THC/N0462: Foundation Course in Food Production - I

Description

The Foundation Course in Food Production - I is to introduce learners to basic culinary skills, kitchen operations, ingredient usage, and food preparation techniques, emphasizing hygiene, safety, and foundational knowledge for professional kitchen environments.

Scope

The scope covers the following :

- The scope of the Foundation Course in Food Production - I includes building fundamental culinary skills, understanding kitchen operations, mastering basic cooking techniques, ensuring hygiene and safety, and preparing learners for entry-level roles in professional kitchens or further specialized training in culinary arts.

Elements and Performance Criteria

Introduction to Professional Cooking

To be competent, the user/individual on the job must be able to:

- PC1.** Explain the history and origin of Modern cooking
- PC2.** Describe the attributes required for kitchen personnel
- PC3.** Explain the importance of personal hygiene
- PC4.** Understand the importance of uniform and protective clothing
- PC5.** Explain the aims and objectives of cooking
- PC6.** Explain different types of cuisines available in the country and across the world

Hierarchy & Layout

To be competent, the user/individual on the job must be able to:

- PC7.** Elaborate the hierarchy of small, medium and large establishments
- PC8.** Discuss the roles and responsibilities of kitchen personnel
- PC9.** Describe Modern-day staffing in hotels
- PC10.** Elaborate on the scope of the tourism and hospitality industry
- PC11.** Elaborate the basic terms used in the kitchen department
- PC12.** Explain coordination with other departments

Kitchen Equipment and Appliances

To be competent, the user/individual on the job must be able to:

- PC13.** Elaborate various appliances, tools and equipment required for preparation for and cooking of different dishes.
- PC14.** Describe the operational and storage procedures of various appliances, tools, equipment, and other sharp objects required for cooking.
- PC15.** Identify different types of Knives and Sharpening Skills
- PC16.** Explain cleaning and maintenance of different types of equipment

Qualification Pack

PC17. Explain different types of fuels along with their advantages and disadvantages

PC18. Identify different types of Equipment

PC19. Use and handle Equipment

Food Preparation Activities

To be competent, the user/individual on the job must be able to:

PC20. Describe various food cooking methods like – Boiling, Poaching, Blanching, Steaming, Stewing, Braising, Roasting, Grilling, Sautéing, Frying, Baking, Microwave Cooking. Infrared cooking, Sous Vide, Air Frying.

PC21. Discuss the units of measurement and culinary terms used for various food products

PC22. Elaborate various methods of mixing and preparing the ingredients (like washing, peeling, etc.) for cooking along with their recipes.

PC23. Describe various food preparation techniques (like marinating, chopping, etc.)

PC24. Apply appropriate practices to check the quality of different types of ingredients used in the recipe

PC25. Demonstrate various cooking methods- Frying, Baking, Grilling, Poaching, Stewing, Braising, Boiling, Steaming Sautéing, Poeling, Searing

PC26. Demonstrate various cooking and presentation methods.

PC27. Demonstrate how to perform basic tasks like mixing ingredients, grinding spices, preparing the dough, wrapping food items, etc.

Vegetable & Fruit Cookery

To be competent, the user/individual on the job must be able to:

PC28. Discuss the Classification of vegetables

PC29. Explain the Pigments and colour changes.

PC30. Explain the effects of heat on vegetables

PC31. Describe cuts of vegetables

PC32. Discuss the Classification of fruits.

PC33. Explain the uses of fruit in cookery

PC34. Discuss the Classification of vegetables

PC35. Demonstrate different types of Cuts of Vegetables

PC36. Demonstrate type of cuts - julienne, jardinière, macedoines, brunoise, payssane, mignonette, dices, cubes, shred, mirepoix.

PC37. Demonstrate Potato Cookery-Fried, Mashed, Roast, Boiled, Sauté, Baked

PC38. Demonstrate preparation of Salads-Simple and Compound, Garden green, Waldorf salad, Russian salad, Coleslaw, Caesar, Nicoise salad

Stocks, Soups and Sauces

To be competent, the user/individual on the job must be able to:

PC39. Discuss various types of Stocks and their classification

PC40. Elaborate Uses of stocks

PC41. Describe the preparation, storage and precautions to be taken for stocks.

PC42. Explain various types of soups and their classification

PC43. Describe the procedure of Making a good soup.

PC44. Describe various types of Mother Sauces and Derivatives of mother sauces

Qualification Pack

- PC45.** Describe Contemporary & Proprietary Sauces
- PC46.** Apply appropriate practices to check the quality of different types of ingredients used in the recipe
- PC47.** Prepare Stocks- White, Brown, Fish & Vegetable
- PC48.** Prepare Mother Sauces- Béchamel, Espagnole, Velouté, Hollandaise, Mayonnaise and Tomato Sauce
- PC49.** Prepare Soups- Consommé, Cold and Broth
- PC50.** Prepare Thick Soups- Puree, Velouté, Cream, Bisque and Chowder

Egg Cookery

To be competent, the user/individual on the job must be able to:

- PC51.** Explain the structure of egg
- PC52.** Explain the selection criteria and how to store eggs
- PC53.** Classify eggs based on size and source
- PC54.** Describe the uses of Eggs
- PC55.** Demonstrate Egg Cookery- Boiled- Soft & Hard, Fried- Bulls Eyes, Over Easy, Continental and Masala Omelet, Scrambled, Encocotte

Kitchen Store

To be competent, the user/individual on the job must be able to:

- PC56.** Explain different types of stores
- PC57.** Discuss the units of measurement and culinary terms used for various food products
- PC58.** Elaborate Perishable & Non-perishable ingredients used in the kitchen.
- PC59.** Discuss the parameters to check the quality of ingredients, goods received from vendors.
- PC60.** Explain different types of stores.
- PC61.** Discuss the units of measurement and culinary terms used for various food products.
- PC62.** Discuss the importance of labeling ingredients and finished products
- PC63.** Discuss suitable environment to store unused ingredients/ finished products.
- PC64.** State the correct storage procedure of raw/ finished products.
- PC65.** Sensitize about various kitchen stores and to apply appropriate practices to maintain kitchen inventory.
- PC66.** Employ appropriate techniques to check the quality and quantity of the raw material.
- PC67.** Discuss situation to show the ways of storing /supplies/ the correct location and in a controlled environment
- PC68.** Demonstrate how to label the ingredients and items
- PC69.** Demonstrate how to assist in stock management of the daily/weekly supplies and kitchen condiments bottles, shakers, oil cans, etc.
- PC70.** Apply appropriate practices to recycle and dispose off the expired/spoiled food items
- PC71.** Dramatize how to distribute the supplies to different workstations in the kitchen and replenish the service line
- PC72.** Prepare a sample inventory status report

Introduction to Bakery and Confectionery

To be competent, the user/individual on the job must be able to:

- PC73.** Explain the history of bakery

Qualification Pack

- PC74.** Elaborate various tools and equipment required for preparation, baking, and finishing the pastry/bakery products.
- PC75.** Discuss the units of measurements and bakery terms used for bakery products
- PC76.** Explain different ingredients used in bakery – Wheat (Structure & Composition), Flour (Gluten, Bread Flour, Pastry Flour, All-Purpose Flour), Shortening, Sugar, Leavening Agents (Air, Steam, Chemicals and Yeast). Sweetening Agent, Raising Agents, Milk and Milk Products, Gelling Agents
- PC77.** Explain different steps in bread Making, Methods of Bread Making, Faults and Remedies
- PC78.** Demonstrate various cooking methods- Frying, Baking, Grilling, Poaching, Stewing, Braising, Boiling, Steaming Sautéing, Poeling, Searing

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** The evolution of modern cooking techniques and their historical roots.
- KU2.** Key attributes like teamwork, attention to detail, and creativity for kitchen personnel.
- KU3.** Importance of maintaining personal hygiene to ensure food safety.
- KU4.** Role of proper uniform and protective clothing in the kitchen
- KU5.** Objectives of cooking, including enhancing taste and preserving nutrition
- KU6.** Overview of global and regional cuisines and their unique characteristics.
- KU7.** Structure and hierarchy in small, medium, and large kitchen establishments
- KU8.** Roles and responsibilities of key kitchen personnel in operations.
- KU9.** Importance of coordination between kitchen and service departments.
- KU10.** Identification and usage of essential kitchen tools and appliances.
- KU11.** Operational and storage practices for kitchen equipment and tools.
- KU12.** Maintenance practices for kitchen appliances to ensure longevity.
- KU13.** Advantages and disadvantages of fuels like LPG, electricity, and charcoal.
- KU14.** Cooking methods like frying, boiling, and their effects on food quality.
- KU15.** Units of measurement and culinary terms for ingredient precision.
- KU16.** Techniques for ingredient preparation, such as chopping and peeling
- KU17.** Methods like marinating and seasoning for flavor enhancement.
- KU18.** Demonstration of core cooking methods like frying and baking and basic tasks like dough preparation and grinding spices efficiently.
- KU19.** Classification of vegetables and their culinary uses.
- KU20.** Impact of heat on vegetable texture and nutritional value.
- KU21.** Various vegetable cuts and their applications in recipes, and precision cuts like julienne and mirepoix
- KU22.** Importance of fruits in cooking as garnishes or flavor enhancers
- KU23.** Techniques for potato cooking, including frying and roasting.
- KU24.** Types of stocks and their role in foundational recipes.
- KU25.** Preparation and storage practices for stocks and hygiene standards.

Qualification Pack

- KU26.** Classification of soups and techniques for consistency.
- KU27.** Understanding mother sauces and their derivative applications

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Communicate effectively to convey and understand instructions clearly.
- GS2.** Manage tasks efficiently to meet food preparation deadlines
- GS3.** Ensure accuracy in measurements, cuts, and presentation.
- GS4.** Collaborate effectively with team members and other departments
- GS5.** Address challenges like equipment malfunctions or ingredient shortages.
- GS6.** Adjust to menu changes, work conditions, or customer preferences
- GS7.** Handle multiple tasks without compromising quality or safety.
- GS8.** Calculate ingredient quantities, measurements, and costs accurately.
- GS9.** Maintain hygiene and safety protocols in the kitchen.
- GS10.** Evaluate processes and methods to improve efficiency and innovation.
- GS11.** Understand and respect diverse cuisines and culinary practices.

THC/N0345: Foundation Course in Food & Beverage Service Operations - I

Description

The Foundation Course in Food & Beverage Service I introduces learners to the basics of food and beverage operations, covering service etiquette, types of service styles, menu knowledge, guest handling, and the fundamentals of workplace hygiene and safety.

Scope

The scope covers the following :

- The scope of the Foundation Course in Food & Beverage Service I includes equipping learners with essential skills and knowledge to perform entry-level roles in food and beverage operations,
- Ensuring quality service,
- Customer satisfaction, and
- Adherence to industry standards in various hospitality settings.

