THC/N4410: Prepare itinerary and finalize tour package for customer

Description

The individual at work plans and prepares tour packages and itinerary, arranges for travel insurance and visa, and also assists the customer during the tour to ensure customer satisfaction. This person is also known as Travel Consultant.

Scope

The scope covers the following :

- Determine customer travel needs and plan the tour
- Estimate the tour package cost
- Prepare and finalize the itinerary
- Coordinate bookings with industry partners
- Handover final tour package to customer

Elements and Performance Criteria

Determine customer's travel needs and plan the tour

To be competent, the user/individual on the job must be able to:

- PC1.** arrange resources such as brochures, travel books/magazine, and other sources of information on famous destinations, along with railway timetables and airlines schedule
- PC2.** greet and welcome the customer as per standards
- PC3.** assess the type of travel the customers are looking for, such as leisure, business, adventure package, etc.
- PC4.** identify the travel details like preferred destination, planned duration and tentative dates, preferred mode of travel, accommodation preferences, estimated budget, and number of persons travelling etc.
- PC5.** determine the type of group of customers travelling together such as family, friends, colleagues, etc.
- PC6.** assess the customer's specifications and wishes
- PC7.** suggest travel options that best suit customer's needs
- PC8.** suggest some destinations with tourist attractions, experiences to have, etc. to customers who have not planned any particular travel destination
- PC9.** provide detailed information on climate, distance, tourist attractions, and any upcoming festival/entertainment event to help customer choose the package

Estimate the tour package cost

To be competent, the user/individual on the job must be able to:

- PC10.** stay updated with the latest/daily tariff market trend
- PC11.** collect information on other travel agency's package rates for the destination to offer a better deal
- PC12.** analyze the cost of travel by different modes of transportation to the destination

Qualification Pack

- PC13.** negotiate with partners/service provider for hotel bookings, tickets, transportation, guide/tour escort, etc. for the best rates
- PC14.** estimate and inform customer regarding cost of meal, shopping, entrance fees of tourist attractions, guides, etc. based on the destination's cost of living
- PC15.** prepare a ballpark estimate by adding up different cost factors including miscellaneous expenses and markup
- PC16.** inform the customers on the terms and conditions of payment and other details

Prepare and finalize the itinerary

To be competent, the user/individual on the job must be able to:

- PC17.** confirm the destination and the travel package, including the estimated cost with the customer
- PC18.** plan an end-to-end travel route such that nearby locations, important tourist attractions are clubbed and covered within the available time
- PC19.** consider details like interest and energy level of the tourists, etc. while planning the itinerary
- PC20.** update the itinerary with the details like distance between locations, estimated time for every activity, opening and closing time of places of attraction along with information on the background, various restaurant options, etc.
- PC21.** inform the customer about airlines' luggage limits, required travel and medical insurance details, visa processing, passport, currency, and other requirements
- PC22.** offer unique insights, trivia, and activity ideas, insider tips etc. for the destination

Coordinate bookings with industry partners

To be competent, the user/individual on the job must be able to:

- PC23.** inform the customers of the estimated cost and taxes of the ticket fare for the various travel options such as railway, airlines, bus, cab and cruise
- PC24.** check on the availability of tickets at the preferred dates
- PC25.** collect the documents and other required details from the customers for ticket booking as per standards
- PC26.** check the itinerary, insurance, visa etc. to book the tickets accordingly
- PC27.** inform the customer regarding the baggage restrictions, penalties for overweight luggage, prohibited items for cabin luggage
- PC28.** book tickets for flights/trains/other modes of transport, reserve accommodation in hotels/lodges, and arrange for local transportation
- PC29.** confirm booking with customer names and other details with hotels, airlines, and other transport agents
- PC30.** coordinate with the appropriate agencies on cultural events, entertainment, etc. arranged during the travel

Handover final tour package to customer

To be competent, the user/individual on the job must be able to:

- PC31.** coordinate with customers to collect payment
- PC32.** create and update records of clients manually or electronically, as applicable
- PC33.** handover the final package with tour details, and relevant documents like invoice, hotel booking confirmation, tickets, etc.

