:

- PC24.** operate digital devices and use their features and applications securely and safely
- PC25.** carry out basic internet operations by connecting to the internet safely and securely, using the mobile data or other available networks through Bluetooth, Wi-Fi, etc.
- PC26.** display responsible online behaviour while using various social media platforms

Qualification Pack

- PC27.** create a personal email account, send and process received messages as per requirement
- PC28.** carry out basic procedures in documents, spreadsheets and presentations using respective and appropriate applications
- PC29.** utilize virtual collaboration tools to work effectively

Entrepreneurship

To be competent, the user/individual on the job must be able to:

- PC30.** identify different types of Entrepreneurship and Enterprises and assess opportunities for potential business through research
- PC31.** develop a business plan and a work model, considering the 4Ps of Marketing Product, Price, Place and Promotion
- PC32.** identify sources of funding, anticipate, and mitigate any financial/ legal hurdles for the potential business opportunity

Customer Service

To be competent, the user/individual on the job must be able to:

- PC33.** identify different types of customers and ways to communicate with them
- PC34.** identify and respond to customer requests and needs in a professional manner
- PC35.** use appropriate tools to collect customer feedback
- PC36.** follow appropriate hygiene and grooming standards

Getting ready for apprenticeship & Jobs

To be competent, the user/individual on the job must be able to:

- PC37.** create a professional Curriculum vitae (Résumé)
- PC38.** search for suitable jobs using reliable offline and online sources such as Employment exchange, recruitment agencies, newspapers etc. and job portals, respectively
- PC39.** apply to identified job openings using offline /online methods as per requirement
- PC40.** answer questions politely, with clarity and confidence, during recruitment and selection
- PC41.** identify apprenticeship opportunities and register for it as per guidelines and requirements

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** need for employability skills and different learning and employability related portals
- KU2.** various constitutional and personal values
- KU3.** different environmentally sustainable practices and their importance
- KU4.** Twenty first (21st) century skills and their importance
- KU5.** how to use English language for effective verbal (face to face and telephonic) and written communication in formal and informal set up
- KU6.** importance of career development and setting long- and short-term goals
- KU7.** about effective communication
- KU8.** POSH Act
- KU9.** Gender sensitivity and inclusivity
- KU10.** different types of financial institutes, products, and services

Qualification Pack

- KU11.** components of salary and how to compute income and expenditure
- KU12.** importance of maintaining safety and security in offline and online financial transactions
- KU13.** different legal rights and laws
- KU14.** different types of digital devices and the procedure to operate them safely and securely
- KU15.** how to create and operate an e- mail account
- KU16.** use applications such as word processors, spreadsheets etc.
- KU17.** how to identify business opportunities
- KU18.** types and needs of customers
- KU19.** how to apply for a job and prepare for an interview
- KU20.** apprenticeship scheme and the process of registering on apprenticeship portal

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** read and write different types of documents/instructions/correspondence in English and other languages
- GS2.** communicate effectively using appropriate language in formal and informal settings
- GS3.** behave politely and appropriately with all to maintain effective work relationship
- GS4.** how to work in a virtual mode, using various technological platforms
- GS5.** perform calculations efficiently
- GS6.** solve problems effectively
- GS7.** pay attention to details
- GS8.** manage time efficiently
- GS9.** maintain hygiene and sanitization to avoid infection

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down the proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on the knowledge bank of questions created by the SSC.
3. Assessment will be conducted for all compulsory NOS, and where applicable, on the selected elective/option NOS/set of NOS.
4. Individual assessment agencies will create unique question papers for the theory part for each candidate at each examination/training center (as per assessment criteria below).
5. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/ training center based on these criteria.
6. To pass the Qualification Pack assessment, every trainee should score a minimum of 70% of % aggregate marks to successfully clear the assessment.

Qualification Pack

7. In case of unsuccessful completion, the trainee may seek reassessment on the Qualification Pack.

Minimum Aggregate Passing % at QP Level : 70

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
