Qualification Pack

WBSC/AGR/N3001: Apply Safe Working Practices.

Description

Apply Safe Working Practices.

Scope

The scope covers the following :

- Safe Working Practices.
- Recognition of Unsafe situations.
- Fire and safety hazards.
- Different fire extinguishers and their usage.

Elements and Performance Criteria

To be competent, the user/individual on the job must be able to:

- PC1.** Apply and maintain Safe Working Practices.
- PC2.** Recognize any unsafe situations according to site policy.
- PC3.** Identify fire and safety and fire hazards.
- PC4.** Identify different fire extinguishers and use them as per requirements.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Procedures to achieve a safe working environment in line with occupational health and safety regulations and requirements according to site policy.
- KU2.** Any unsafe situations according to site policy, and assess his report accordingly.
- KU3.** Fire and safety hazards and take necessary precautions against it and report according to site policy and procedures.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Recognize any unsafe situations according to site policy, and assess his report accordingly.
- GS2.** Demonstrate Personal Protective Equipment (PPE) like: safety helmet, safety glove, and safety shoe, use the same as per related working environment.
- GS3.** Demonstrate basic first aid & CPR and use them under different circumstances.
- GS4.** Identify different fire extinguishers and use the same as per requirement in a mock drill.

WBSC/AGR/N3002: Identify and select fresh fruits and vegetables with the help of checklist.

Description

Identify and select fresh fruits and vegetables with the help of checklist.

Scope

The scope covers the following :

- Identification of different fruits and vegetables.
- Preparation of selection criteria and check list for fruits and vegetables.
- Selection of fresh fruits and vegetables.

Elements and Performance Criteria

To be competent, the user/individual on the job must be able to:

PC1. Identify different fruits and vegetables.

PC2. Prepare selection criteria and check list for fruits and vegetables.

PC3. Select fresh fruits and vegetables.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

KU1. Selection of raw materials including fruits and vegetables for Preparation of various products.

KU2. Spices and other constituents, their properties, condiments and other additives and ingredient and their flavouring and preservative properties.

Generic Skills (GS)

User/individual on the job needs to know how to:

GS1. Identify different fruits and vegetables

GS2. Prepare selection criteria check list for fruits and vegetables.

GS3. Select fresh fruits and vegetables.

WBSC/AGR/N3006: Prepare fruit juices with juice extracting machines with safety precautions and preserve fruit juices with addition of preservatives and determine the acidity and TSS content.

Description

Prepare fruit juices with juice extracting machines with safety precautions and preserve fruit juices with addition of preservatives and determine the acidity and TSS content.

Scope

The scope covers the following :

- Maintenance of the perfect hygiene standard.
- Selection of perfect fruits.
- Preparation and measurement of fruits juice.
- Determination of TSS and acidity.
- Process of filling, Corking and crowning of the preserved fruit juices in sterilized bottles.
- Labelling of the bottles.

Elements and Performance Criteria

To be competent, the user/individual on the job must be able to:

- PC1.** Maintain the perfect hygiene standard.
- PC2.** Select perfect fruits.
- PC3.** Prepare fruits juice.
- PC4.** Measure juice.
- PC5.** Determine TSS and acidity.
- PC6.** Fill the preserved fruit juices in sterilized bottles.
- PC7.** Cork and crown the bottles.
- PC8.** Label the bottles.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Technology of extraction of juices from different types of fruits.
- KU2.** Definition of Preservatives-types of preservatives commonly used in food industry limits of usage of preservatives.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Prepare Fruit Juice.

Qualification Pack

- GS2.** Preserve fruits juices with addition of preservative.
- GS3.** Prepare common fruit beverages.
- GS4.** Determine Acids in fruits and vegetable products.
- GS5.** Prepare tomato juices, puree, sauces, ketchups, soup, paste, chutney etc.

WBSC/AGR/N3007: Prepare and package fruit beverages such as Squashes, RTS, Nectar, Cordial, Crush and Syrup by using appropriate machines such as pulper, juice extractor, autoclave, and corking machine with safety precautions, determine the acidity and TSS content.

Description

Prepare and package fruit beverages such as Squashes, RTS, Nectar, Cordial, Crush and Syrup by using appropriate machines such as pulper, juice extractor, autoclave, and corking machine with safety precautions, determine the acidity and TSS content.

Scope

The scope covers the following :

- Maintenance of perfect hygiene standard.
- Identification and selection of perfect fruits.
- Preparation of fruits for juice extraction.
- Preparation and measurement of fruit juice.
- Determination of TSS and Acidity.
- Calculations for Squashes, RTS, Nectar, Cordial, Crush and Syrup preparation and mixing of ingredients.
- Filling, Corking and Crowning of beverage into sterilized bottles.