Elements and Performance Criteria

Introduction to the Food & Beverage Service Industry

To be competent, the user/individual on the job must be able to:

- PC1.** Elaborate on the introduction to the F & B Service industry.
- PC2.** Explain the Growth of Indian Hotels and Restaurants.
- PC3.** Elaborate on the hierarchy of Hotel/Restaurants of small, medium, and large establishments.
- PC4.** Classify various Catering Operations and Establishments
- PC5.** Elaborate on the scope for Food & Beverage Service personnel.
- PC6.** Describe the attributes required for Food and Beverage Service personnel.
- PC7.** Explain basic terminology used in Food and Beverage Services.
- PC8.** Explain the coordination of Food and Beverage with other departments
- PC9.** Demonstrate Restaurant Etiquettes
- PC10.** Demonstrate basic technical skills, interpersonal skills, taking booking, preparation of service, the order of service.

Ancillary Services

To be competent, the user/individual on the job must be able to:

- PC11.** Explain different types of Ancillary sections.
- PC12.** Discuss Still room functions, Equipment & its control.
- PC13.** Discuss Hotplate, its operations & Hotplate Terminology.
- PC14.** Discuss the Pantry and its function.
- PC15.** Discuss Linen store
- PC16.** Identify restaurant equipment
- PC17.** Carry out a Salver or Tray, Carrying Plates, Glasses and Other Equipment
- PC18.** Differentiate between Mise-en-Place, Mise-en-Scene

Qualification Pack

PC19. Demonstrate handling service gear, clearing an Ashtray, Crumbing, Clearance and Presentation of Bill

PC20. Demonstrate Silver Service, American Service

Introduction to Menu

To be competent, the user/individual on the job must be able to:

PC21. Explain the origin of the menu.

PC22. Elaborate different types of menus.

PC23. Explain order taking procedure (KOT, BOT etc)

PC24. Describe Menu Planning

PC25. Write a Food KOT and BOT

Table Set Up

To be competent, the user/individual on the job must be able to:

PC26. Discuss different types of table arrangements

PC27. List various types and usages of crockery, cutlery, utensils, glassware, tableware, and service equipment.

PC28. Explain the uses of side stations

PC29. Explain various types of napkin-folding techniques.

PC30. Discuss the importance of proper placement of menu cards on the table.

PC31. Discuss various styles of services used in different types of food & beverage outlets.

PC32. Explain -Waiter service, Self-service, Assisted service etc.

PC33. Explain Rules for Laying Table - Laying Covers As Per Menus

PC34. Demonstrate Table laying - Simple Covers Ala' Carte & Table D' Hote'

PC35. Prepare different types of Napkins folding.

PC36. Demonstrate spreading & changing tablecloth.

PC37. Demonstrate table layout for Lunch/Dinner

PC38. Arrange Sideboard/ Dummy Waiter

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

KU1. Overview of the food and beverage service industry's origin and evolution.

KU2. Growth and impact of Indian hotels and restaurants on the hospitality sector.

KU3. Hierarchical structures in small, medium, and large establishments.

KU4. Classification of catering operations and establishments

KU5. Opportunities and roles available for food and beverage service personnel.

KU6. Key attributes required for personnel, such as communication and customer service.

KU7. Basic terminology used in food and beverage services

KU8. Importance of inter-departmental coordination in food and beverage operations.

KU9. Restaurant etiquette and guest interaction protocols.

KU10. Technical skills like order-taking, preparation, and service techniques

Qualification Pack

- KU11.** Functions and importance of ancillary sections like the pantry and still room, linen store management and inventory control.
- KU12.** Identification and usage of restaurant equipment like hotplates, salvers and trays.
- KU13.** Differences between mise en place and mise en scene, procedures for handling service gear, clearing, and crumbing
- KU14.** Service styles like waiter service, self-service, and assisted service, Silver service and American service techniques in real-world scenarios.

THC/N0153: Foundation Course in Accommodation Operations - I

Description

The Foundation Course in Accommodation Operations I introduces learners to the fundamental concepts and practical skills required for housekeeping and front office operations, emphasizing cleanliness, organization, guest services, and operational efficiency in hospitality establishments.

Scope

The scope covers the following :

- The scope of the Foundation Course in Accommodation Operations I includes
- Understanding the basics of housekeeping and front office operations,
- Maintaining hygiene and cleanliness standards,
- Managing guest services efficiently,
- Handling tools and equipment and
- Developing skills for effective communication and problem-solving in hospitality settings.

Elements and Performance Criteria

Introduction To Hospitality Industry

To be competent, the user/individual on the job must be able to:

- PC1.** Explain the evolution and growth of hotel industry and tourism industry.
- PC2.** Explain famous hotels worldwide
- PC3.** Elaborate classification on hotel on the basis of: Size, Star Classification, Clientele, Location, Ownership, Independent, Management Contract, Chains & Franchise/ Affiliated, Resorts & Time Share, Bed & Breakfast, Boutique Hotel, Pod Hotels, Ecotels
- PC4.** Elaborate the hierarchy of small, medium and large establishments.
- PC5.** Discuss various service departments in the hotel, like Food & Beverage, Housekeeping, etc.
- PC6.** Elaborate the basic terminology used in the hospitality parlance.
- PC7.** Elaborate the job opportunities in the Tourism and Hospitality Industry in accommodation operations.
- PC8.** Explain essential attributes of a Front Office and Housekeeping Professional
- PC9.** Explain the Role and Responsibilities of Accommodation Department

Introduction to Accommodations- Front Office and Housekeeping

To be competent, the user/individual on the job must be able to:

- PC10.** Elaborate on the functions of the front office and housekeeping department.
- PC11.** Discuss the importance of timely reporting for the duty.
- PC12.** Draw the layout of the front office and housekeeping department.
- PC13.** Discuss the importance of wearing a designated uniform.
- PC14.** Explain inter and intra departmental coordination
- PC15.** Demonstrate Basic Manners, Attributes and Grooming Standards Required for accommodation operations.

Qualification Pack

Prepare for Guests' Arrival

To be competent, the user/individual on the job must be able to:

- PC16.** Describe various types of rooms, facilities, tariffs (like BAR, Corporate, Contracted, Group, etc.), and meal plans applicable in the Hotel Industry.
- PC17.** Explain different types of room rates
- PC18.** Elaborate different types of meal plans applicable to hotel
- PC19.** Discuss various types of guests, such as business, leisure, etc.
- PC20.** Discuss the flow of guests in peak/lean season in the hotels.
- PC21.** Explain the significance of cross-checking occupancy status, room allocation status, arrival and departure timing, guest confirmation, VIP in-house, and events.
- PC22.** Elaborate various tools and office equipment, such as photocopier, printer, card swiping machine, etc. required at the workstation along with their functions.
- PC23.** Describe the different vouchers used in the front office (like Petty cash, Visitor's Paid out, etc.)
- PC24.** Explain the importance of taking care of special guest requirements, travel arrangements, and special welcome for VIPs.
- PC25.** Explain different types of keys and the procedure to collect them.
- PC26.** Identify Equipment & Stationery used in front office and housekeeping.

Role of Housekeeping in Hospitality Operations

To be competent, the user/individual on the job must be able to:

- PC27.** Explain Scope and Significance of Housekeeping in Hospitality Industry
- PC28.** Elaborate on Housekeeping Department-Working towards Customer Delight,
- PC29.** Describe Housekeeping for Different Institutions- Airlines, Hospitals, Hostels and Corporate, Other Opportunities for Housekeepers

Housekeeping Control Desk

To be competent, the user/individual on the job must be able to:

- PC30.** Elaborate the role of housekeeping control desk.
- PC31.** Explain Forms, formats, Records and Registers maintained at control desk.
- PC32.** Explain Lost and Found Procedure.
- PC33.** Discuss the importance of paying attention to collect the details about the guest room status/event before cleaning.
- PC34.** Explain Different Types of Calls, Screening Practice
- PC35.** Demonstrate Telephone Etiquettes and Telephone Handling
- PC36.** Explain Guest Room Supplies and demonstrate their Position in Standard Room, Suite Room, VIP and Single Lady Travelers' Room, Special amenities.
- PC37.** Draw Layout of housekeeping pantry
- PC38.** Demonstrate Maids' Trolley Setup, Contents with Placement

Cleaning Science

To be competent, the user/individual on the job must be able to:

- PC39.** Categorize the types of linen used in housekeeping activities.
- PC40.** List different types of cleaning agents and equipment.

Qualification Pack

- PC41.** Discuss the significance of using Personal Protective Equipment during the cleaning activities.
- PC42.** Explain different Methods of Cleaning (Manual and Mechanical),
- PC43.** Describe Frequency of Cleaning- Daily, Periodical and Special.
- PC44.** Identify Cleaning Equipment's- Manual and Mechanical
- PC45.** Identify cleaning agents
- PC46.** Name various cleaning agents brand names.
- PC47.** Demonstrate the procedures for cleaning different areas/surfaces

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Evolution and growth of the hotel and tourism industry.
- KU2.** Recognition of famous hotels worldwide and their unique features.
- KU3.** Classification of hotels based on size, star rating, clientele, location, and ownership
- KU4.** Differences between independent, management contract, chains, franchise, and affiliated hotels.

THC/N9917: Computer Skills for Hotel Professionals

Description

This NOS helps develop proficiency in using computer applications and hotel management software to efficiently handle reservations, billing, guest records, and other operational tasks in the hospitality industry.

Scope

The scope covers the following :

- The use of hotel management software, reservation systems, billing, inventory management, and guest record maintenance to ensure smooth operations.
- Digital communication, data security, and proficiency in office applications to enhance efficiency in administrative and customer service tasks.

Elements and Performance Criteria

Elements of Computer System

To be competent, the user/individual on the job must be able to:

PC1. Describe the meaning of computer.

PC2. Discuss Classification of Computers

PC3. Explain Functions of Computer

Hardware Features and Its Uses

To be competent, the user/individual on the job must be able to:

PC4. Describe the Physical components of a computer.

PC5. Discuss different generations of computers.

PC6. Describe various Storage Types

PC7. Explain Input & Output Devices

Microsoft Office

To be competent, the user/individual on the job must be able to:

PC8. Explain Introduction to word processing, its features, formatting documents, paragraph formatting, indents, page formatting, header and footer, bullets and numbering, tabs, tables, formatting the tables, finding and replacing text, mail merging etc.

PC9. Discuss MS Word document- entering text, saving, editing and printing the document, formatting a document, special effects, shortcut keys, creating tables.

PC10. Discuss MS Excel document- parts of worksheet, creating a spreadsheet, simple formulas, editing data, saving and editing a worksheet, aligning text, making graphs/charts, printing and page adjustments.

PC11. Introduce MS Power point: PowerPoint, features of MS PowerPoint clipping, slide animation, slide shows, formatting etc.