Qualification Pack

- PC34.** update the itinerary and add travel details like start and end dates, routes, reservation and confirmation numbers, types of transportation, connection information, rentals, etc. in the itinerary
- PC35.** mention lodging details like name of lodging, arrival and check-out dates, lodging address, phone number, fax, website, email ID, reservation numbers, etc.
- PC36.** provide relevant travel information, weather forecast and handy travel tools like destination maps/guides to the customer
- PC37.** advise customers on possible issues during the travel like safety, currency, etc., in specific locations
- PC38.** provide health related information such as medical facilities available at the destination, services like air ambulance, vaccination guidelines, etc.
- PC39.** provide details of consulate/high commission at the destination

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** organizational policies on discounts, promotional packages, loyalty programs, etc.
- KU2.** government rules for travel to the target destinations (inbound and outbound) like visa, prohibited products, customs regulations for international travellers, etc.
- KU3.** international norms and practices for tour and travel industry
- KU4.** different customer categories and relevant tour packages/travel plans
- KU5.** customer's profile to make appropriate recommendations
- KU6.** categories of hotel, tariff plans for different types of rooms, applicable taxes, meal plans, season/off-season discounts/prices, etc. at the destination
- KU7.** popular seasonal packages and destinations
- KU8.** travel advisory and insurance requirements for the package
- KU9.** logistics involved in the tour package
- KU10.** documents required for travel booking and tour packaging
- KU11.** the process of invoicing and billing the customer
- KU12.** travel partner details, e.g., hotel, travel agents, transport providers, etc.
- KU13.** airline policies on domestic and international travel like baggage allowance, meals, etc.
- KU14.** currency and exchange rates of international destinations
- KU15.** grievance redressal for handling dissatisfied customer or partner
- KU16.** types of tour itinerary like adventure, health, cultural, religious etc.
- KU17.** factors to be considered for itinerary preparation
- KU18.** components and considerations for tour costs
- KU19.** travel pricing and distribution mechanism
- KU20.** types and characteristics of pricing strategies
- KU21.** cash management process
- KU22.** digital payment methods
- KU23.** GDS and other booking engines for e.g. Galileo, Amadeus, etc.

Qualification Pack

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** read company policies, instructions, etc.
- GS2.** communicate effectively and patiently with customers to assist in the tour planning
- GS3.** negotiate any customizations/modifications requested to minimize discount costs and losses
- GS4.** negotiate with service providers/partners like airlines, hotels, transport services for itinerary preparation and best deals
- GS5.** identify and solve issues to avoid delay in tour planning

THC/N4418: Assess travel risks and arrange insurance policy for customer

Description

This OS unit is about assessing the possible risks in the customer's travel plan and arranging for suitable travel and medical insurance policy.

Scope

The scope covers the following :

- Assess customer needs and suggest insurance policy
- Complete application procedure
- Coordinate with insurance agent for processing and handover insurance policy to the customer

Elements and Performance Criteria

Assess customer needs and suggest insurance policy

To be competent, the user/individual on the job must be able to:

- PC1.** interact with the customers to understand their purpose, nature, destination, duration of travel, etc.
- PC2.** analyze the risks associated with the customer's travel plan
- PC3.** determine the areas of risk exposure through customer interaction
- PC4.** estimate the cost of insurance cover for the travel
- PC5.** explain various travel risks covered by the travel insurance policy to the customers such as trip cancellation, travel delays/interruptions, loss of baggage, unforeseen events, emergency medical expenses, accidents and death, etc. and the duration of cover
- PC6.** inform the customers about features of travel insurance policies like the type of policy, claims process, the amount that can be recovered, etc.
- PC7.** explain the differences in the various insurance policies and the amount that can be recovered via claims
- PC8.** brief the customers on complete terms and conditions of the policy and statutory requirements

Complete application procedure

To be competent, the user/individual on the job must be able to:

- PC9.** arrange for stipulated medical check-up of the customer as per company's policy or statutory requirements
- PC10.** check the eligibility of the customers to be insured
- PC11.** brief the customers on the expenses and the documents required for purchasing the travel insurance and the premium
- PC12.** collect all relevant documents from the customer, e.g., identity and address proof, medical test reports, photographs for application forms, etc., and cross-check for any missing or additional documents if required
- PC13.** ensure that the application form is completely filled and signed by the customer
- PC14.** verify the authenticity of the details in the application form