Elements and Performance Criteria

To be competent, the user/individual on the job must be able to:

PC1. Maintain perfect hygiene standard.

PC2. Identify and select perfect fruits.

PC3. Prepare fruits for juice extraction.

PC4. Prepare fruit juice.

PC5. Measure fresh fruit juice.

PC6. Determine TSS and Acidity.

PC7. Perform calculations for Squashes, RTS, Nectar, Cordial, Crush and Syrup preparation and mixing of ingredients.

PC8. Fill beverage into sterilized bottles.

PC9. Cork and crown the bottles.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

KU1. Fruit beverages: Squashes, syrups, nectars, RTS, crushes, cordial etc.

KU2. Tomato products: Technology of manufacture of tomato products.

Qualification Pack

- KU3.** Definition of preserves, candied fruits, glazed fruits, crystallized fruits- methods of preparation of these.
- KU4.** Study of various types of containers like Glass, Tin merits and demerits of each-scope for new types of containers/ packaging materials, such as plastic pouches, tetra pack, PET bottle and cartons.
- KU5.** The label and its importance, and labelling requirements.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Prepare Fruit beverages: Squashes, syrups, nectars, RTS, crushes, cordial etc.
- GS2.** Manufacture tomato products.
- GS3.** Prepare preserves, candied fruits, glazed fruits, crystallized fruits.
- GS4.** Identify various types of containers like Glass, Tin merits and demerits of each- scope for new types of containers/ packaging materials, such as plastic pouches, tetra pack, PET bottle and cartons.
- GS5.** Label product and state its importance and requirements.

- KU1.** Technology of extraction of juices from different types of fruits.
- KU2.** Definition of Preservatives-types of preservatives commonly used in food industry limits of usage of preservatives.
- KU3.** Selection, preparation, production and preservation of Jams, Jellies and marmalades.
- KU4.** Difference between jam and jelly.
- KU5.** Definition of preserves, candied fruits, glazed fruits, crystallized fruits- methods of preparation of these.

Qualification Pack

- KU6.** Importance of personal Hygiene, Cleaning & Sanitary standards in Fruits and Vegetable preservation.
- KU7.** Good Handling Processes (GHP), Traceability aspects of processed product.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Prepare Fruit Juice.
- GS2.** Preserve fruit juices with addition of preservative.
- GS3.** Prepare common fruit beverages.
- GS4.** Determine Acids in fruits and vegetable products.
- GS5.** Prepare tomato juices, puree, sauces, ketchups, soup, paste, chutney etc.
- GS6.** Prepare Jam, jelly and marmalades.
- GS7.** Prepare preserves, candies, crystallized and glazed and fruit bars.

WBSC/AGR/N3011: Demonstrate the Canning process of fruits and vegetables and Identify defects by physical observation & its causes in canned foods and explain food safety standards.

Description

Demonstrate the Canning process of fruits and vegetables and Identify defects by physical observation & its causes in canned foods and explain food safety standards.

Scope

The scope covers the following :

- Process of canning, causes of defects in canned foods.
- Food safety standards.

Elements and Performance Criteria

To be competent, the user/individual on the job must be able to:

PC1. Explain process of canning, causes of defects in canned foods.

PC2. State the food safety standards.

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

- KU1.** Definition of preserves, candied fruits, glazed fruits, crystallized fruits- methods of preparation of these.
- KU2.** Canning of fruits and vegetables- principles, procedure and steps involved- care in handling of common available fruits and vegetables in the region.
- KU3.** Study of Frozen Fruits and Vegetables, Blanching and Freezing.

Generic Skills (GS)

User/individual on the job needs to know how to:

- GS1.** Demonstrate the Canning process in fruits and vegetables canning industry.
- GS2.** Identify effective cans, Precautions while consuming the canned foods.
- GS3.** Demonstrate Freezing process on market sample of frozen fruits and vegetables.

DGT/VSQ/N0102: Employability Skills (60 Hours)

Description

This unit is about employability skills, Constitutional values, becoming a professional in the 21st Century, digital, financial, and legal literacy, diversity and Inclusion, English and communication skills, customer service, entrepreneurship, and apprenticeship, getting ready for jobs and career development.