Internet & Email

To be competent, the user/individual on the job must be able to:

Qualification Pack

- PC12.** Explain How to search for a webpage.
- PC13.** Describe how to Create an email account.
- PC14.** Describe Sending/receiving an email.
- PC15.** Describe about Online banking
- PC16.** Explain Cybercrimes and cyber security

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Meaning, classification, and core functions of a computer system.
- KU2.** Understanding of the physical components (hardware) of a computer and their roles.
- KU3.** Overview of computer generations and technological evolution.
- KU4.** Types of storage devices and their specific uses.
- KU5.** Input and output devices, including their functionalities.
- KU6.** Features and formatting capabilities of MS Word, including mail merge.
- KU7.** Basics of MS Excel, including spreadsheet creation, formulas, and charts.
- KU8.** Key features of MS PowerPoint, including animations and slide formatting.
- KU9.** Internet usage for web browsing, searching, and finding information efficiently.
- KU10.** Fundamentals of cybersecurity, including the prevention of cybercrimes.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Efficiently format and edit documents using MS Word.
- GS2.** Create and analyze data in spreadsheets using MS Excel.
- GS3.** Design impactful presentations with MS PowerPoint.
- GS4.** Effectively use the internet for information retrieval.
- GS5.** Manage email communication, including creating and sending professional emails.
- GS6.** Understand awareness and application of online banking securely.
- GS7.** Recognize and mitigate potential cyber threats.

THC/N9918: Employability Skills - I

Description

This unit is about employability skills, Constitutional values, becoming a professional in the 21st Century, English and communication skills, customer service, getting ready for jobs and career development.

Scope

The scope covers the following :

- Introduction to Employability Skills
- Constitutional values - Citizenship
- Becoming a Professional in the 21st Century
- Basic English Skills
- Communication Skills

Elements and Performance Criteria

Introduction to Employability Skills

To be competent, the user/individual on the job must be able to:

- PC1.** Outline the importance of Employability Skills for the current job market and the future of work.
- PC2.** List different learning and employability-related GOI and private portals and their usage
- PC3.** Research and prepare a note on different industries, trends, required skills and available opportunities.

Constitutional values – Citizenship

To be competent, the user/individual on the job must be able to:

- PC4.** Explain the constitutional values, including civic rights and duties, citizenship, responsibility towards society etc. that are required to be followed to become a responsible citizen.
- PC5.** Discuss the role of personal values and ethics such as honesty, integrity, caring and respecting others, etc. in personal and social development.
- PC6.** Identify and practice different environmentally sustainable practices.

Becoming a Professional in the 21st Century

To be competent, the user/individual on the job must be able to:

- PC7.** Discuss relevant 21st-century skills required for employment.
- PC8.** Highlight the importance of practicing 21st-century skills like Self-Awareness, Behavior Skills, time management, critical and adaptive thinking, problem-solving, creative thinking, social and cultural awareness, emotional awareness, learning to learn etc. in personal or professional life.
- PC9.** Create a pathway for adopting a continuous learning mindset for personal and professional development.

Basic English Skills

To be competent, the user/individual on the job must be able to:

- PC10.** Use appropriate grammar and sentences while interacting with others.

Qualification Pack

- PC11.** Read English text with appropriate articulation.
- PC12.** Discuss a situation on how to talk appropriately to a customer in English, over the phone or in person.
- PC13.** Write a brief note/paragraph / letter/e -mail using correct English.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Need for employability skills and different learning and employability related portals
- KU2.** Various constitutional and personal values
- KU3.** Different environmentally sustainable practices and their importance
- KU4.** Twenty first century skills and their importance
- KU5.** How to use English language for effective verbal (face to face and telephonic) and written communication in formal and informal set up

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Effectively communicate in formal, informal, and telephonic setups.
- GS2.** Adapt for 21st-century skills.
- GS3.** Proficient use of employability and learning portals.
- GS4.** Promote eco-friendly and sustainable practices.

THC/N0463: Foundation Course in Food Production - II

Description

The Foundation Course in Food Production - II is to introduce learners to basic culinary skills, kitchen operations, ingredient usage, and food preparation techniques, emphasizing hygiene, safety, and foundational knowledge for professional kitchen environments.

Scope

The scope covers the following :

- Building fundamental culinary skills,
- Understanding kitchen operations,
- Mastering basic cooking techniques,
- Ensuring hygiene and safety,
- Preparing learners for entry-level roles in professional kitchens or further specialized training in culinary arts.

Elements and Performance Criteria

Introduction to Indian Cuisines

To be competent, the user/individual on the job must be able to:

- PC1.** Elaborate History of Indian Cuisine
- PC2.** Explain the Influence of Foreign & Religion
- PC3.** Explain the Features and Characteristics of Indian Cuisine – Regional Nature, Geography, Heritage
- PC4.** Explain Indian Masala – Types, Blends & Usage
- PC5.** Describe different Cooking Methods and Techniques
- PC6.** Prepare the dough for Indian breads.
- PC7.** Demonstrate how to prepare various kinds of Indian breads
- PC8.** Demonstrate 10 Menus based on Indian Starters (Kebabs)

Meat Cookery

To be competent, the user/individual on the job must be able to:

- PC9.** Explain meat cookery.
- PC10.** Explain the variety of meat cuts.

Fish Cookery

To be competent, the user/individual on the job must be able to:

- PC11.** Describe the Classification of fish with examples.
- PC12.** Explain Cuts of fish with menu examples
- PC13.** Describe Cooking of fish (effects of heat)
- PC14.** Practice Cuts in chicken/fish
- PC15.** Demonstrate fish preparations – orly, Colbert, fried in batter, fish cakes, fish Florentine

Gravies

Qualification Pack

To be competent, the user/individual on the job must be able to:

PC16. Classify different types of gravies, Derivatives and Regional Gravies

PC17. Explain the Guidelines for Gravy Preparation.

PC18. Explain the Difference between Sauce and gravy

Tandoor Cookery

To be competent, the user/individual on the job must be able to:

PC19. Explain the History of Tandoor.

PC20. Describe Manufacturing, Installation and Safety Guidelines

PC21. Explain different Methods of making Tandoor.

PC22. Describe the installation/preparation of the Tandoor.

PC23. Elaborate Equipment required for Tandoori cooking.

PC24. Elaborate precautions to be taken while lighting up the fire inside the tandoor.

PC25. Describe the techniques for controlling the temperature of a tandoor.

PC26. Employ appropriate techniques to prepare tandoor.

PC27. Describe the characteristics and types of tandoors.

PC28. Explain different types of fuel used in tandoors.

PC29. Explain the use and types of marinade used in roasted food products.

PC30. Explain the use of Accompaniments for Tandoori dishes.

PC31. Elaborate Variety of vegetable and meat cuts required.

PC32. Explain the different working temperatures for tandoor products.

PC33. Describe and prepare different recipes to prepare in tandoor.

PC34. Describe and prepare different Recipes for the accompaniments.

PC35. Show how to marinate vegetables/cheese/paneer/meats to roast in the tandoor.

PC36. Demonstrate the techniques to use skewers in tandoor

Indian Sweets

To be competent, the user/individual on the job must be able to:

PC37. Explain History & Classification of Indian Sweets.

PC38. Describe different Ingredients and Equipment's used in preparation of Indian sweets.

PC39. List out the Festive and Regional Delicacies

Regional Cuisine – North (Punjab, Jammu & Kashmir, Rajasthan & Awadh)

To be competent, the user/individual on the job must be able to:

PC40. Explain Geographical Location, History & Staple Food

PC41. Explain Seasonal Availability of Ingredients

PC42. Elaborate Special Equipment's required to cook north Indian cuisine.

PC43. List Festive Delicacies

PC44. Discuss Regional Cuisine: North and South Indian Regional Cuisine as regarding ingredients used, traditional preparation methods, utensils and accompaniments.

PC45. • Prepare 4 course Menu:

- a. Punjab
- b. Kashmir
- c. Rajasthan

Qualification Pack

Regional Cuisine – South (Andhra Pradesh, Tamil Nadu, Kerala, Karnataka)

To be competent, the user/individual on the job must be able to:

- PC46.** Explain Geographical Location, History & Staple Food
- PC47.** Explain Seasonal Availability of Ingredients.
- PC48.** Elaborate Special Equipment's required to cook South Indian cuisine.
- PC49.** List Festive Delicacies
- PC50.** Discuss Regional Cuisine: North and South Indian Regional Cuisine as regarding ingredients used, traditional preparation methods, utensils and accompaniments.
- PC51.** • Prepare 4 course Menu:
 - a. Andhra Pradesh
 - b. Karnataka
 - c. Tamil Nadu

Regional Cuisine – West (Maharashtra, Gujarat, Goa)

To be competent, the user/individual on the job must be able to:

- PC52.** Explain Geographical Location, History & Staple Food
- PC53.** Explain Seasonal Availability of Ingredients.
- PC54.** Elaborate Special Equipment's required to cook West Indian cuisine.
- PC55.** List Festive Delicacies
- PC56.** Discuss Regional Cuisine: North and South Indian Regional Cuisine as regarding ingredients used, traditional preparation methods, utensils and accompaniments.
- PC57.** • Prepare 4 course Menu:
 - a. Goa
 - b. Gujarat

Regional Cuisine – East (Bengal, Bihar, Odisha, Northeast)

To be competent, the user/individual on the job must be able to:

- PC58.** Explain Geographical Location, History & Staple Food
- PC59.** Explain Seasonal Availability of Ingredients.
- PC60.** Elaborate Special Equipment's required to cook East India cuisine.
- PC61.** List Festive Delicacies
- PC62.** Discuss Regional Cuisine: North and South Indian Regional Cuisine as regarding ingredients used, traditional preparation methods, utensils and accompaniments.
- PC63.** • Prepare 4 course Menu:
 - a. Bengal
 - b. Assam

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** History and evolution of Indian cuisine and regional diversity.
- KU2.** Influence of foreign cultures and religions on Indian food traditions.
- KU3.** Types and blends of Indian masalas and their applications.
- KU4.** Traditional Indian cooking methods and techniques.

Qualification Pack

- KU5.** Dough preparation and cooking techniques for Indian breads.
- KU6.** Fundamentals of meat cookery and cuts.
- KU7.** Fish classification, cuts, and effects of heat on fish.
- KU8.** Preparation techniques for fish dishes, including regional examples.
- KU9.** Types and derivatives of gravies in Indian cooking.
- KU10.** History, manufacturing, and safety guidelines of the tandoor. Techniques for tandoor setup, lighting, and temperature control.
- KU11.** Accompaniments and marinades used in tandoori dishes.
- KU12.** Techniques for skewering and marinating food for tandoor cooking.
- KU13.** History, classification, and regional significance, Ingredients, equipment, and techniques for preparing Indian sweets.
- KU14.** Overview of festive and regional delicacies across India.
- KU15.** North Indian cuisine : geographical influences, staple foods, and traditions.
- KU16.** Seasonal ingredients and special equipment for North Indian dishes.
- KU17.** Regional and festive dishes from Punjab, Kashmir, and Rajasthan.
- KU18.** South Indian cuisine : geographical influences, staple foods, and traditions.
- KU19.** Seasonal ingredients and special equipment for South Indian dishes.
- KU20.** Regional and festive dishes from Andhra Pradesh, Karnataka, and Tamil Nadu.
- KU21.** Western Indian cuisine : geographical influences, staple foods, and traditions.
- KU22.** Seasonal ingredients and special equipment for Western Indian dishes.
- KU23.** Regional and festive dishes from Goa and Gujarat.
- KU24.** Eastern Indian cuisine : geographical influences, staple foods, and traditions.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Demonstrate precision in preparing Indian breads and starters.
- GS2.** Apply efficient techniques for cutting and cooking fish and meats.
- GS3.** Exhibit skillful preparation of gravies and sauces.
- GS4.** Operate and manage tandoors safely and effectively.
- GS5.** Ensure consistent application of regional cooking methods and recipes.
- GS6.** Display creativity in preparing tandoori dishes and accompaniments.
- GS7.** Maintain high standards in presenting Indian sweets and desserts.
- GS8.** Collaborate on preparing multi-course menus across regional cuisines.
- GS9.** Adapt cooking techniques to seasonal ingredient availability.
- GS10.** Apply cultural understanding to enhance traditional cooking practices.
- GS11.** Showcase flexibility and problem-solving in regional menu preparations.