Qualification Pack

- PC15.** check photocopies against original documents like medical records, education records, travel documents, etc.
- PC16.** prepare the final quote and invoice for the customer
- Coordinate with insurance agent for processing and handover insurance policy to the customer*
- To be competent, the user/individual on the job must be able to:
- PC17.** submit documents to the insurance agent for processing within the specified time limit
- PC18.** follow up on the approval and process completion status using the application reference number
- PC19.** resolve any issues/rejections and reapply for the customer
- PC20.** coordinate with insurance agents for speedy processing of policy
- PC21.** collect the completed insurance policy documents from the agents and check if the details on the received policy matches the customer details
- PC22.** assure customer of all kinds of assistance in insurance claims processing if there is medical emergency/mishap during the tour
- PC23.** e-mail the original policy document to the customer

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Insurance Regulatory and Development Authority of India (IRDA) regulations
- KU2.** international travel and safety norms as per International Air Transport Association (IATA), World Health Organization (WHO), International Civil Aviation Organization (ICAO)
- KU3.** various risks associated with travelling
- KU4.** different types of travel policies and their features
- KU5.** factors affecting the cost of travel insurance
- KU6.** insurance premium calculation procedure based on travel type, age of customer, etc.
- KU7.** epidemic or regional outbreak of diseases that may affect the terms of the policy
- KU8.** essential documents and other requirements for travel insurance policy application
- KU9.** travel insurance claims procedure
- KU10.** insurance coverage details like flight cancellation, lost luggage, sudden illness, and hospitalization, etc.
- KU11.** health check-ups and vaccinations required for particular destinations
- KU12.** the process to create quotes and invoices
- KU13.** methods to identify fraudulent claims
- KU14.** different modes of receiving payment
- KU15.** daily cash management process
- KU16.** MS Office and other software for insurance policy claims

Generic Skills (GS)

User/individual on the job needs to know how to:

Qualification Pack

- GS1.** read and interpret all insurance policies
- GS2.** communicate effectively with customers to assist in insurance application and claims process
- GS3.** identify immediate or temporary solutions to resolve delay, rejections or other problems related to insurance application processing
- GS4.** fill-up the checklist of the documents to be submitted for insurance
- GS5.** fill-in forms and other travel insurance documents to complete the processing
- GS6.** record customer's information related to the booking

THC/N4419: Arrange visa for customers

Description

This OS unit is about engaging with the customers to understand their visa requirements, process visa application for the desired destination, receive payment from customers. It also includes collecting the visa and handing it over to the customers.

Scope

The scope covers the following :

- Brief about visa requirements and collect relevant documents and fees
- Arrange visa interview and liaise with the embassy and consulate
- Collect and hand over the approved visas
- Record and document the visa process

Elements and Performance Criteria

Brief about visa requirements and collect relevant documents and fees

To be competent, the user/individual on the job must be able to:

- PC1.** check required visa type (tourist, business, student, work permit, dependent, sponsored, etc.) based on customer's purpose of travel, duration of stay, and number of destinations
- PC2.** prepare the list of the required documents based on the type of travel and the specified destination
- PC3.** conduct a test interview with the customers to understand and ensure their stand on the suitability and eligibility for the visa approval
- PC4.** brief the customer on visa regulations/requirements of the destination(s) like immigration policy, sponsorship obligations, etc.
- PC5.** inform the customer about the required documents such as passport, photograph, supporting documents, etc. based on the type of travel and the specified destination
- PC6.** brief the customer on the typical waiting time for visa processing based on the destination and country of origin
- PC7.** explain the non-refundable policies of visa application (even if a visa is denied)
- PC8.** collect all relevant documents from the customer, e.g., identity and address proof, medical test reports, photographs for application forms, educational certificates, etc.
- PC9.** cross-check for any missing documents
- PC10.** check the validity of passport and eligibility to apply visa for the specified destination
- PC11.** ensure the details given in the application form is accurate and true
- PC12.** fill up the application form for the customer, if required
- PC13.** collect visa processing fee from the customers
- PC14.** submit the required documents to the consulate

Arrange visa interview and liaise with the embassy and consulate

To be competent, the user/individual on the job must be able to:

Qualification Pack

- PC15.** check with embassy/consulate for visa interview date for customer on submission of the documents
- PC16.** brief the customer about the date and time of the scheduled visa interview
- PC17.** inform the consulate in case the customer is unable to keep the scheduled appointment
- PC18.** coordinate for an alternate day to schedule the interview
- PC19.** track the visa processing status, using the reference number of the application submitted
- PC20.** take corrective action in case visa is rejected
- PC21.** follow-up on pending visa and stamped passport to be received

Collect and hand over the approved visas

To be competent, the user/individual on the job must be able to:

- PC22.** collect the stamped passport on receiving information from the consulate (over phone or email)
- PC23.** check if received visa details correctly match with the customer's travel plan
- PC24.** inform the customers on receipt of visa approval and passport
- PC25.** brief the customer on the various terms and conditions and validity of the visa, category, legal guidelines, etc.