Scope

The scope covers the following :

- Introduction to Employability Skills
- Constitutional values - Citizenship
- Becoming a Professional in the 21st Century
- Basic English Skills
- Career Development & Goal Setting
- Communication Skills
- Diversity & Inclusion
- Financial and Legal Literacy
- Essential Digital Skills
- Entrepreneurship
- Customer Service
- Getting ready for Apprenticeship & Jobs

Elements and Performance Criteria

Introduction to Employability Skills

To be competent, the user/individual on the job must be able to:

- PC1.** identify employability skills required for jobs in various industries
- PC2.** identify and explore learning and employability portals

Constitutional values – Citizenship

To be competent, the user/individual on the job must be able to:

- PC3.** recognize the significance of constitutional values, including civic rights and duties, citizenship, responsibility towards society etc. and personal values and ethics such as honesty, integrity, caring and respecting others, etc.
- PC4.** follow environmentally sustainable practices

Becoming a Professional in the 21st Century

To be competent, the user/individual on the job must be able to:

- PC5.** recognize the significance of 21st Century Skills for employment
- PC6.** practice the 21st Century Skills such as Self-Awareness, Behaviour Skills, time management, critical and adaptive thinking, problem-solving, creative thinking, social and cultural awareness, emotional awareness, learning to learn for continuous learning etc. in personal and professional life

Basic English Skills

To be competent, the user/individual on the job must be able to:

Qualification Pack

- PC7.** use basic English for everyday conversation in different contexts, in person and over the telephone
- PC8.** read and understand routine information, notes, instructions, mails, letters etc. written in English
- PC9.** write short messages, notes, letters, e-mails etc. in English

Career Development & Goal Setting

To be competent, the user/individual on the job must be able to:

- PC10.** understand the difference between job and career
- PC11.** prepare a career development plan with short- and long-term goals, based on aptitude

Communication Skills

To be competent, the user/individual on the job must be able to:

- PC12.** follow verbal and non-verbal communication etiquette and active listening techniques in various settings
- PC13.** work collaboratively with others in a team

Diversity & Inclusion

To be competent, the user/individual on the job must be able to:

- PC14.** communicate and behave appropriately with all genders and PwD
- PC15.** escalate any issues related to sexual harassment at workplace according to POSH Act

Financial and Legal Literacy

To be competent, the user/individual on the job must be able to:

- PC16.** select financial institutions, products and services as per requirement
- PC17.** carry out offline and online financial transactions, safely and securely
- PC18.** identify common components of salary and compute income, expenses, taxes, investments etc
- PC19.** identify relevant rights and laws and use legal aids to fight against legal exploitation

Essential Digital Skills

To be competent, the user/individual on the job must be able to:

- PC20.** operate digital devices and carry out basic internet operations securely and safely
- PC21.** use e-mail and social media platforms and virtual collaboration tools to work effectively
- PC22.** use basic features of word processor, spreadsheets, and presentations

Entrepreneurship

To be competent, the user/individual on the job must be able to:

- PC23.** identify different types of Entrepreneurship and Enterprises and assess opportunities for potential business through research
- PC24.** develop a business plan and a work model, considering the 4Ps of Marketing Product, Price, Place and Promotion
- PC25.** identify sources of funding, anticipate, and mitigate any financial/ legal hurdles for the potential business opportunity

Customer Service

To be competent, the user/individual on the job must be able to:

- PC26.** identify different types of customers
- PC27.** identify and respond to customer requests and needs in a professional manner.

Qualification Pack

PC28. follow appropriate hygiene and grooming standards

Getting ready for apprenticeship & Jobs

To be competent, the user/individual on the job must be able to:

PC29. create a professional Curriculum vitae (Résumé)

PC30. search for suitable jobs using reliable offline and online sources such as Employment exchange, recruitment agencies, newspapers etc. and job portals, respectively

PC31. apply to identified job openings using offline /online methods as per requirement

PC32. answer questions politely, with clarity and confidence, during recruitment and selection

PC33. identify apprenticeship opportunities and register for it as per guidelines and requirements

Knowledge and Understanding (KU)

The individual on the job needs to know and understand:

KU1. need for employability skills and different learning and employability related portals

KU2. various constitutional and personal values

KU3. different environmentally sustainable practices and their importance

KU4. Twenty first (21st) century skills and their importance

KU5. how to use English language for effective verbal (face to face and telephonic) and written communication in formal and informal set up

KU6. importance of career development and setting long- and short-term goals

KU7. about effective communication

KU8. POSH Act

KU9. Gender sensitivity and inclusivity

KU10. different types of financial institutes, products, and services

KU11. how to compute income and expenditure

KU12. importance of maintaining safety and security in offline and online financial transactions

KU13. different legal rights and laws

KU14. different types of digital devices and the procedure to operate them safely and securely

KU15. how to create and operate an e- mail account and use applications such as word processors, spreadsheets etc.