THC/N0346: Foundation Course in Food & Beverage Service - II

Description

The Foundation Course in Food & Beverage Service II introduces learners to the basics of food and beverage operations, covering service etiquette, types of service styles, menu knowledge, guest handling, and the fundamentals of workplace hygiene and safety.

Scope

The scope covers the following :

- Equipping learners with essential skills and knowledge to perform entry-level roles in food and beverage operations,
- Ensuring quality service,
- Customer satisfaction,
- Adherence to industry standards in various hospitality settings.

Elements and Performance Criteria

Interpersonal Skills for F & B Professionals

To be competent, the user/individual on the job must be able to:

- PC1.**
- Explain
 - a. Dealing with incidents
 - b. Spillage
 - c. Returned food
 - d. Lost property
 - e. Illness
 - f. Alcohol over consumption
 - g. Recording incidents

Types of Meals

To be competent, the user/individual on the job must be able to:

- PC2.** Explain different types of Meals
- PC3.** Explain breakfast (English, American, Continental, Indian)
- PC4.** Explain Lunch, Brunch, Dinner, Supper, Afternoon Tea, High Tea, Low Tea
- PC5.** Demonstrate layout of breakfast (English, Continental, Indian and American)

F & B Control System

To be competent, the user/individual on the job must be able to:

- PC6.** Explain F & B Sales, necessity and function of control system
- PC7.** Describe F & B control cycle
- PC8.** Explain role of cashier in F & B Controls
- PC9.** List cash handling equipment
- PC10.** Describe Theft Control Procedures : Single K.O.T, Double K. O. T, Triplicate K.O.T & Four Copies K.O.T
- PC11.** Explain Micros in F & B, Its role and importance

Qualification Pack

- PC12.** Demonstrate procedure for service of a meal
- PC13.** Elaborate Order Taking & Recording
- PC14.** Demonstrate Order Processing (passing orders to the kitchen)
- PC15.** Explain sequence of service
- PC16.** Demonstrate presentation & encashing the bill

Non-Alcoholic Beverages

To be competent, the user/individual on the job must be able to:

- PC17.** Classify Non-Alcoholic beverages (Nourishing/ Stimulating / Refreshing)
- PC18.** Explain Tea - origin & manufacture, types of brands, preparation & service
- PC19.** Explain Coffee - origin & manufacture, types of brands, preparation
- PC20.** Explain Nourishing - Cocoa & Malted Beverage - origin & manufacture, types of brands
- PC21.** Describe Refreshing – Juices, Aerated Drinks, Mixers (Tonic/ Lemonade/ Bitter Lemon), Squashes, Syrups, Mineral Water, Sparkling Water/Soda
- PC22.** Demonstrate Non-Alcoholic Beverages, Service of Tea, Coffee, Soft Drinks, Squashes, Mineral Water and Specialty Coffee

Room Service

To be competent, the user/individual on the job must be able to:

- PC23.** Explain Type of Room Service/Centralized/Decentralized/Decentralized Mobile, Room Service Menu
- PC24.** Draw Room Service Hierarchy
- PC25.** Explain Duties of Room Service Order Taker
- PC26.** Describe various forms and formats
- PC27.** Explain trolleys and tray set up
- PC28.** Demonstrate room service tray and trolley setup
- PC29.** Describe service etiquettes

Kitchen Stewarding

To be competent, the user/individual on the job must be able to:

- PC30.** Explain kitchen stewarding & organization structure
- PC31.** Draw layout of kitchen stewarding
- PC32.** Explain Wash Up-Methods Used
- PC33.** Describe different kind of chemical, and dish washing machines
- PC34.** Explain Cleaning Method of Silver/ EPNS, Stainless Steel, Copper, Brass
- PC35.** Demonstrate dish washing technique
- PC36.** Layout activities of pantry

Introduction to Menu

To be competent, the user/individual on the job must be able to:

- PC37.** Describe menu
- PC38.** Explain the history and origin of the menu
- PC39.** Describe the objectives of the menu

Types of Menus

To be competent, the user/individual on the job must be able to:

Qualification Pack

- PC40.** Explain A'la carte menu
- PC41.** Explain Table d' hote menu
- PC42.** Explain the Cyclic menu
- PC43.** Explain Static menu
- PC44.** Explain Carte d' Jour menu
- PC45.** Explain the Children's menu
- PC46.** • Demonstrate various types of menus :
- a. Breakfast menu
 - b. Lunch Menu
 - c. Dinner Menu
 - d. Supper Menu
 - e. Cyclic menu
 - f. A'la carte menu
 - g. Continental menu
 - h. Italian menu
 - i. Indian menu

French Classical Courses

To be competent, the user/individual on the job must be able to:

- PC47.** Describe 11 course menu
- PC48.** Elaborate 13 course menu
- PC49.** Describe 17 course menu
- PC50.** Explain Menu terms

Menu planning

To be competent, the user/individual on the job must be able to:

- PC51.** Describe the Factors affecting menu
- PC52.** Explain Menu designing
- PC53.** Discuss Menu Considerations
- PC54.** Discuss Menu constraints

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Importance of effective incident handling in the service industry.
- KU2.** Procedures for dealing with spillage, illness, and lost property.
- KU3.** Steps to manage alcohol overconsumption and recording incidents.
- KU4.** Types of meals, including breakfast (English, American, Continental, Indian), brunch, lunch, dinner, supper, and teas.
- KU5.** Procedures for breakfast layout for different cuisines.
- KU6.** Functions and necessity of F&B control systems.
- KU7.** F&B control cycle and its importance.
- KU8.** Role of a cashier in F&B controls and theft prevention measures.
- KU9.** Types of cash handling equipment and procedures for handling K.O.Ts (Single, Double, Triplicate, Four Copies).

Qualification Pack

- KU10.** Role of Micros in F&B and its significance.
- KU11.** Service procedure for meals, from order taking to bill presentation.
- KU12.** Classification and preparation of non-alcoholic beverages (tea, coffee, juices, syrups, mineral water).
- KU13.** History, origin, and manufacture of tea, coffee, cocoa, and malted beverages.
- KU14.** Service etiquette and techniques for non-alcoholic beverages.
- KU15.** Types and structures of room service (centralized, decentralized, mobile).
- KU16.** Duties of room service order takers and setup of trays and trolleys.
- KU17.** Importance of service etiquettes in room service delivery.
- KU18.** Kitchen stewarding organizational structure and its functions.
- KU19.** Layout and wash-up methods in kitchen stewarding.
- KU20.** Use of chemicals and dishwashing machines in the kitchen.
- KU21.** Cleaning techniques for silver, stainless steel, copper, and brass.
- KU22.** Pantry layout and dishwashing techniques.
- KU23.** History, origin, and objectives of menus.
- KU24.** Types of menus, including a la carte, table d'hote, cyclic, static, and carte d'jour.
- KU25.** Differences between various menus and their applications in meal planning.
- KU26.** Factors affecting menu planning and design.
- KU27.** French classical courses (11, 13, and 17) and menu terms.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Demonstrate precision in handling incidents and maintaining professionalism.
- GS2.** Effectively manage meal service procedures, including order taking and sequence of service.
- GS3.** Showcase accuracy in breakfast layout and menu setups for different cuisines.
- GS4.** Exhibit skill in preparing and serving non-alcoholic beverages.
- GS5.** Demonstrate room service tray and trolley setup with proper etiquette.
- GS6.** Ensure efficient and hygienic dishwashing and cleaning techniques.
- GS7.** Collaborate on menu design considering constraints and customer needs.
- GS8.** Display creativity in planning and presenting various types of menus.
- GS9.** Adapt service methods to suit the type of meal and customer preferences.
- GS10.** Maintain cultural sensitivity and attention to detail in French classical courses

THC/N0154: Foundation Course in Accommodation Operations - II

Description

The Foundation Course in Accommodation Operations II introduces learners to the fundamental concepts and practical skills required for housekeeping and front office operations, emphasizing cleanliness, organization, guest services, and operational efficiency in hospitality establishments.

Scope

The scope covers the following :

- Understanding the basics of housekeeping and front office operations,
- Maintaining hygiene and cleanliness standards,
- Managing guest services efficiently,
- Handling tools and equipment,
- Developing skills for effective communication and problem-solving in hospitality settings.

Elements and Performance Criteria

Introduction to Guest Cycle

To be competent, the user/individual on the job must be able to:

- PC1.**
- Explain:
 - a. Guest Cycle
 - b. Stages of Guest Cycle -Pre-Arrival, Arrival, Occupancy, Departure, Post Departure

Reservations

To be competent, the user/individual on the job must be able to:

- PC2.** Explain Functions of Reservation, Channels of Reservation
- PC3.**
- Explain different Sources of Reservation:
 - a. FIT
 - b. FFIT
 - c. Group
 - d. Travel Agents
 - e. Airlines
 - f. Corporate
- PC4.** Explain different types of Reservation- Guaranteed Reservations and non-guaranteed Reservations
- PC5.** Explain different types of Reservation Systems- Central Reservation Systems, Global Distribution Systems, Inter-sell Agencies, Property Direct, Reservations through the Internet, Computerized Reservation System, Future Blocks
- PC6.** Describe Reservation Process
- PC7.** Demonstrate the Procedure of Taking Reservations – in Person and on Telephones
- PC8.** Practice standard phrases, manners, Do's & Don'ts

Daily Routine Management

To be competent, the user/individual on the job must be able to:

- PC9.** Explain Guest Floor Etiquettes.