Record and document the visa process

To be competent, the user/individual on the job must be able to:

- PC26.** record and update the customer's information related to the booking for future reference and ensure data protection
- PC27.** prepare monthly reports on visa applications/approvals for the management records

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** types of visas (business, tourist, work permit, family, etc.)
- KU2.** visa requirement and eligibility criteria to visit different countries
- KU3.** visa application and processing procedure for different destinations
- KU4.** immigration laws and procedures of different countries
- KU5.** modalities of short term/ long term visa
- KU6.** consulate and embassy rules and regulations
- KU7.** MS office and softwares related to visa and immigration

Generic Skills (GS)

User/individual on the job needs to know how to:

THC/N4413: Provide assistance to the customers during the tour

Description

This OS unit is about monitoring the tour and assisting the customers if required. It also involves updating all records for creating reports and seeking customer feedback.

Scope

The scope covers the following :

- Apprise customers of any change in the planned itinerary
- Assist the customers during tour
- Record customer information and feedback

Elements and Performance Criteria

Apprise customers of any change in the planned itinerary

To be competent, the user/individual on the job must be able to:

- PC1.** keep track of the customers' tour to ensure smooth journey
- PC2.** inform the customers regarding any alteration in the planned itinerary like cancellations, delays, rescheduling, etc. while they are on trip
- PC3.** convince the customers politely in case of any deviation in the planned itinerary
- PC4.** suggest an appropriate alternative to the customer as compensation

Assist the customers during tour

To be competent, the user/individual on the job must be able to:

- PC5.** assist the customers in changing or/upgrading the planned itinerary while on tour, if required
- PC6.** ensure the altered service offer matches customer expectations
- PC7.** help customer with any health, legal, transportation, cancellations, or any other issue that they may face during tour
- PC8.** provide prompt support in processing insurance claims in case of medical emergency
- PC9.** coordinate with local police or embassy or any other authority for any legal assistance to the customer
- PC10.** arrange for alternate transportation/evacuation in case of breakdowns, sudden cancellations, natural calamity and riots, etc.

Record customer information and feedback

To be competent, the user/individual on the job must be able to:

- PC11.** update records with customer details and their travel information
- PC12.** ensure customer's personal data is secured and handled appropriately
- PC13.** document all customer details on a monthly basis
- PC14.** keep record of all bills, payments, and invoices specific to the customer packages
- PC15.** record the feedback received from the customer through e-mails, phones, apps or in person
- PC16.** take prompt action on customer complaints/dissatisfaction

Qualification Pack

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** tour tracking and monitoring methods
- KU2.** redress mechanism in case of customer complaints
- KU3.** partner network details for tour packages
- KU4.** helplines for customers during the tour
- KU5.** travel advisories for different destinations
- KU6.** details of travel insurance policy and visa for the tour
- KU7.** immigration laws and procedures of different countries
- KU8.** customs regulations for different countries
- KU9.** vaccinations required for particular destinations
- KU10.** information regarding travel destinations such as local laws, weather, language, culture, currency, etc.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** communicate effectively with customers to assist during tour
- GS2.** provide immediate or temporary solutions to resolve delay or other problems during the tour
- GS3.** maintain trust and reliability right from the first interaction with customer till end of tour

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down the proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on the knowledge bank of questions created by the SSC.
3. Assessment will be conducted for all compulsory NOS, and where applicable, on the selected elective/option NOS/set of NOS.
4. Individual assessment agencies will create unique question papers for the theory part for each candidate at each examination/training center (as per assessment criteria below).
5. Individual assessment agencies will create unique evaluations for skill practical for every student at each examination/ training center based on these criteria.
6. To pass the Qualification Pack assessment, every trainee should score a minimum of 70% of % aggregate marks to successfully clear the assessment.

Qualification Pack

7. In case of unsuccessful completion, the trainee may seek reassessment on the Qualification Pack.

Minimum Aggregate Passing % at QP Level : 70

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