KU16. how to identify business opportunities

KU17. types and needs of customers

KU18. how to apply for a job and prepare for an interview

KU19. apprenticeship scheme and the process of registering on apprenticeship portal

Generic Skills (GS)

User/individual on the job needs to know how to:

GS1. read and write different types of documents/instructions/correspondence

GS2. communicate effectively using appropriate language in formal and informal settings

Qualification Pack

- GS3.** behave politely and appropriately with all
- GS4.** how to work in a virtual mode
- GS5.** perform calculations efficiently
- GS6.** solve problems effectively
- GS7.** pay attention to details
- GS8.** manage time efficiently
- GS9.** maintain hygiene and sanitization to avoid infection

Assessment Guidelines and Assessment Weightage

Assessment Guidelines

Assessment will be based on the concept of Independent Assessors empaneled with West Bengal State Council of Technical & Vocational Education & Skill Development (WBSCT&VE&SD), identified, selected, trained and certified on Assessment techniques. These Assessors would be aligned to assess as per the laid down criteria.

WBSCT&VE&SD would conduct assessment only at the training centers or designated testing centers authorized by WBSCT&VE&SD. Ideally, the assessment will be a continuous process comprising of two distinct steps:

- Continuous assessment by Trainers
- Term end /Final Assessment by WBSCT&VE&SD

Each National Occupational Standard (NOS) in the respective QPs will be assigned weightage. Each Performance Criteria in the NOS will be assigned marks for theory and/or practical based on relative importance and criticality of function. This will facilitate preparation of question bank / paper sets for each of the QPs. Each of these papers sets/question banks created by subject matter experts through WBSCT&VE&SD, especially with regard to the practical test and the defined tolerances, finish, accuracy

Qualification Pack

etc. The following tools are proposed to be used for final assessment:

i. Written Test: This will comprise of (i) True/False Statements and/or (ii) Multiple Choice Questions and/or (iii) Matching Type Questions. Online system for this will be preferred.

ii. Practical Test: This will comprise a test job to be prepared as per project briefing following appropriate working steps, using necessary tools, equipment and instruments. Through observation it will be possible to ascertain candidate's aptitude, attention to details, quality consciousness etc.

iii. Structured Viva-voce: This tool will be used to assess the conceptual understanding and the behavioral aspects as regards the job role and the specific task at hand.

Minimum Aggregate Passing % at QP Level : 70

(Please note: Every Trainee should score a minimum aggregate passing percentage as specified above, to successfully clear the Qualification Pack assessment.)

Glossary

Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.
Occupation	Occupation is a set of job roles, which perform similar/ related set of functions in an industry.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organisation.
Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the Knowledge and Understanding (KU) they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
Performance Criteria (PC)	Performance Criteria (PC) are statements that together specify the standard of performance required when carrying out a task.
National Occupational Standards (NOS)	NOS are occupational standards which apply uniquely in the Indian context.
Qualifications Pack (QP)	QP comprises the set of OS, together with the educational, training and other criteria required to perform a job role. A QP is assigned a unique qualifications pack code.
Unit Code	Unit code is a unique identifier for an Occupational Standard, which is denoted by an 'N'
Unit Title	Unit title gives a clear overall statement about what the incumbent should be able to do.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Scope	Scope is a set of statements specifying the range of variables that an individual may have to deal with in carrying out the function which have a critical impact on quality of performance required.

Qualification Pack

Knowledge and Understanding (KU)	Knowledge and Understanding (KU) are statements which together specify the technical, generic, professional and organisational specific knowledge that an individual needs in order to perform to the required standard.
Organisational Context	Organisational context includes the way the organisation is structured and how it operates, including the extent of operative knowledge managers have of their relevant areas of responsibility.
Technical Knowledge	Technical knowledge is the specific knowledge needed to accomplish specific designated responsibilities.
Core Skills/ Generic Skills (GS)	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
Sector	Sector is a conglomeration of different business operations having similar business and interests. It may also be defined as a distinct subset of the economy whose components share similar characteristics and interests.
Sub-sector	Sub-sector is derived from a further breakdown based on the characteristics and interests of its components.

Core Skills/ Generic Skills	Core skills or Generic Skills (GS) are a group of skills that are the key to learning and working in today's world. These skills are typically needed in any work environment in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Electives	Electives are NOS/set of NOS that are identified by the sector as contributive to specialization in a job role. There may be multiple electives within a QP for each specialized job role. Trainees must select at least one elective for the successful completion of a QP with Electives.
Options	Options are NOS/set of NOS that are identified by the sector as additional skills. There may be multiple options within a QP. It is not mandatory to select any of the options to complete a QP with Options.