Qualification Pack

- PC10.** Explain the process of Guest Room Cleaning.
- PC11.** Explain the process of Handling VIP Guest Rooms, Long Staying Guests and Handling DND Rooms.
- PC12.** Describe Turndown Service, Second Service and Handling Guest Special Request
- PC13.** Explain the process of Guestroom Inspections
- PC14.** Explain public area cleaning.
- PC15.** Demonstrate Handling Guest Enquiries at Reservation
- PC16.** Demonstrate Guest Room Cleaning: Bed Making, Bedroom Cleaning, Bathroom Cleaning, Turndown Service
- PC17.** Demonstrate Public Area Cleaning- Cleaning of Front Areas and Cleaning of Back of The House
- PC18.** Demonstrate the process of Guest Room Inspection

Stain Removal and Polishing Activities on the Floors and Surfaces

To be competent, the user/individual on the job must be able to:

- PC19.** Elaborate various types of surfaces, and appropriate polishing equipment along with the cleaning agents required for each surface
- PC20.** Explain the importance of inspecting the surface after cleaning and polishing
- PC21.** Describe specific methods to clean the surface according to the types of stains
- PC22.** Discuss the procedures of preparing various cleaning solutions and the importance of mixing appropriate amount of specific chemicals to prepare these solutions.
- PC23.** Elaborate the step-by-step cleaning procedures for different surfaces for both soft and stubborn stains
- PC24.** Identify different warning signs to be used
- PC25.** Describe the manual and mechanical procedure of polishing various surfaces
- PC26.** Explain the importance of using sealant and mopping the area after polishing

Care and Cleaning of Different Surfaces

To be competent, the user/individual on the job must be able to:

- PC27.** Explain the care and cleaning of different surfaces: Metals, Glass, Ceramics, Plastic, Rexene, Wood, Carpet, Upholstery, Wall and Floor Finishes

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Importance and stages of the guest cycle: pre-arrival, arrival, occupancy, departure, and post-departure.
- KU2.** Functions and channels of reservations, including traditional and modern systems.
- KU3.** Sources of reservations: FIT, FFIT, groups, travel agents, airlines, and corporate bookings.
- KU4.** Types of reservations: guaranteed and non-guaranteed.
- KU5.** Reservation systems: central, global distribution, inter-sell agencies, property direct, and computerized systems.
- KU6.** Standard procedures for reservation handling, including phone and in-person methods.
- KU7.** Etiquette and do's & don'ts in guest interaction during reservations.

Qualification Pack

- KU8.** Guestroom cleaning processes: bed making, bathroom cleaning, and turndown service.
- KU9.** Handling VIP guest rooms, long-stay guests, and DND rooms with precision and discretion.
- KU10.** Techniques for public area cleaning, including front and back areas of the house.
- KU11.** Methods for removing stains and polishing surfaces with appropriate equipment and agents.
- KU12.** Care and cleaning of various materials: metals, glass, ceramics, plastic, rexene, wood, carpets, and upholstery.
- KU13.** Importance of sealant application and post-cleaning inspection to maintain surfaces.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Demonstrate effective communication and professionalism during reservations and guest inquiries.
- GS2.** Practice standard phrases for better guest interaction.
- GS3.** Display attention to detail in guestroom and public area cleaning.
- GS4.** Use appropriate techniques for stain removal and polishing on various surfaces.
- GS5.** Handle VIP and long-staying guest requirements with personalized service.
- GS6.** Adapt to guest special requests and resolve inquiries with efficiency.
- GS7.** Ensure safe practices in cleaning, including proper use of chemicals and warning signs.
- GS8.** Collaborate with team members to maintain cleanliness and hygiene standards across all areas.

THC/N2915: Business Communication - II

Description

This NOS focuses on essential communication skills, including conversation, social skills, and telephone etiquette. It emphasizes effective writing (persuasive, request, complaint, and job-related letters) and business communication (email and internet etiquettes). It also focuses on active listening, group discussions, and understanding global political scenarios, acronyms, and the significance of national/international leaders and organizations.

Scope

The scope covers the following :

- Focuses on clear written and verbal communication.
- Covers drafting formal documents, presentations, and professional phone etiquette.

Elements and Performance Criteria

Hospitality Etiquettes and Manners

To be competent, the user/individual on the job must be able to:

- PC1.**
- Demonstrate:
 - a. College Etiquettes
 - b. Conversation Etiquettes
 - c. Social Etiquettes
 - d. Telephone Etiquettes

Writing Skills

To be competent, the user/individual on the job must be able to:

- PC2.** Write different types of letters: persuasive letters, request letters, sales letters, complaints and adjustments, interview letters, promotion letters, resignation letters, job application, leave application.
- PC3.** Explain business etiquette: email and internet etiquettes.

Listening Skills

To be competent, the user/individual on the job must be able to:

- PC4.** Explain Meaning and Significance of Active Listening
- PC5.** Demonstrate Do's and Don'ts of Listening
- PC6.** Explain Guidelines for Effective Listening.

Group Discussion

To be competent, the user/individual on the job must be able to:

- PC7.** Explain Group Discussion
- PC8.** Discuss Do's and Don'ts of GD
- PC9.** Explain useful words & phrases.
- PC10.** Practice on basic GD topics

Current Affairs

To be competent, the user/individual on the job must be able to:

Qualification Pack

- PC11.** • Name:
- a. National & International Ministers and Leaders along with News Makers
 - b. Countries, Capitals and Currencies
 - c. Political Scenario of various Countries
 - d. Acronyms of International and National Organizations (PATA, WTO, UNESCO, IATA etc)

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** College etiquette, including respect for faculty and peers.
- KU2.** Importance of maintaining appropriate conversation etiquette in formal and informal settings.
- KU3.** Awareness of social etiquette in different cultural contexts for effective communication.
- KU4.** Proper usage of telephone etiquette, such as tone, clarity, and professional language.
- KU5.** Importance of writing various types of letters for professional communication.
- KU6.** Basics of business etiquette, focusing on email and internet communication standards.
- KU7.** Concept and significance of active listening in hospitality and professional settings.
- KU8.** Techniques to enhance listening skills and avoid distractions.
- KU9.** Importance of effective listening guidelines for understanding and providing appropriate responses.
- KU10.** Structure and purpose of a Group Discussion (GD) in academic and professional settings.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Develop professionalism through college etiquette and appropriate behavior in educational environments.
- GS2.** Apply conversational skills effectively in diverse social settings.
- GS3.** Practice and improve telephone communication skills for business and personal use.
- GS4.** Compose different types of professional letters with clarity and precision.
- GS5.** Use business etiquette for formal communication, ensuring professionalism in email and internet use.
- GS6.** Improve active listening skills to enhance comprehension and interaction in professional environments.

THC/N9920: Environment Sustainability

Description

This NOS focuses on sustainability in the hotel industry by enhancing staff engagement, optimizing energy efficiency, fostering business and community partnerships, and adapting to global challenges.

Scope

The scope covers the following :

- Focus on energy efficiency and new technologies.
- Address industry challenges, community initiatives, and climate impact.

Elements and Performance Criteria

Introduction and development of environmental message

To be competent, the user/individual on the job must be able to:

- PC1.** Raise staff awareness, build commitment, provide support, reward efforts and celebrate success
- PC2.** Explain Business partner's coordination
- PC3.** Examine Guests participation
- PC4.** Explain Community – sponsorship, urban beautification, alternate energy sources

Energy and waste conversion

To be competent, the user/individual on the job must be able to:

- PC5.** Explain different Types of energy.
- PC6.** Draft an energy efficiency action plan.
- PC7.** Assess current performance.
- PC8.** Describe energy utilization & conservation measures.
- PC9.** Draft Guidelines for major use areas
- PC10.** Explain the use of new technology
- PC11.** Explain ecotels
- PC12.** Discuss case studies of India and abroad

Trends in Global Hotel Management

To be competent, the user/individual on the job must be able to:

- PC13.** Discuss how consolidation and globalization has changed the hotel industry.
- PC14.** Discuss ethical, legal and cultural issues impacting the global hotel industry.
- PC15.** Evaluate how the hotel industry should adapt to climate change using the opportunities and challenges presented operational environmental sustainability

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

Qualification Pack

- KU1.** Importance of staff awareness and commitment in promoting environmental sustainability.
- KU2.** Role of business partner coordination in achieving sustainability goals.
- KU3.** Guests' participation in sustainability initiatives, such as waste reduction and energy conservation.
- KU4.** Community involvement in environmental efforts, such as sponsorship, urban beautification, and promoting alternative energy sources.
- KU5.** Types of energy and their applications in the hospitality sector.
- KU6.** Development of an energy efficiency action plan to reduce environmental impact.
- KU7.** Assessment of current environmental performance in hotels.
- KU8.** Implementation of energy utilization and conservation measures.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Raise staff awareness and build commitment towards sustainability.
- GS2.** Coordinate with business partners to achieve environmental goals.
- GS3.** Engaging guests in sustainable practices for a greener hospitality experience.
- GS4.** Collaborate with the community for sustainable urban development.
- GS5.** Adapt to new technologies and trends to promote environmental sustainability in the hotel industry.

THC/N9921: Hygiene, Sanitation and Food Safety

Description

This NOS focuses on food safety and hygiene by identifying hazards, contaminants, and foodborne microorganisms while implementing HACCP standards. It ensures proper hygiene practices, contamination control, and compliance with food safety regulations to prevent foodborne illnesses and maintain quality standards.

Scope

The scope covers the following :

- Covers hazards, contamination, and hygiene practices.
- Focuses on HACCP, standards, and disease prevention.

Elements and Performance Criteria

Introduction to Food Safety

To be competent, the user/individual on the job must be able to:

- PC1.** Discuss the meaning of Food safety.
- PC2.** Describe about various Food hazards.
- PC3.** Explain Contaminants and food hygiene.
- PC4.** Explain HACCP
- PC5.** Explain the process of obtaining HACCP certification.

Food hygiene

To be competent, the user/individual on the job must be able to:

- PC6.** Explain the importance of hygiene in the catering industry.
- PC7.** Describe the importance of Personal hygiene for staff members in the food production areas and those coming in contact with the guest.

Micro Organisms in Food

To be competent, the user/individual on the job must be able to:

- PC8.** Discuss the General characteristics of micro-organisms based on their occurrence and structure
- PC9.** Discuss the Factors affecting their growth in food.
- PC10.** Describe about various Common food borne microorganisms.

Food Spoilage and Food Borne Diseases

To be competent, the user/individual on the job must be able to:

- PC11.** Explain the Types and Causes of Food Spoilage.
- PC12.** Discuss the Sources of contamination.
- PC13.** Discuss about Spoilage of different products.
- PC14.** Explain Infections and intoxications
- PC15.** Describe Common diseases caused by food pathogens preventive measures

Qualification Pack

Food Contaminants & Adulterants

To be competent, the user/individual on the job must be able to:

PC16. Describe the Introduction to food standards

PC17. Explain different Types of food contaminants

PC18. Discuss Common adulterants in food

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

KU1. Types of food hazards: physical, chemical, biological, and allergenic hazards.

KU2. Contaminants and their impact on food hygiene and safety.

KU3. HACCP (Hazard Analysis and Critical Control Points) and its role in food safety management.

KU4. Steps involved in obtaining HACCP certification.

KU5. Importance of hygiene in the catering industry to prevent foodborne illnesses.

KU6. Personal hygiene practices necessary for food production and handling.

KU7. Factors affecting the growth of microorganisms in food.

KU8. Common foodborne microorganisms and their effects on health.

Generic Skills (GS)

User/individual on the job needs to know how to:

GS1. Identify and manage various food hazards.

GS2. Implement HACCP principles in food safety management.

GS3. Monitor personal hygiene practices for staff in food production areas.

GS4. Assess and control sources of food contamination.

GS5. Apply preventive measures to reduce foodborne diseases.

GS6. Recognize and address common adulterants in food to ensure safety.

THC/N9919: Employability Skills - II

Description

This unit is about employability skills, becoming a professional in the 21st Century, digital, financial, and legal literacy, diversity and Inclusion, customer service, entrepreneurship, and apprenticeship, getting ready for jobs and career development.

Scope

The scope covers the following :

- Communication Skills
- Diversity & Inclusion
- Financial and Legal Literacy
- Essential Digital Skills
- Entrepreneurship
- Customer Service
- Getting ready for Apprenticeship & Jobs

Elements and Performance Criteria

Career Development & Goal Setting

To be competent, the user/individual on the job must be able to:

- PC1.** Demonstrate how to communicate effectively using verbal and nonverbal communication etiquette.
- PC2.** Write a brief note/paragraph on a familiar topic.

Communication Skills

To be competent, the user/individual on the job must be able to:

- PC3.** Demonstrate how to communicate effectively using verbal and nonverbal communication etiquette.
- PC4.** Write a brief note/paragraph on a familiar topic.
- PC5.** Explain the importance of communication etiquette including active listening for effective communication.
- PC6.** Discuss a situation on how to work collaboratively with others in a team

Diversity and Inclusion

To be competent, the user/individual on the job must be able to:

- PC7.** Exhibit how to behave, communicate, and conduct oneself appropriately with all genders and PwD
- PC8.** Discuss the POSH Act and its significance

Financial and Legal Literacy

To be competent, the user/individual on the job must be able to:

- PC9.** Discuss various financial institutions, products, and services.
- PC10.** Demonstrate how to conduct offline and online financial transactions, safely and securely and check passbook/statement.

Qualification Pack

- PC11.** Explain the common components of salary such as Basic, PF, Allowances (HRA, TA, DA, etc.), tax deductions.
- PC12.** Calculate income and expenditure for budgeting.
- PC13.** Discuss the legal rights, laws, and aids.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Key elements of career development and goal setting.
- KU2.** Importance of effective communication for personal and professional growth.
- KU3.** Diversity and inclusion practices and their significance in the workplace.
- KU4.** Financial and legal concepts for informed decision-making.
- KU5.** Nonverbal communication and its impact on interactions.
- KU6.** Managing financial transactions safely and securely.
- KU7.** Awareness of legal rights and dispute resolution mechanisms.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Use effective verbal and nonverbal communication.
- GS2.** Show collaborative teamwork.
- GS3.** Understand financial management and budgeting.
- GS4.** Listen actively and adapt.

THC/N4569: Tourism Products of India

Description

Tourism Products of India outlines the competencies required to understand and promote India's diverse tourism offerings, including heritage, culture, adventure, wellness, and eco-tourism. It focuses on equipping professionals with skills to effectively communicate, curate, and deliver enriching experiences for domestic and international tourists.

Scope

The scope covers the following :

- It focuses on equipping professionals with skills in product curation, customer engagement, and sustainable practices.
- It emphasizes effective marketing, professional communication, and adherence to tourism regulations for delivering enriched and responsible travel experiences.

Elements and Performance Criteria

Tourism Product

To be competent, the user/individual on the job must be able to:

- PC1.** Explain the meaning of tourism products.
- PC2.** Describe various features of tourism products.
- PC3.** Explain different characteristics of tourism products.
- PC4.** Explain the meaning of tourism product development.
- PC5.** Elaborate Variables influencing tourism product development.
- PC6.** Describe the steps involved in tourism product development.
- PC7.** Explain concept of Tourism product lifecycle
- PC8.** Differentiate between product life cycle and destination (Tourism product) life cycle.
- PC9.** Understand the various stages in a destination life cycle.

Types of Tourism Products

To be competent, the user/individual on the job must be able to:

- PC10.** • Explain different types of Tourism Products:
 - a. Element of Nature Based Tourism
 - b. Elements of Culture Based Tourism
 - c. Explain Product Regional: East
 - d. Explain Products: Coastal areas of India and Beaches.
 - e. Elaborate Linkages between the Major Components of the Tourism Industry

Sculptural Art of Ancient, Medieval and Modern India

To be competent, the user/individual on the job must be able to:

- PC11.** Differentiate between Art & Sculpture

Qualification Pack

- PC12.** • Explain:
- a. Indus Valley Civilization Art
 - b. Indus-Saraswati Valley Civilization (2500-1700 BCE)
 - c. Mauryan Period (322 BCE - 185 BCE)
 - d. Shunga (187 to 78 BCE) -Satavahana (100 BCE to 200 CE) Period
 - e. Kushana Period (100 to 300 CE)
 - f. Gupta Period (321 to 550 CE)
 - g. Post Gupta Period: Phase I (6th-8th cent. CE)
 - h. Post Gupta Period: Phase II (9th-12th cent. CE)
 - i. Modern Period (c. 1500 to c. 1800 CE)

Indian Architecture: Ancient, Medieval and Modern

To be competent, the user/individual on the job must be able to:

PC13. Elaborate on Architecture

- PC14.** • Explain
- a. Indus-Saraswati Valley Civilization
 - b. Shunga (187 to 78 BCE)- Satavahana
 - c. Gupta Period (321 to 550 CE)
 - d. Post Gupta Period - Phase I (6th-8th cent. CE)
 - e. Early Medieval Period (8th to the 13th century CE)

PC15. Describe the Concept of Hindu Temples

PC16. Explain Indo-Islamic Architecture

PC17. Explain British Colonial Era (1615 to 1947CE)

Different Style of Architecture in India: Hindu, Buddhist and Islamic

To be competent, the user/individual on the job must be able to:

PC18. Explain the concept of architecture through different styles.

PC19. Elaborate different styles of Hindu, Buddhist and Islamic architecture.

PC20. Differentiate between the three kinds of architecture.

PC21. Elaborate the places where these kinds of architectural monuments are found.

PC22. Establish the structural difference of these architectures

Important Museums of India

To be competent, the user/individual on the job must be able to:

PC23. Explain Museums

PC24. Elaborate Types of Museums

PC25. List Museums of National Importance

Tourism Products of India

To be competent, the user/individual on the job must be able to:

- PC26.** • List Tourism Product of:
- a. North India
 - b. South India
 - c. Central India
 - d. North Eastern India
 - e. Western India

PC27. Name important Islands of India

PC28. Name important Mountain ranges and famous hill stations of India

PC29. List major passes and mountain peaks in India

Qualification Pack

PC30. Discuss desserts and coastal areas of India

PC31. Discuss popular tourist circuits in India

Main Tourist Centers of India

To be competent, the user/individual on the job must be able to:

PC32. Explain main tourist centers of India

PC33. Describe Popular places of Main Centers of India

PC34. Explain various spiritual and adventurous places

PC35. Elaborate best time to visit main tourist centers of India

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

KU1. Definition and features of tourism products.

KU2. Characteristics and development process of tourism products

KU3. Variables influencing tourism product development.

KU4. Steps involved in the tourism product lifecycle.

KU5. Differences between product life cycle and destination life cycle.

KU6. Stages in a destination's life cycle.

KU7. Types of tourism products, including nature-based and culture-based tourism.

KU8. Regional tourism products in India, including coastal and beach destinations.

KU9. Components and linkages in the tourism industry.

KU10. Differences between art and sculpture across periods in Indian history.

KU11. Highlights of Indian sculptural art from ancient to modern periods.

KU12. Key features of architecture from ancient to modern India.

KU13. Styles of Hindu, Buddhist, and Islamic architecture.

KU14. Structural differences and regional locations of architectural monuments.

KU15. Concepts of Hindu temples and Indo-Islamic architecture.

KU16. Influences of British colonial-era architecture.

KU17. Types and significance of museums in India.

KU18. Tourism products and attractions across North, South, Central, and Northeast India.

KU19. Notable islands, mountain ranges, peaks, and passes in India.

KU20. Popular tourist circuits and seasonal attractions in major tourist centers.

Generic Skills (GS)

User/individual on the job needs to know how to:

GS1. Think analytically to differentiate between lifecycle concepts.

GS2. Communicate effectively for explaining tourism product features.

GS3. Research skills for understanding regional and historical contexts.

GS4. Collaborate for tourism product development.

Qualification Pack

- GS5.** Address challenges in tourism development.
- GS6.** Manage time for planning itineraries and visits.
- GS7.** Develop tourism circuits and marketing.
- GS8.** Customer service orientation for engaging tourists.
- GS9.** Adapt to accommodate diverse traveler preferences and requirements.

To be competent, the user/individual on the job must be able to:

- PC1.** Understand the concept of market and marketing.
- PC2.** Analyze the difference between marketing and selling.
- PC3.** Understand various aspects of Marketing.
- PC4.** Explain marketing management cycle

SERVQUAL and Service Quality Triangle

To be competent, the user/individual on the job must be able to:

- PC5.** Explain the concept of Service Quality
- PC6.** Understand the concept of SERVQUAL
- PC7.** Apply SERVQUAL to evaluate service quality of Tourism/Hospitality firm
- PC8.** Understand the concept of Service Quality Triangle

Service Gap Analysis

To be competent, the user/individual on the job must be able to:

- PC9.** Understand the importance of Service quality
- PC10.** Explain the concept of Service Quality Gaps
- PC11.** Discuss strategies to bridge in Service Quality Gaps

Marketing to Internal Customers

To be competent, the user/individual on the job must be able to:

- PC12.** Understand the concept of Internal Customers and Internal Marketing

Qualification Pack

- PC13.** Explain the importance of Internal Customers
- PC14.** Use Internal Customers to look after External Customers
- PC15.** Implement Strategies for Internal Marketing
- PC16.** Identify Problems in Internal Marketing

Pricing Strategies and Methods

To be competent, the user/individual on the job must be able to:

- PC17.** Analyze different pricing strategies to fix prices.
- PC18.** Understand the impact of price change on customers and competitors.
- PC19.** Take a decision on how to respond to price changes by the competitors

Promotions Mix: Selecting on communication channels and deciding on budget

To be competent, the user/individual on the job must be able to:

- PC20.** Evaluate and select effective communication channels for target audience reach.
- PC21.** Manage the promotions budget efficiently to achieve desired results.
- PC22.** Ensure consistent and impactful messaging across all communication platforms

Advertising Decisions

To be competent, the user/individual on the job must be able to:

- PC23.** Understand the concept of advertising management.
- PC24.** Describe the major decisions in advertising.
- PC25.** Compare and contrast various forms of media—including print, broadcast, direct mail, and other support media

Sales Promotion and Public Relations

To be competent, the user/individual on the job must be able to:

- PC26.** Understand the concept of sales promotion.
- PC27.** List the various tools of sales promotion.
- PC28.** Understand the concept of public relations.
- PC29.** Identify and describe the techniques and vehicles used for public relations.

Internet Marketing

To be competent, the user/individual on the job must be able to:

- PC30.** Understand the hospitality internet marketing and its associated benefits.
- PC31.** Explain need for a hospitality website
- PC32.** Understand strategies for online marketing of hotels
- PC33.** Explain the benefits of email marketing

Social Media Marketing

To be competent, the user/individual on the job must be able to:

- PC34.** Understand the concept of social media and how it helps tourism and hospitality marketers
- PC35.** Explain the social media marketing plan components
- PC36.** Discuss the benefits of social media marketing
- PC37.** Describe the impact of social media on tourism marketing

Marketing of Airlines, Hotels & Resorts

To be competent, the user/individual on the job must be able to:

- PC38.** Understand the Airline Marketing

Qualification Pack

PC39. Explain the marketing of Hotels & Resorts

Marketing of Travel Agencies and tours

To be competent, the user/individual on the job must be able to:

PC40. Understand how marketing agencies market their offerings

PC41. Explain the process of marketing of travel agencies and tours

Trends in Marketing

To be competent, the user/individual on the job must be able to:

PC42. Identify the changing dynamics of Tourism Marketing

PC43. Understand changing segmentation basis for tourism marketing

PC44. Discuss latest trends in tourism marketing

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

KU1. Concept of market and marketing.

KU2. Differences between marketing and selling.

KU3. Aspects of marketing and marketing management cycle.

KU4. SERVQUAL concept and its application in evaluating service quality.

KU5. Service Quality Triangle and its relevance in service industries.

KU6. Importance of service quality and service quality gaps. Strategies to bridge service quality gaps.

KU7. Concept and significance of internal customers and internal marketing. Strategies and challenges in internal marketing.

KU8. Pricing strategies and their impact on customers and competitors.

THC/N4572: Destination Management (Semester 2)

Description

This NOS outlines the competencies required for effective destination management, covering key aspects such as tourism concepts, destination marketing, planning, sustainability, crisis management, and the role of DMOs and DMCs. It also includes destination monitoring, evaluation, and the development of tourist circuits to enhance visitor experiences.

Scope

The scope covers the following :

- Strategic planning and sustainability.
- Branding, events, and digital reach.
- Conservation and risk handling.

Elements and Performance Criteria

Tourism Destination: Definition, Concept & Perspectives

To be competent, the user/individual on the job must be able to:

- PC1.** Explain the concept of tourism.
- PC2.** Discuss Characteristics of tourism.
- PC3.** Describe Components of tourism.
- PC4.** Explain the concept of destination.
- PC5.** Describe the concept of tourism destination

Typologies of Tourism Destination – Historic-cultural, Tourist city, Villages, Resort, Protected Areas, Health/Wellness

To be competent, the user/individual on the job must be able to:

- PC6.** Identify and define a tourism destination
- PC7.** Distinguish between different types of tourist destinations discussed
- PC8.** Understand and evaluate the complexity of the tourist destination

Tourist Circuits

To be competent, the user/individual on the job must be able to:

- PC9.** Understand the concept of Tourist Circuits
- PC10.** Explain the importance of tourist circuits in destination development
- PC11.** Discuss various types of tourist circuits
- PC12.** Describe the process of identification of a tourist circuit
- PC13.** Identify popular tourist circuits of India

Destination management planning (DMP): concept, benefit, characteristics and process

To be competent, the user/individual on the job must be able to:

- PC14.** Understand the basic terminologies of destination management planning
- PC15.** Develop conceptual clarity about the fundamental concepts of destination management planning

Qualification Pack

PC16. Identify the steps involved in destination management planning process

PC17. Explain the importance of destination management planning

Destination Management Organizations (DMOs)- importance, types

To be competent, the user/individual on the job must be able to:

PC18. Understand the concept of destination management and DMOs.

PC19. Explain Various types of DMOs and their definitions.

PC20. Explain Why DMOs are important?

PC21. Understand the regulators, which a DMO has to manage and deal with

Destination Management Companies (DMCs)

To be competent, the user/individual on the job must be able to:

PC22. Understand the concept of destination management companies.

PC23. Explain various roles of destination management companies?

PC24. Describe Why DMCs are important?

PC25. Explain the functioning of DMCs?

Understanding Travel Trends

To be competent, the user/individual on the job must be able to:

- PC26.**
- Explain travel trends:
 - a. Rise in the Demand for Authentic Local Experiences
 - b. Increase in 'Bleisure' Trips
 - c. Dominance of Mobile Bookings
 - d. Use of VR in Destination Marketing
 - e. Growth of Home Stays and Sharing Economy
 - f. Uptick in Solo Travel, especially among females
 - g. Rise in food tourism
 - h. Greater personalization through Big Data

Destination Promotion Through Special Events

To be competent, the user/individual on the job must be able to:

PC27. Understand the concept of destination promotion

PC28. Know the different kind of the events that are being held in the different corner of India

PC29. Explain the concept of how events help in the promotion of the destination

Destination Marketing Strategy and Plan

To be competent, the user/individual on the job must be able to:

PC30. Explain the concept of Destination Marketing.

PC31. Know the concept of Strategy, Planning, and Various types of Planning.

PC32. Understand the factors prerequisites to develop a strategy for destination marketing

Organizing for Destination Management

To be competent, the user/individual on the job must be able to:

PC33. Identify the needs of organizing at destination

PC34. Explain various factors influencing organizing and organizational structure at destination

PC35. Describe various aspects of organizing: nature, characteristics & its types and different roles

Monitoring and Evaluating Destination

To be competent, the user/individual on the job must be able to:

Qualification Pack

- PC36.** Explain Destination Monitoring and Evaluation?
- PC37.** Describe Elements to be Monitored
- PC38.** Explain the Need of Monitoring and Evaluation of Destination.
- PC39.** Elaborate Benefits of Monitoring and Evaluation to Destination Management Organization
- PC40.** Explain Benefit of Monitoring and Evaluation to Tourist
- PC41.** Elaborate different Methods of Destination Monitoring
- PC42.** Explain Process of Monitoring and evaluation
- PC43.** Describe indicators of Monitoring and Evaluation?

Issues in Destination Sustainability

To be competent, the user/individual on the job must be able to:

- PC44.** Understanding the concept of Destination, Sustainability and Carrying Capacity, Destination Marketing & Destination Branding, DMO's.
- PC45.** Explain Issues in destination Sustainability
- PC46.** Describe Principles of Sustainable Tourism
- PC47.** Explain Tourism Life Cycle and Issues in Destination Sustainability at every stage
- PC48.** Describe Measures to overcome these issues
- PC49.** Explain DMO's: - Role and Contribution in solving sustainability issues

Crisis Management at Destination

To be competent, the user/individual on the job must be able to:

- PC50.** Understand the needs of developing excellent crisis management skills.
- PC51.** Explain various factors affecting tourism destinations during the crisis.
- PC52.** Explain various aspects of crisis: Nature, characteristics & its types
- PC53.** Describe how to manage a crisis & its various strategies

Culinary Tourism and Destination Management

To be competent, the user/individual on the job must be able to:

- PC54.** Understand the needs of developing good variety of cuisine
- PC55.** Explain various factors influencing cuisine of a destination
- PC56.** Explain various aspects of cuisine: nature, characteristics & its types
- PC57.** Describe how to better manage the variety of cuisine in regards of destination management.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Concepts and characteristics of tourism, including components and destination management.
- KU2.** Typologies of tourism destinations: historic-cultural, tourist cities, villages, resorts, protected areas, and health/wellness destinations.
- KU3.** Types of tourist destinations and their distinctions.
- KU4.** Importance of tourist circuits and their role in destination development.
- KU5.** Different types of tourist circuits and the process of their identification.
- KU6.** Popular tourist circuits in India and their significance.

Qualification Pack

- KU7.** Destination management planning (DMP): concept, benefits, characteristics, and process.
- KU8.** Steps involved in destination management planning.
- KU9.** Roles and types of Destination Management Organizations (DMOs) and their importance.
- KU10.** Regulators that DMOs manage and deal within destination management.
- KU11.** Functions and importance of Destination Management Companies (DMCs).
- KU12.** Travel trends influencing tourism, such as rise in local experiences, mobile bookings, and solo travel.
- KU13.** Use of special events for destination promotion and their impact.
- KU14.** Strategies and factors required for successful destination marketing
- KU15.** Organizing for destination management, considering factors influencing organizational structures and roles.
- KU16.** Methods and indicators used for destination monitoring and evaluation.
- KU17.** Issues related to destination sustainability and principles of sustainable tourism.
- KU18.** Measures to address sustainability challenges at various stages of the tourism life cycle.
- KU19.** Crisis management strategies and skills necessary for effective handling of tourism crises.
- KU20.** Culinary tourism and managing the variety of cuisines in destination management.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Develop destination management strategies using travel trends and emerging demands.
- GS2.** Apply effective destination marketing and promotion techniques using events and special programs.
- GS3.** Collaborate with DMOs and DMCs to manage and enhance destination experiences.
- GS4.** Implement monitoring systems for destinations to track performance and address challenges.
- GS5.** Utilize crisis management techniques to mitigate risks and ensure smooth destination operations.
- GS6.** Foster sustainable tourism practices through monitoring and planning.
- GS7.** Communicate effectively with stakeholders in tourism destinations to align management efforts
- GS8.** Analyze and adapt organizational structures to better manage destination needs and resources.

THC/N4573: Cargo Operations and Management (Semester 2)

Description

This NOS focuses on the efficient handling, documentation, and transportation of cargo. It covers stakeholder coordination, safety protocols, and regulatory compliance to ensure smooth operations. The role includes overseeing staff, optimizing cargo flow, and ensuring cost-effectiveness.

Scope

The scope covers the following :

- Managing transport, coordination, and regulatory compliance.
- Overseeing storage, documentation, and risk management.

Elements and Performance Criteria

International Air regulations (Conventions and Organizations)

To be competent, the user/individual on the job must be able to:

- PC1.**
- Explain
 - a. Past & present of Air cargo
 - b. Air cargo in Europe
 - c. Air cargo in USA
 - d. Major Players with Different Business Models
 - e. Service/Network Attributes
 - f. Viable benefits of air cargo and Demand of Air Cargo

International Air regulations (Conventions and Organizations)

To be competent, the user/individual on the job must be able to:

- PC2.**
- Explain International Organizations:
 - a. Warsaw Convention or First global aviation agreement (1929)
 - b. Chicago conventions
 - c. Freedoms of the Air
 - d. Bermuda agreement
 - e. Convention for the Suppression of Unlawful Acts against the Safety of Civil Aviation 1971(The Sabotage Convention or the Montreal Convention)
- PC3.** Montreal Convention 1999 (MC1999)
- PC4.**
- International Aviation Organizations:
 - f. International Civil Aviation Organization (ICAO)
 - g. International Air Transport Association (IATA)

Dangerous Goods and Rules for Transportation

To be competent, the user/individual on the job must be able to:

Qualification Pack

- PC5.**
- Explain international organisations and organisations of aviation such as:
 - a. What are dangerous goods?
 - b. Classification of Dangerous Goods
 - c. Packing Groups
 - d. Packing Options
 - e. Marking and Labelling
 - f. Documentation
 - g. Dangerous Goods – Shipper’s Responsibility
 - h. Mis-declared or undeclared dangerous goods
 - i. Dangerous Goods Accidents and Incidents

Types of Airlines & Cargo Aircrafts

To be competent, the user/individual on the job must be able to:

- PC6.** Explain history of airliners
- PC7.** Explain The Transatlantic Services
- PC8.** Explain The jet airliner
- PC9.** Describe Airline Business Models
- PC10.** Explain types of cargo aircraft
- PC11.** Describe Aircraft and Freighter Fleets

The Cargo Handling & operations

To be competent, the user/individual on the job must be able to:

- PC12.**
- Explain Cargo & its stakeholder organisations:
 - a. Participants in cargo operations
 - b. The receipt/delivery operations
 - c. Cargo-Handling Equipment on Board and in Port
 - d. Types of terminals for cargo handling
 - e. Miscellaneous terms related to cargo handling and operations
 - f. IATA Cargo handling Manual (ICHM)
 - g. GST and its effect on transport & logistics sector (T & L sector)
- PC13.** Explain cargo handlers.
- PC14.** Describe required skills and education for cargo handler
- PC15.** Explain the role of Station/cargo manager
- PC16.** Explain Job description and duties of cargo manager and Skills required for cargo managers

Cargo & Freight Organizations

To be competent, the user/individual on the job must be able to:

- PC17.**
- Explain Cargo & its stakeholder organizations:
 - a. The airlines organizations like IATA, ICAO etc.
 - b. The Forwarders organizations such as FIATA, IRU etc.
 - c. General industry organizations such as TIACA, GACAG etc.
 - d. The Shippers organizations such as GSF, ESC, TAPA etc.
 - e. The Postal organizations or the airmail SUCH AS UPU, IPC etc.
 - f. The Brokers organizations such as IFCBA.
 - g. The Cargo Organizations in India

Concept of volume weight and chargeable weight

To be competent, the user/individual on the job must be able to:

- PC18.** Explain Aircraft Payload-Range Analysis
- PC19.** Describe Cargo Load planning.

Qualification Pack

- PC20.** Explain Determination and documentation of Weights.
- PC21.** Explain Cargo Loading
- PC22.** Explain Concept of volume weight
- PC23.** Describe how to calculate chargeable weight under airfreight in exports and imports
- PC24.** Explain Air freight rate, Standard airline charges and Pre-export charge

Airport Cargo Rates and Charges (General Rules, Minimum rates, Normal rates etc.)

To be competent, the user/individual on the job must be able to:

- PC25.** Explain the basic terms used in Air Cargo rates and charges.
- PC26.** Understand the IATA and its role in Air Cargo rates and charges.
- PC27.** Describe the Air cargo rates and charges framed by AAI

Airlines, Cargo Handling Staff, Profiles and Roles

To be competent, the user/individual on the job must be able to:

- PC28.** Understand the concept of airline cargo handling.
- PC29.** Know about different regions of cargo handling in the airport
- PC30.** Explain the roles of the staff in different cargo handling region

Issues and challenges faced by the airline cargo Operations

To be competent, the user/individual on the job must be able to:

- PC31.** Explain Issues and challenges faced by airline cargo operations.
- PC32.** Describe Position of Indian aviation industry.
- PC33.** Explain Problems faced by Indian aviation industry.
- PC34.** Explain Opportunities in Indian Aviation Sector.
- PC35.** Understand the meaning and Concept of Cargo handling in aviation.
- PC36.** Identify the major issues and challenges faced by the Air cargo Industry.
- PC37.** Know the Indian Scenario of Cargo handling operations.
- PC38.** Explain the Global Scenario of Cargo handling operations

Cargo Handling Operations in India

To be competent, the user/individual on the job must be able to:

- PC39.** Explain Air Cargo Complexes (ACC)
- PC40.** Describe Airside infrastructure for Cargo operations
- PC41.** Explain Cargo Operations in India
- PC42.** Explain Guidelines to the Air Cargo Services in India
- PC43.** Discuss Benefits of Efficient Air Cargo Services in India

Future trends in cargo industry

To be competent, the user/individual on the job must be able to:

- PC44.** Understand the Future perspective of air cargo Industries
- PC45.** Learn the concept of future airports.
- PC46.** Understand the Latest trends in air cargo industry
- PC47.** Learn the latest Trends in Indian subcontinent

World's Top Cargo Airport Terminals

To be competent, the user/individual on the job must be able to:

Qualification Pack

- PC48.** Explain main Airports which are mainly in the business of Air Freight
- PC49.** Describe Role of the airports in cargo handling
- PC50.** Name Top 10 Airports of the world in terms of cargo handling
- PC51.** Explain Biggest Airports for handling traffic of cargo in the worlds

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Evolution and the current state of air cargo, including its major players and business models.
- KU2.** Service and network attributes in air cargo and the benefits it offers to the industry.
- KU3.** Impact of major international air regulations and conventions on air cargo operations.
- KU4.** Functions of international organizations such as ICAO and IATA in air cargo management.
- KU5.** Classification and handling of dangerous goods in air cargo, including packing and documentation.
- KU6.** Importance of air cargo rates, charges, and the role of IATA and AAI in formulating them.
- KU7.** Aircraft payload and volume weight concepts in airfreight operations.
- KU8.** Role of airlines and cargo handling staff in ensuring smooth cargo operations at airports.
- KU9.** Challenges faced by the Indian aviation industry and opportunities in the air cargo sector.
- KU10.** Issues and trends in global and Indian cargo handling operations, focusing on efficiency and innovation.
- KU11.** Emerging trends in the air cargo industry, including technological advancements and future airports.
- KU12.** Functions of cargo organizations like IATA, ICAO, FIATA, and others in supporting air cargo operations.
- KU13.** Global scenario of cargo handling operations and the position of Indian airports in this context.
- KU14.** Latest trends in air cargo industry, including advancements in digitalization and sustainability.
- KU15.** Importance of air cargo complexes (ACC) in facilitating efficient cargo operations in India.
- KU16.** Benefits of efficient air cargo services in India, improving trade and logistics capabilities.
- KU17.** Future trends in air cargo, emphasizing automation, data analytics, and enhanced infrastructure.
- KU18.** Various cargo handling regions in airports and the roles of staff within them.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Analyze and manage international air cargo regulations and conventions effectively.
- GS2.** Develop and implement best practices for handling dangerous goods in air cargo.
- GS3.** Coordinate air cargo operations across various regions and airports with efficiency.
- GS4.** Utilize technology and innovation to improve cargo handling and management processes.

Qualification Pack

- GS5.** Ensure compliance with air cargo rates, charges, and international aviation standards.
- GS6.** Implement training and development programs for cargo handlers and managers.
- GS7.** Manage crisis situations in air cargo handling with strategic and effective solutions.
- GS8.** Foster partnerships between airlines, forwarders, and regulatory bodies for streamlined cargo operations.

PC19. Describe Cargo Load planning.	-	-	-	-
PC20. Explain Determination and documentation of Weights.	-	-	-	-
PC21. Explain Cargo Loading	-	-	-	-
PC22. Explain Concept of volume weight	-	-	-	-
PC23. Describe how to calculate chargeable weight under airfreight in exports and imports	-	-	-	-
PC24. Explain Air freight rate, Standard airline charges and Pre-export charge	-	-	-	-
<i>Airport Cargo Rates and Charges (General Rules, Minimum rates, Normal rates etc.)</i>	5	-	1	-
PC25. Explain the basic terms used in Air Cargo rates and charges.	-	-	-	-
PC26. Understand the IATA and its role in Air Cargo rates and charges.	-	-	-	-

Qualification Pack

Assessment Criteria for Outcomes	Theory Marks	Practical Marks	Project Marks	Viva Marks
PC27. Describe the Air cargo rates and charges framed by AAI	-	-	-	-
<i>Airlines, Cargo Handling Staff, Profiles and Roles</i>	5	-	1	-
PC28. Understand the concept of airline cargo handling.	-	-	-	-
PC29. Know about different regions of cargo handling in the airport	-	-	-	-
PC30. Explain the roles of the staff in different cargo handling region	-	-	-	-
<i>Issues and challenges faced by the airline cargo Operations</i>	7	-	2	-
PC31. Explain Issues and challenges faced by airline cargo operations.	-	-	-	-
PC32. Describe Position of Indian aviation industry.	-	-	-	-
PC33. Explain Problems faced by Indian aviation industry.	-	-	-	-
PC34. Explain Opportunities in Indian Aviation Sector.	-	-	-	-
PC35. Understand the meaning and Concept of Cargo handling in aviation.	-	-	-	-
PC36. Identify the major issues and challenges faced by the Air cargo Industry.	-	-	-	-
PC37. Know the Indian Scenario of Cargo handling operations.	-	-	-	-
PC38. Explain the Global Scenario of Cargo handling operations	-	-	-	-
<i>Cargo Handling Operations in India</i>	5	-	1	-
PC39. Explain Air Cargo Complexes (ACC)	-	-	-	-
PC40. Describe Airside infrastructure for Cargo operations	-	-	-	-

Qualification Pack

Assessment Criteria for Outcomes	Theory Marks	Practical Marks	Project Marks	Viva Marks
PC41. Explain Cargo Operations in India	-	-	-	-
PC42. Explain Guidelines to the Air Cargo Services in India	-	-	-	-
PC43. Discuss Benefits of Efficient Air Cargo Services in India	-	-	-	-
<i>Future trends in cargo industry</i>	5	-	1	-
PC44. Understand the Future perspective of air cargo Industries	-	-	-	-
PC45. Learn the concept of future airports.	-	-	-	-
PC46. Understand the Latest trends in air cargo industry	-	-	-	-
PC47. Learn the latest Trends in Indian subcontinent	-	-	-	-
<i>World's Top Cargo Airport Terminals</i>	5	-	1	-
PC48. Explain main Airports which are mainly in the business of Air Freight	-	-	-	-
PC49. Describe Role of the airports in cargo handling	-	-	-	-
PC50. Name Top 10 Airports of the world in terms of cargo handling	-	-	-	-
PC51. Explain Biggest Airports for handling traffic of cargo in the worlds	-	-	-	-

Qualification Pack

National Occupational Standards (NOS) Parameters

NOS Code	THC/N4573
NOS Name	Cargo Operations and Management (Semester 2)
Sector	Tourism & Hospitality
Sub-Sector	
Occupation	Tourism Services
NSQF Level	4.5
Credits	3
Version	1.0
Last Reviewed Date	30/04/2024
Next Review Date	30/04/2029
NSQC Clearance Date	30/04/2024

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down the proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on the knowledge bank of questions created by the SSC.
3. Assessment will be conducted for all compulsory NOS, and where applicable, on the selected elective/option NOS/set of NOS.
4. Individual assessment agencies will create unique question papers for the theory part for each candidate at each examination/training center (as per assessment criteria below).
5. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/ training center based on these criteria.
6. To pass the Qualification Pack assessment, every trainee should score a minimum of 70% of aggregate marks to successfully clear the assessment.

Qualification Pack

Minimum Aggregate Passing % at QP Level : 70

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
